

Though adamantly all say: "WE" obey God, here is the admonition/rebuke to other Organizations:

To major # 2 error TO COG has against you:

Examine yourselves to "see" if you are in the Faith once delivered, and you will "see" in the Mirror of the Bible, that you are "NOT" in the Faith once delivered.

You are all just like the Lutherans, who only came "PARTLY" OUT of Catholicism's errors.

You did "not" examine all "your" Doctrines like you are commanded by the Bible to do, to see if you are in the faith once delivered.

**To Church of God the Eternal/Brisby:**

You and your members will be judged by what is written in the Bible (The Books), "NOT" by what HA (Herbert Armstrong) wrote.

We will correct you COGTE/Brisby by your own words:

You Brisby are violating your own Mission statement that says that you follow "only" the Doctrines originally revealed to HA!

We state that you, (Brisby) do "NOT" follow the Doctrines originally revealed to HA, for the proof is that HA originally followed Sivan 6 from 1934 to 1937. Lindy LeBlue has the attendance records from 1934 with the names of each member written down that attended on which day, (that is why I believe Lindy has been keep alive ((who is now 94 in 2009))), so she can witness to the truth that HA kept Pentecost on Sivan 6 on "NOT" on Monday.

A Monday Pentecost was never given to HA. HA changed what was given to him, and you Brisby follow the "CHANGED" DOCTRINE and not the Doctrine you claim to build your Mission statement on, that you preach only & "exactly" the original Doctrine that HA was given, and that "that" original 1934 Doctrine cannot be changed.

Your own (those) printed words on the 1<sup>st</sup> Web page of your Internet site convict you. And your member Lindy LeBleu has the record that HA celebrated Pentecost on Sivan 6, and you Brisby lie and ignore, and cover up, and continue to lie and ignore, and cover up that fact.

And though you have been told by this writer, about God's command to follow the Crescent New Moon, you ignore God's Gen 1:14command, and "YOU" have all your members working on God's Holy Days.

Repent.

**To my blood Cousin David Phremmer, the Leader (President) of the Lutheran Church I admonish:**

You "must" live by every word of God, and build your Lutheran Church on the Rock Jesus, and "DO" everything that Jesus set the example to do. Build on rock and not the left over sand of Martin Luther.

Lawrence remembers Lawrence's days when Lawrence was in the WCG (Worldwide Church of God) and all my Lutheran Church council members called me down for leaving the Lutheran Church and following Armstrongism, putting me down by telling me that I was following a man/Armstrong. I vividly remember my response to one of the Council Members named Carl Schmidt: I stated: I call myself Worldwide Church of God, BUT"YOU" call yourselves Lutherans. I follow the Bible, but "YOU" follow Luther, and you are called Lutherans. It is "YOU" who are following a man, and the truth of your name LUTHERan attests to the fact that you are following a man, and not the Bible.

To my Cousin David, I admonish:

As President of the Lutheran Church, please lead the Lutherans into the words of the Bible, EVERY JOT AND TITTLE, for Luther did not go far enough.

### **To the Catholic Church Pope Ratzinger**

**Ratzinger** you by your actions, and past proclamation, and your German attitude, (and I know Germans very well because I was raised a Lutheran) I hereby pronounce:

You are a Zinger of a Rat.

You are leading over 70 million Catholics astray. You are killing over 70 million Catholics.

Terry **Ratzman** in the LCG only killed 7 physical member temporarily,

but you RatZINGER if allowed to be the last Pope (but there should be 1 more Pope after Ratzinger before Christ returns) you RatZINGER will kill over 70 million.

### **From the Official Catholic Directory**

The U.S. Catholic population in 2004 was 67,259,768

Ratzinger you are presently beyond Redemption, and your Catholic Church sins reach up as high as the Heavens.

Type and Anti-type:

**Ratzman kills 7** USA Christians physically.

**Ratzinger kills 70** million in the USA spiritually.

### **To the LCG (Living Church of God) where the 7 members were gunned down:**

Roderick C. Meredith:

Bear fruit worth of Repentance, by following God's Crescent New Moon Calendar as Jesus, the Disciples, AND Paul did, and set the example for you and the LCG to do. You cannot change to the 358 Hillel II calendar, and you cannot follow the Jewish Calendar when it leads you to break God's calendar. Your members are working on God's Holy Days.

---

To the World Wide Church of God now operating as of Apr 3 2009 as GCI (Grace Communion International):

To Joseph Tkach Jr.:

"YOU" lied to me, and the other congregational members, about your not changing the Bible's Doctrines.

May God have

mercy on you.
