A New Look at “Conspiracy Theory”!

Is the world in the grips of a vast, overwhelming Conspiracy? Pundits and commentators mock and jeer at those who speak of a great “conspiracy.” Such people are looked upon as nut cases, baboons, and crazies. A movie, titled *Conspiracy Theory*, starred Mel Gibson and Julia Roberts, and of course Mel played the part of a conspiracy “wack job” who, it turned out, was right all along! But what about reality? What do the Scriptures have to say about “conspiracies”? Are they so unusual and unbelievable? Is there a great conspiracy behind the scenes of world affairs? If so, what is it – how does it operate – what is its purpose?

William F. Dankenbring

In this world there are conspiracies.

Who believes in vast conspiracies? If you don't, then you are blind, and ignorant, and don't know the truth about human nature itself!

The prophet Jeremiah wrote, “The heart is deceitful above all things, and desperately wicked [or, margin, “incurably sick”]; who can know it?” (Jer.17:9).

The apostle Paul wrote, “There is none righteous, no, not one; there is none who understands; there is none who seeks after God. They have all turned aside; they have together become unprofitable; there is none who does good, no, not one. Their throat is an open tomb; with their tongues they have practiced deceit; the poison of asps is under their lips; whose mouth is full of cursing and bitterness. Their feet are swift to shed blood; destruction and misery are in their ways; and the way of peace they have not known. There is no fear of God before their eyes” (Rom.3:10-18).

John F. Kennedy

In America many believe there was a conspiracy to kill President J.F. Kennedy in 1963. He was not assassinated by Oswald, as the politicians claim, but by shots fired from a grassy knoll much closer to the president. Much has been written about this subject in many books and many point the finger at a cabal consisting of Mafia figures, J.

Edgar Hoover (who Kennedy intended to replace), the CIA, and Pentagon. Vice President Lyndon Johnson stood the most to gain, and some believe he was also involved in the plot. It is well known that there was no love lost between Johnson and Kennedy, and he was not going to be on the ticket when Kennedy ran for re-election. The assassination in Dallas, Texas, Johnson's home state, was a day of great mourning in America and throughout the world.

Johnson's Dirty Secret

After John F. Kennedy's assassination, Vice-President Johnson became president. A number of people benefited from this assassination as well as Johnson, including the Mafia, J. Edgar Hoover, as well as, Cuba's Fidel Castro. Practically on the last day of the 1967 Israeli 6-Day War Israel attacked the American *USS Liberty* naval ship stationed near Israel with the intent to destroy the ship and all its crew members. Why would they attack an American ship when the war was almost over? The news story given to the people of the US alleged that the *USS Liberty* was being used to give Israeli strategic points and data to the Egyptians and bundling them through the Syrians.

What was the real truth? Years ago I received and published a letter from a crew member that was on board the *USS Liberty* who survived that attack. He felt it was a miracle they were not sunk. Barry Chamish, a Jewish author, has wondered about this strange attack himself for many years. It was a real thorn in America's side. Israel tried to sink the ship and entire crew, but failed. A film was also made about this by the BBC. Barry Chamish talked to two officers later that were on board the ship, and they vehemently denied the news media claim that the ship was providing intelligence for the Egyptians. Chamish said he believed the officers more than the news reports circulated. He also learned that Admiral McCain (father of Senator John McCain) was not covering for Israel, but he was protecting President L. B. Johnson who had directly *ordered Israel to attack the USS Liberty!* Why would he do such a dastardly thing?

What was the diabolical reasoning behind this? On June 8, 1967, during the 6-Day War between Israel and the Arab nations, L.B. Johnson sent the *clearly marked USS Liberty* with electronic intelligence into the Eastern Mediterranean 14 miles off the coast of Israel *in international waters*. Israel identified the ship as an American ally. At 2 pm two *unmarked* Mirage fighter bombers attacked the ship first, and then three torpedo boats bearing Israeli flags launched torpedoes and opened high caliber machine gun fire strafing the life rafts in the water, which is an international war crime!

During the attack the *USS Liberty* continually called the American Sixth Fleet that was nearby, begging for air support. Two groups of fighter aircraft were sent to defend the *Liberty*, but unbelievably they were recalled by the White House! The Admiral in Command of the Sixth Fleet called Washington to confirm the recall order. Secretary of Defense McNamara came on the line followed by the President himself who told the Admiral with expletives "I want that ...[expletive deleted] ship going down to the bottom!" Three hours into the attack a Russian spy-ship appeared, so the Israelis had to withdraw, because now there were witnesses of the attack on the *USS Liberty*. Thus

the ship limped home safely and was not sunk. This was not Israel's idea, nor was Israel the leader of the hit squad.

Here's what really took place. President Johnson who had personal control over the ship had made a "back-room deal" with Israel with an order to attack the ship and kill everyone on board so there would be no witnesses. The attack was to be blamed on Egypt and their Russian allies, and the US would then enter the war and take over the entire Middle East. America was angry at Prime Minister Nasser who had turned to the Russians to build up armaments after the Suez crisis in 1956. Nasser also wanted the US to build the Aswan Dam. We refused, so Nasser used the Russians to build it. The American perception was that Prime Minister Nasser had drifted into the Soviet camp and was threatening to make much of the Middle East Soviet clients. Part of the cold war strategy to keep Russia out of the Middle East was to sacrifice our own ship, blame the Egyptians who were Soviet clients and take out the Egyptians thus removing the Russian threat.

Dr. Stan Monteith of www.radioliberty.com, a wonderful writer, researcher and historian has long researched the Liberty attack and has had four interviews with the seamen and two officers. His very direct and open quote was, "of course Johnson gave the order, but he received his orders from higher up!" Who is HIGHER than the U.S. President? Perhaps the New World Order or the Illuminati is "higher".

Dr. Monteith said the order was an American action forced on Israel for political purposes. Johnson also *staged* the Viet Nam War with the Gulf of Tonkin incident where supposedly North Vietnamese PT boats attacked an American destroyer (staged pretext to get the US to go to war against the North Vietnamese). Clearly, God frustrated the American purposes in directing the Israelis covertly to attack the *USS Liberty*, but granted an awesome victory to Israel over her enemies during the Six Day War!

Here, then, is another "conspiracy" which has been kept secret from the public.

Ronald Reagan

John Hinckley Jr. attempted to assassinate President Reagan, in March of 1981, soon after he became president. It was a very close call. Was this just a "lone wolf" attempt on the life of the president, or was it part of a conspiracy to get rid of the arch-conservative Ronald Reagan by political enemies, even in his own party?

The bullet was found within an inch of the president's heart. It was a specially designed bullet for use in big game hunting, called a "Devastator," because it was made to flatten out and cause maximum damage as it ripped through a body. Its tip was filled with lead azide, a chemical designed to explode on secondary contact with something hard. The chemical is a toxic poison. Amazingly, the bullet did not explode when it hit Reagan's chest.

Writes Mary Beth Brown, “Many ‘miraculous factors,’ as the president called them, added up to the saving of his life. And if any one of them had occurred differently, he most certainly would have died that day in March 1981. President Reagan points out in his autobiography that most of the doctors that practiced at the hospital had been attending a special meeting that afternoon: ‘Within a few minutes after I arrived, the room was full of specialists in virtually every medical field.’ He had turned to the reporter at just the right time when he was shot; otherwise, the bullet might have hit directly into his heart. Reagan biographer Edward Morris points out that the limousine miraculously reached the hospital, although driving in uncontrolled traffic, in just three-and-a-half minutes. And the bullet didn’t explode while Dr. Aaron was exploring for it – or at any other time since it had entered Reagan’s body. ‘Jerry’s decision [Jerry Parr, the lead of the security detail with the president that day] to go directly to the hospital was the difference between my dad living or dying,’ Michael Reagan says in his autobiography, *On the Outside Looking In*. Michael also says his father told him ‘that it was only divine intervention that kept him alive’” (p.14).

Says Brown, after this close call, “Recovering in the White House, President Reagan recommitted his life to God, writing in his diary, ‘Whatever happens now, I owe my life to God and will try to serve him in every way I can’” (p.15).

Michael Deaver, a presidential aid, later told Peggy Noonan, “I know from conversations he and I had after the assassination attempt that there was no question in his mind that his life had been spared. He absolutely believed it. He felt the Lord had spared him to fulfill whatever mission it was that he was supposed to fulfill. And he was gonna make sure that he lived his life to the fullest and did whatever he considered to be the right thing for the rest of his life.”

George Bush followed Ronald Reagan as president. The Bush family had ties with Nazi Germany during the 30’s and 40’s and did business with them even as Hitler rose to power and during World War II. Some would call that “trading with the enemy,” but the Bushes were too powerful and well entrenched to be brought to account.

Bill Clinton

William Jefferson Clinton blamed the Republicans for “conspiring” to poison the minds of people against his presidency, and for attempting to impeach him for lying to Congress and the American people. Of course, he did lie – he denied having had a sexual affair with White House intern Monica Lewinsky – and swore on television that he never had sex with that woman. He later said it all depended on what you meant by “sexual relations” and the definition of the word “is.” His wife Hilary said it was all a “vast right wing conspiracy” to get her husband!

Of course, the facts spoke for themselves, and there is no doubt that he did carry on with many sexual affairs while in the White House, and before, as Governor of Arkansas.

Today, Barack Hussein Obama says the “right wing” is conspiring against him, and many conservatives in Congress and the nation believe he himself is the leader of a conspiratorial cabal and only became president through subterfuge, deceit, deception, and lying. Many claim he is an illegitimate president because there is no proof he was born in the United States, and that in fact he was born in Kenya and is not therefore a natural American citizen and does not meet the constitutional requirements to be the President!

So one man’s conspirator is another man’s hero; one man’s traitor is another man’s patriot!

What is the truth about conspiracies? Are they all that rare in politics, and business, and government?

The Tower of Babel Conspiracy

In the Bible, we read a most interesting and intriguing story in the book of Genesis about a mysterious “tower of Babel.” It was a symbol of “world unity” in the days shortly after the Flood of Noah’s time – a symbol of the world being “at one” – under one world ruling government – and the ruler of that ancient world was a man named “Nimrod.”

Nimrod was “a mighty hunter before [or “against”] the LORD” (Gen.10:9). We read: “Cush became the father of Nimrod; he was the first on earth to become a mighty warrior. He was a mighty hunter before the LORD; therefore it is said, ‘Like Nimrod a mighty hunter before the LORD.’ The beginning of his kingdom was Babel, Erech, and Accad, all of them in the land of Shinar” (Gen.10:8-10, NRSV).

During the time of Abraham, we read: “And king Nimrod reigned securely, and all the earth was under his control, and all the earth was of one tongue and words of union. And all the princes of Nimrod and his great men took counsel together . . . and they said to each other, Come let us build ourselves a city and in it a strong tower, and its top reaching heaven, and we will make ourselves famed, so that we may reign upon the whole world, in order that the evil of our enemies may cease from us, that we may reign mightily over them, and that we may not become scattered over the earth on account of their wars” (Jasher 9:20-21).

This was the first great conspiracy after the Flood of Noah’s time.

God Almighty intervened to destroy their magnificent tower. He confused their languages and scattered them. They could not communicate with each other, so stopped the building program and dispersed throughout the earth. “And the building of the tower was unto them a transgression and a sin, and they began to build it, and whilst they were building against the Lord God of heaven, they imagined in their hearts to war against him and to ascend into heaven” (Jasher 9:25).

God smote them, according to their works and designs. “And they ceased building the city and the tower; therefore he called that place Babel, for there the Lord confounded the language of the whole earth; behold it was at the east of the land of Shinar.” What happened to the tower? Jasher relates, “And as to the tower which the sons of men built, the earth opened its mouth and swallowed up one third part thereof, and a fire also descended from heaven and burned another third, and the other third is left to this day, and it is of that part which was aloft, and it’s circumference is three day’s walk” (Jasher 9:37-38). This occurred while Abraham was secreted away, studying under Noah and Shem.

Therefore, the tower of Babel was built sometime during Abraham’s stay in the house of Noah and his son Shem – between the years 2046 B.C. and 2006 B.C., when Abraham returned to his father Terah’s house in Babylon. Peleg died in the year 2008 B.C., and the division of the peoples and land occurred before he died, fulfilling the prophecy of his name, “Division,” which was given to him at his birth in 2247 B.C.

Will a ‘new Nimrod’ soon appear on the world scene, attempting to recreate “One World” through the United Nations and the Western powers, to unify the world in rebellion against the laws of the God of heaven?

The Conspiracy Against Joseph

In Genesis 37:17-18 we read of another **conspiracy** in the Bible. Joseph is sent out by his father to find his brothers who are shepherding their flocks and Joseph finds them in Dothan. Seeing Joseph coming from a far off, the brothers conspired against him to kill him and say a wild animal killed him.

Reuben, planned to get Joseph from out of the brothers’ hands, so he suggested Joseph be cast into a nearby empty pit. Then later Reuben planned to come back and return him to their father. While the brothers were eating an Ishmaelite caravan was passing by on their way to Egypt, so Judah talked his brothers into selling Joseph to the Ishmaelite for 20 shekels.

This conspiracy, however, had a happy ending. Joseph rose to become Prime Minister over all the land of Egypt, and during a time of great world famine saved his family, parents, and brothers, from starvation and disaster.

David and Absalom

During the time of King David of Israel, a man after God’s own heart (Acts 13:22), David’s son, Absalom fled after he had his servants kill his brother Amon because he had raped his sister, Tamar.

David mourned for Absalom and after Joab’s request forgave him. Absalom returned to his own house in Jerusalem, but his father, King David after two full years

still refused to let Absalom see him. Joab interceded for Absalom with King David who then agreed to see him.

The beauty of Absalom was perfect without blemish and much praised in all Israel. After his visit with King David, Absalom rose up early and stood beside the way of the gate and greeted (intercepted) every man that had a controversy who purposed to see the king for judgment. He would ask, "Of what city are you?" Then if the man replied, "your servant is of one of the tribes of Israel", Absalom would agree with each one that their matter was good and right.

Then he told them that the king had no man deputized to hear them, but if he were made judge in the land ("O that I were a judge!") that every man which had suit or cause and came to him, he (Absalom) would do him justice. When a man came near to him to bow down to him, he put out his hand and kissed him. In this manner Absalom stole the hearts of all Israel that came to the king for judgment.

After 40 years from the time David had first been anointed to be king, Absalom said to the king, "Let me go and pay my vow which I have vowed to the Lord in Hebron when the Lord brought me back to Jerusalem. The king said, "go in peace". So Absalom went to Hebron where the nation of Israel was founded in the days of Abraham and Isaac. Absalom invited 250 men from Jerusalem who went with him who were innocent (knew nothing) of his treason.

Absalom sent spies throughout all the tribes of Israel saying, "As soon as you hear the sound of the trumpet, then you shall say, 'Absalom reigns in Hebron.'"

Absalom sent for Ahithophel, David's counselor living in the city of Giloh, while he was offering sacrifices. The conspiracy was strong, for the people with Absalom increased continually in number (2 Samuel 15:12-13).

A messenger came to David, saying, "The hearts of the men of Israel are with Absalom." David told all his servants with him at Jerusalem, "Hasten speedily and let us flee. If we do not leave immediately, we will not escape from Absalom who can overtake us suddenly, and bring evil upon us and destroy the city with the edge of the sword."

This was a great conspiracy engineered by his own son, Absalom, even against popular King David, God's chosen and anointed one.

Historically, conspiracies have been common among the royal lines of England and France. Conspiracies can crop up from relatives. Queen Mary of the Scots, an ardently fierce Catholic and aided by the Jesuits, tried to wrest the throne of England from her cousin Queen Elizabeth, a strong-minded Protestant. The history of England seems to consist of one conspiracy after another, as does the history of France, and who would America be immune?

Notice the history of ancient Israel.

Conspiracies in Ancient Israel

There was a deep conspiracy among the kings during the days of Jehoiada the priest. “King Jehoash (son of Ahaziah) of Judah took all the hallowed things that Jehoshaphat and Jehoram and Ahaziah his fathers, kings of Judah had dedicated, and his own hallowed things and all the gold found in the treasures of the house of the Lord and in the king’s house, and sent it to Hazael king of Syria who then withdrew from attacking Jerusalem. The rest of the acts of Joash and all that he did are written in the book of the chronicles of the kings of Judah” (2 Kings 12:18-19).

Servants of Joash formed a conspiracy and slew king Joash (verses 20-21). Amaziah his son reigned in his stead.

Conspiracy leading to assassination and the death of the kings of Judah appears to have become an almost historical event. Another conspiracy and the death of a king of Judah is recorded in 2 Kings 14:17-21. a vast conspiracy was formed against Amaziah in Jerusalem and the conspirators slew Amaziah in Lachish where he had fled. The people of Judah then crowned Azariah as their king, his sixteen year old son.

We read in 2 Kings 15:10-12 that the Lord told Jehu his sons would sit on the throne of Israel to the fourth generation, and so it came to pass. Shallum son of Jabesh conspired against Zachariah (son of Jeroboam who reigned 6 months) and **slew** him and began to reign in the 39th year of Uzziah king of Judah.

Shallum (son of Jabesh) conspiracy didn’t last long. He reigned only one month in Samaria; then Menahem from Tirzah attacked Samaria, ripped up all the women that were with child, and slew Shallum and reigned in his place (v.13-16).

Menahem died, and his son Pekahiah reigned in his stead. He reigned only two years. “Then Pekah the son of Remaliah, an officer of his, conspired against him and killed him in Samaria, in the citadel of the king’s house, along with Argob and Arieah; and with him were fifty men of Gilead. He killed him and reigned in his place (2 Kings 15:23-25).

The bloody, sanguinary trail continues.

Pekah reigned twenty years. In the days of Pekah (son of Remaliah) king of Israel, Tiglath Pileser king of Assyria, conquered some of the land and carried its peoples captive to Assyria. “Then Hoshea, the son of Elah, led a conspiracy against Pekah . . . and struck and killed him; so he reigned in his place” (2 Kings 15:27-31).

Hoshea himself served king Shalmanezzer of Assyria, but then conspired against the king of Assyria, entering a pact with So, king of Egypt, and cut off the tribute for the king of Assyria (2 Kings 17:1-4). This was his downfall.

Shalmaneser discovered the conspiracy and imprisoned Hoshea, captured Samaria within three years, from 721-718 B.C., and took Israel captive into Assyria and placed them in Halah and Harbor in the cities of the Medes by the Gozan River (2 Kings 17:5-7).

God Himself punished the northern Kingdom of Israel, sending them into captivity. “For so it was that the children of Israel had sinned against the Lord their God . . . and they had feared other gods, and had walked in the statutes of the nations whom the LORD had cast out from before the children of Israel . . . Also the children of Israel secretly did against the LORD their God things that were not right . . . They set themselves up sacred pillars and wooden images [Asherim] on every high hill and under every green tree. There they burned incense on all the high places, like the nations whom the LORD had carried away before them; and they did wicked things to provoke the LORD to anger” (2 Kings 17:7-11).

They were driven out of their land.

God thundered through the prophet Jeremiah, “Cursed is the man who does not obey the words of this covenant (agreement) which I commanded your fathers in the day I brought them out of the land of Egypt, from the iron furnace, saying, ‘Obey my voice, and do according to all that I command you; so shall you be my people, and I will be your God’” (Jer.11:3-4).

“Proclaim (preach) all these words in the cities of Judah and the streets of Jerusalem, saying, Hear the words of this covenant and DO them” (Jer.11:6).

“For I *earnestly* protested to your fathers in the day I brought them up out of the land of Egypt, until this day, rising early and exhorting, saying, ‘*Obey my voice*’” (verse 7). “Yet they did not obey or incline their ear, but everyone followed the dictates of his evil heart” (v.8).

God declared, “And the LORD said to me, ‘A CONSPIRACY HAS BEEN FOUND among the men of Judah and among the inhabitants of Jerusalem. They have turned back to the iniquities of their forefathers who refused to hear My words . . .’” (v.9).

“The House of Israel and House of Judah have *broken my covenant* which I made with their fathers and have turned back to the iniquities of their forefathers who refused to hear my words, and they have gone after other gods to serve them . . . Therefore, thus says the LORD; Behold, I will surely bring calamity on them which they will not be able to escape; and though they cry out to Me, I will not listen to them. Then the cities of Judah and the inhabitants of Jerusalem will go and cry out to the gods to whom they offer incense, but they will not save them at all in the time of their trouble” (Jer.11:11-12).

God told Jeremiah, “So do not pray for this people, or lift up a cry or prayer for them, for I will not hear them in the time that they cry out to Me because of their trouble. What has My beloved [people] to do in My house, having done lewd deeds with many? . . . When you do evil, then you rejoice” (Jer.11:14-15).

Jeremiah was a true prophet of God. But false prophets sought to have him killed, and devised schemes against him (Jer.11:19). But Jeremiah put his life in God's hands, saying to the LORD, "But O LORD of hosts, You who judge righteously, Testing the mind and the heart, Let me see Your vengeance on them, for to You I have revealed my cause" (v.20).

Jeremiah had no clue about the conspiracy of his enemies to kill him, but the Lord reveals it to him. Concerning the men who sought the life of Jeremiah, the Lord declared, "Behold, I will punish them. The young men shall die by the sword, their sons and their daughters shall die by famine; and there shall be *no remnant of them*, for I will bring catastrophe on the men of Anathoth, even the year of their punishment" (verses 22-23).

Conspiracies in the Day of Ezekiel

The prophet Ezekiel declares, "The word of the Lord came to me saying, 'Son of man, the house of Israel has become dross (worthless metals) to Me; they are all bronze, tin, iron, and lead, in the midst of a furnace; they have become dross from silver. Therefore thus says the Lord GOD: Because you have all become dross, therefore, behold, I will gather you . . . as men gather silver, bronze, iron, lead, and tin into the midst of a furnace, to blow fire on it, to melt it; so I will gather you in My anger and in My fury, and I will leave you there and melt you'" Ezek.22:17-20).

In other words, the people were compared to the worthless mixture of copper, tin, iron, and lead." Therefore, God said of them, "Yes, I will gather you and blow on you with the fire of My wrath, and you shall be melted in its midst. As silver is melted in the midst of a furnace, so shall you be melted in its midst; then you shall know that I, the LORD, have poured out My fury on you'" (vs.21-22).

God says further, "Son of man, say to her: 'You are a land that is not cleansed or rained on in the day of indignation'" (Ezek.22:24).

These incredible words are written down as a prophecy for OUR DAY, TODAY!

Notice! God goes on, "The conspiracy of her prophets in her midst is like a roaring lion tearing the prey; they have devoured people ["princes" in the *Septuagint*; *Targim* says "scribes"]; they have taken treasure and precious things; they have made many widows in her midst. Her priests [that is ministers, teachers] have VIOLATED MY LAW and profaned My holy things; they have not distinguished between the holy and unholy, nor have they made known the difference between the unclean and the clean; and they have hidden their eyes from My Sabbaths, so that I am profaned among them" (Ezek.22:25-26).

"Her princes in her midst are like wolves tearing the prey, to shed blood, to destroy people [literally, "souls"], and to get dishonest gain" (v.27). "Her prophets

plastered them with untempered mortar, seeing false visions, and divining lies for them, saying, ‘Thus says the Lord GOD,’ when the LORD has not spoken. The people of the land have used oppressions, committed robbery, and mistreated the poor and needy; and they wrongfully oppress the stranger” (Ezek.22:27-29).

Says the New Revised Standard Version:

“Your princes (leaders) are like wolves that tear apart their prey. They shed blood (destroy people’s lives) for dishonest gain (profit). Her prophets (ministers) whitewash these deeds for them by seeing FALSE visions and divining LIES saying, “thus says the Lord God, WHEN THE LORD HAS NOT SPOKEN (NRSV)”.

They repair cracked walls with whitewash and no cement. The people of the land practice oppressions (extortions), commit robbery, mistreat the poor and needy, and wrongfully oppress the alien (stranger) denying them justice.”

God declares, “I looked for someone who might rebuild the wall of righteousness that guards the land. I searched for someone to stand in the gap in the wall so I would not have to destroy the land, but I found no one (NIV)”. So, God says, “I will pour out my wrath on them and consume them with my fiery anger, bringing down on their own heads the full penalty for all the sins they have committed” (NIV, Ezek.22:30-31).

These prophecies were written down and PRESERVED for us, today, upon whom the LAST DAYS have come – the END-TIME generation! Today, conspiracies abound!

The Original Conspiracy

Conspiracies exist all around us. They proliferate like dandelion seeds blowing in the wind!

The nations are conspiring against God and His prophets, people, and true godly men and women. God thunders, “Why do the nations rage, and the people PLOT a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD and against His Anointed” (Psalm 2:1-2).

The first Great Conspiracy in history occurred under the leadership of that great conspirator, Satan the devil himself. He rebelled and conspired against God ages ago taking one-third of the angels who followed him in this rebellion. God declares, “How are you fallen from heaven, O Lucifer, son of the morning! . . . For you have said in your heart, I will ascend into heaven, I will exalt my throne above the stars of God . . . I will be like the Most High” (see Isaiah 14:12-14; Rev.12:3-4).

Satan is the God of this world, the Prince of the Power of the Air (Eph.2:2; 2 Cor.4:4) that has DECEIVED ALL NATIONS – he is “that serpent of old, called the Devil and Satan, who deceives the whole world” (Rev.12:9) suppressing the truth of God

in unrighteousness (Rom.1:18). He is the greatest Conspirator of all, and he is still very active and alive, today, seeking to lead the whole world in a final Rebellion against God!

The Great END TIME Conspiracy

Satan is also the architect of the great END-TIME global conspiracy to unite the nations to fight against God when Christ the Messiah returns from heaven!

This vast conspiracy has been enduring through the ages, from one generation to another. It was prophesied! The apostle Paul wrote of it, "For the mystery of lawlessness is ALREADY at work; only he who now restrains will do so until he is taken out of the way. And THEN the LAWLESS ONE will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. The coming of the Lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous DECEPTION among those who perish, because they did not receive the love of the truth, that they might be saved" (II Thess.2:7-10).

David Meyer, in *The Last Trumpet*, writes, "We know from history that a grand conspiracy called the Illuminati does exist, and it is not hard to find it. Satan does conspire, and so do all evil men who develop a scheme-in-common. The organized Illuminati has existed since May 1st, 1776, and it was planned and organized by the evil genius Dr. Adam Weishaupt at the behest of the House of Rothschild banking dynasty. In those days and in subsequent recent history, their only hope for survival was secrecy.

"That is why they hid themselves within the highest esoteric ranks of Freemasonry, the Grand Orient, the Jesuits, and many other clandestine groups who masqueraded themselves as benevolent and philanthropic organizations. Every evil and sinister plan in history, including world wars, was planned and launched from the restricted temple rooms and gathering places of highly respected organizations with the vast majority of its own members not even knowing what was happening! Thus, with a perfect front and cover and the element of secrecy, they were able to continue their scheme of Luciferian one-worldism to this very day. They also had the added benefit that people are basically mentally lazy and apathetic. The vast majority of people just do not think and do not care!

"One of the ways that we can know that we are at the very end of the world is that the conspirators are no longer depending on secrecy. They are now operating openly, and what they are doing is clearly visible. Why then do most people not see what is happening? All of the above Bible verses tell us why and that such a day would come when the people would be oblivious to the obvious. It is a fact that when people refuse to hear the Gospel of Jesus Christ, they lose their ability to discern anything correctly. They see, but do not see; they hear, but do not hear.

"We have reached that unique and peculiar time that Jesus spoke about when people would look directly at something and not see it. The motto of today's society is: How am I supposed to see the woods when there are so many trees in the way? Treachery

is no longer hidden solely in the secret chambers at 58 East 68th Street in New York City, the headquarters of the Council on Foreign Relations, which is the American Illuminati. Now, treachery can be hidden in plain sight and in full public view.

“If you are one who can see and understand, I thank God for you. The situation is not just political or geo-political, but spiritual. Satan is behind the treachery. If you are reading this and have never surrendered your heart, soul, and mind to the Lord Jesus, you can and must do it now. It is late, but He will still receive you. Your eyes will be opened, and you will be free from the bondage of Satan and his devices” (October 2009).

Rothschild's Choice

How did Barack Hussein Obama become president of the United States? Was this one more engineered conspiracy – a plot for Nazism and Communism to take over the reins of power in America?

The fourth Baron de Rothschild, Lord Jacob Rothschild of Great Britain, has been called the 21st century's “King of Israel.” He and other members of the Rothschild family preside over the greatest banking cartel on the earth. Wall Street firms like Goldman Sachs, Morgan Stanley, Citibank and others bow to Rothschild dictates and decrees, and politicians around the globe, in Washington, D.C., London, Paris, Berlin, Tokyo humble themselves before the Rothschild 's incredible power.

It has been said that whoever Rothschild chooses, that person will become President of the United States. There is no doubt that the young charismatic Barack Obama won the Rothschild's favor and was brought to power with their assistance and help.

Obama's Illuminati Family Tree

Says the *Canada Free Press*, “Despite all the attempts to debunk its existence the Illuminati is thriving at the US taxpayers expense. The Political Family Tree that surrounds President Barack Obama holds deep roots in the secret society. These men and women weave in and out of top corporations, government offices, foundations, political think tanks, and universities throughout the world. They gain power and influence each arena towards the goals held by the Illuminati. The main vine seems to be power, money and position.

“They are selfish individuals who will stop at nothing to satisfy their desires and accomplish the society's goals. They will even risk the fall of the greatest Nation of the world in the process. The motto of one of these groups is "Weaving Spiders Come not Here". Is this weaving spider an Illuminati? Much like the spider these members have woven themselves deep within the fabric of modern society. For past research articles go to: freeresearchrepository.blogspot.com.

“In the network that surrounds Obama 1933 seems to be a very important year. The same year the Frankfurt school was reestablished at Columbia University after fleeing Frankfurt Germany. Henry A. Kissinger is a member of the Bohemian Club. . . .”

The author says, “I’m on my 12th month of research now, and I believe this is the key to understanding what is going on in our government today. The Motto “Weaving Spiders Come Not Here”

“I believe this Motto refers to the Illuminati weaving and overlapping themselves into places of control in our country, by using their think tanks and organizations to meet their agenda. As I’ve stated in my past research, in the beginning I started following the network that surrounds Obama, then I followed the Frankfurt School Network and finally the Illuminati network. What I found was, there is no difference, no division I found the same people in all three. The group we now call the Bilderberg got their name from the Hotel (Hotel de Bilderberg) where they had their first meeting. What was their name before the meeting? Illuminati?

“Below I’ve taken the names of people that are believed to be Illuminati or connected to the Illuminati and I will show you how they have woven themselves in to our country. This network did not just show up in the last year, and I don’t think Obama’s the first president they’ve controlled. I also believe while we try to decide what political party we want to belong to, they will control both. First I will give some quick examples of where you can find the Bilderberg participants today.”

They are as follows:

“Ben S. Bernanke Is the chairman of the Federal Open Market Committee, chairman of the Federal Reserve Board, chairman of the Federal Reserve System, and a 2008 Bilderberg conference participant.

“Fouad Ajami Is a consultant on Middle Eastern affairs for CBS News (Media Control), and a 2008 Bilderberg conference participant.

“Keith B. Alexander Is a director for the National Security Agency, and a 2008 Bilderberg conference participant.

“Chester A. Crocker Is a professor at Georgetown University, was the assistant secretary for the U.S. Department of State, and a 2008 Bilderberg conference participant.

“Tom Daschle Was a member of the U.S. House of Representatives, majority leader for the U.S. Senate, a U.S. Senate senator, Barack Obama administration nominee for health and human services secretary, 2008 Barack Obama presidential campaign national co-chair and a 2008 Bilderberg conference participant.

“Thomas E. Donilon He is the White House deputy national security adviser for the Barack Obama administration, was a 2008 Obama-Biden transition team member, chief of staff for the U.S. Department of State, is a director at the American Friends of Bilderberg, and a 2008 Bilderberg conference participant.

“Henry R. Kravis He was a partner at Bear Stearns Companies Inc., 2004 George W. Bush presidential campaign supporter, a director at the Council on Foreign Relations, and was a 2008 Bilderberg conference participant.

“Klaus Kleinfeld He is a director at Citigroup Inc. (Bailout Company), a member of the Trilateral Commission, a director at the U.S. Chamber of Commerce, and a 2008 Bilderberg conference participant.

“Jessica Tuchman Mathews She is the president of the Carnegie Endowment for International Peace, a board member for the International Crisis Group, Trilateral Commission, a trustee at the Rockefeller Foundation, a director at the American Friends of Bilderberg, and a 2008 Bilderberg conference participant. Please watch Ed Griffin's interview with Norman Dodd in 1982. This will answer a lot of questions.

“Eric E. Schmidt He is a member of the President's Council of Advisors on Science and Technology, was a 2008 Barack Obama presidential campaign supporter, an Obama-Biden economic advisory team member, and a 2008 Bilderberg conference participant.

“Google's Eric Schmidt talks about how to run the world (not that he wants to)

“Lawrence H. Summers He is the National Economic Council chairman for the Barack Obama administration, was the secretary for the U.S. Department of the Treasury, and a 2008 Bilderberg conference participant.

“Richard C. Holbrooke He is the special envoy to Afghanistan, Pakistan for the Barack Obama administration, was the assistant secretary for the U.S. Department of State, United Nations U.S. ambassador, and a 2008 Bilderberg conference participant.

“Condoleezza Rice She was the secretary for the U.S. Department of State, is a William

Morris Endeavor Entertainment client, and a 2008 Bilderberg conference participant.

“Dennis B. Ross He was a special Middle East coordinator for William J. Clinton, is a special adviser for the Gulf and southwest Asia for the U.S. Department of State, and a 2008 Bilderberg conference participant.”

Says the author, “It's not by mistake that these people belong to so many organizations. I believe each person is responsible for making sure that the network runs smooth, "Chain of Command". Below I have extracted organizations to show you how they connect. I used Wikipedia's list for the information on the Illuminati. I did limit the information so that it would be easier to see the connections but I did add the full version of my research at the bottom, and at anytime you can click on the names for all the relationships or conformation. Try starting with one organization and see how far it travels through the people I've listed. Start with Peterson Institute for International Economics, then the Council on Foreign Relations and so on. That's how they weave.

“Bilderberg The name came from the group's first meeting place, the Hotel de Bilderberg of Oosterbeek, Holland, in May 1954. . . .

“Modern Illuminati

“Writers such as Mark Dice, David Icke, Ryan Burke, Jüri Lina and Morgan Gricar, have argued that the Bavarian Illuminati survived, possibly to this day. Many of these theories propose that world events are being controlled and manipulated by a secret society calling itself the Illuminati. Conspiracy theorists have claimed that many notable people were or are members of the Illuminati, including Winston Churchill, the Bush family, Barack Obama, the Rothschild family, David Rockefeller and Zbigniew Brzezinski.”*Canada Free Press*, Nov.2, 2009).

The Obama Who Would Be King

Daniel Greenfield, in *Canada Free Press*, discusses Barack Obama in a particularly insightful, cogent manner. He writes:

“Egotistical refrain of ‘I’s’ and ‘Me’s’

“Is he the leader of Chicago, the United States or the Free World? Obama himself can't seem to decide that because he doesn't think in terms of national duties or obligations, only of himself. His speeches filled with the constant egotistical refrain of ‘I’s’ and ‘Me’s’ are the product of a man who does not see himself in terms of his country , but sees his country in terms of himself.

“Obama cannot draw the line between his legitimate duties and random publicity, just as neither of the Obamas seem to have any concept of the dignity of their office. To them there is no dignity, only privilege and entitlement. They recognize that they have power, but they recognize no limitations on that power and treat it as an extension of their

egos. The royal couple have a boundless appetite for flattery and none at all for self-discipline. The concept of 'Doing Your Duty' is wholly foreign to people who never worked legitimately for anything, who got plum positions thanks to a combination of political connections, racial huckstering and personal charm.

"Any position that they hold in their minds is an extension of themselves. That is why Obama does not see himself in terms of the Presidency or wonder whether he is up to the job. He sees the Presidency and all the privileges that come with it as part of his aura. Any problem he comes across, he treats as something that can be resolved with enough exposure to that aura. And when that doesn't work, the Obama toolbox turns up shockingly empty.

"The media which has been well trained to feed the boundless egos of celebrities have found their perfect political match in Obama. They lavished their love on him. They depicted him with halos over his head. They lost any concept of the boundary between bias and worship, in the process coming to resemble the slavish doggy adoration of a state controlled press corps. And now some of them are slowly waking up to the realization that simply because you can manufacture image does not mean that you can manufacture reality. Like Obama the media had lost track of the limits of their power, the boundaries at which their control end and real life begins.

"The media, particularly on the television end of things, shares with Hollywood a boundless faith in the ability to create and recreate images, to make of reality what they will. To control the vertical and the horizontal, to change the focus and deluge your mind with a thousand images. And the audience, in the words of the famous Outer Limits opening theme was expected to, sit quietly and let the broadcasters control all that you see and hear. But that power fantasy, like all of the power fantasies that come out of Hollywood's studios of fiction and New York's studios of fact, was incomplete. Controlling image does not control reality. The media helped shape Obama's image, but can do very little to improve his reality.

"Propaganda has traditionally served to create an echo chamber effect with dictatorships as a state controlled press fed back the message that the rulers of the state wanted to hear, back to the state. The problem with the echo chamber is that it is also a mirage. Repeated Soviet dictators had no idea how bad their economic, agricultural and military problems were, because there was no one to tell them. A healthy free press serves as a useful warning bell. A slavish media mutt who licks politician's boots full time blinds those same politicians to their own incompetence and the scale of the problems they must address. It leaves them unaware of and unable to address even simple problems in an organized fashion.

"Every egotist is a king inside his own head, lost in a narcissistic vision of his own genius. Kings of course have no defined limits to the powers. They accomplish things by simply saying so. Their will is everyone's law. No one refuses them. No one resists them. In their own minds anyway. Obama has made his own power fantasy real enough, but he cannot make himself omnipotent. And his cult of personality impresses few outside the United States.

“The leaders of Russia and China who wield their own cults of personality are not about to be impressed by an imported cult of personality. And European leaders who do not have to live under a media regime that insists on lecturing them on the greatness of Obama, are free to disregard the lunacy as well. That is why Obama’s repeated foreign trips have done nothing except enable Michelle Obama to pick up more souvenirs in every airport. Because the only thing that Obama really brings on those trips is a dose of teleprompter charisma and the expectation that his own importance should be enough to awe all participants into getting things done, his way.

“Unsurprisingly the worst policies of the Carter and Clinton administrations, applied by a new generation that is just as unable to detach image from reality as their own boss, are not producing spectacular results. And Obama’s eagerness to get out in front to promote them has only wasted his own influence and demonstrated his incompetence.

“Incapable of understanding the limits of the borrowed power of his office, Obama has blindly stumbled smack dab into them anyway. Because charisma cannot solve Afghanistan. Charisma cannot nationalize health care. Charisma cannot create jobs, except those involving makeup and photography. Charisma cannot reduce the national debt. Charisma cannot bring peace to the Middle East, create alternative energy sources or accomplish anything useful that does not involve selling magazines.

“The Obama who would be King has wasted truly spectacular amounts of money on behalf of his corporate and union backers. He has alienated America’s allies, alienated independent voters and sabotaged every one of his own agendas. He has put himself outside the law, tried to govern through a government of Czars and in the process created a scattershot administration in which every other official is scrambling for power. And while Obama himself is incapable of realizing any of this, his liberal backers are increasingly becoming aware that the worst threat to their agenda is also the means they used to sell America on that agenda. Obama himself” (*Canada Free Press*, Oct.7, 2009).

The “Manchurian Candidate”

Barak Hussein Obama is a hand-picked “Manchurian Candidate” with the goal of destroying American sovereignty and bring the nation kicking and screaming, if necessary, into the One World Government of the New World Order. He may even be the one chosen to RULE over that end-time Babylonian World Empire!

Texe Marr’s new DVD about Barack Obama called *“Rothschild's Choice”* packing the punch of an old fashioned sermon, and demonstrates convincingly that Barack Obama's role is to roll America into a New World Order.

Interestingly, although Jews make up no more than 2.5 % of the US population, Marrs shows how Jews (and Israel) dominate American business and government, not to mention entertainment.

Marrs points out that the whole American Black leadership are Prince Hall Masons like Barack Obama, and therefore instruments of the Illuminati Jewish bankers. The list includes NY Governor David Paterson, Jesse Jackson, Eldridge Cleaver, Louis Farackhan, Al Sharpton., Andrew Young, Julian Bond, Kweisi Mfume and entertainers like Count Basie and Nat King Cole.

Says Dr. Henry Makow, “This is just an indication of how the Illuminati Bankers have used Freemasonry to infiltrate and control virtually everything.”

Let’s understand this! Not all Jews are members of the Illuminati, nor are all members Jews, according to the flesh. They may in some cases “claim” to be Jews, but in the Scriptures they are referred as the “synagogue of Satan.” They worship Satan and are not true Jews. As Henry Makow says, “They are Satanists who breed with generational Satanists from other backgrounds and impersonate every race religion or nationality.”

Barack Obama claims to be a “Christian,” a “Muslim” and even a Jew – all things to all men, I suppose. He is an Indonesian, Kenyan and an American. He is Black and White.

Says Makow, “He is a perfect leader for a new world bereft of race, nation and religion. In fact, he represents an alien Satanic force, the Illuminati, intent on gradually enslaving mankind.

“The Illuminati have usurped the leadership of Jews in the same way as they have usurped the leadership of Blacks, Christians, Americans and Europeans in general. We are all equally culpable.”

Unfortunately, Jews like Christians and MOST ALL Americans, British, and nations of the world, have in this modern generation been willfully indifferent to what is really going on “in plain sight,” today.

Declares Henry Makow, “It is a tragedy that mankind's collective and idealistic impulses have been co-opted by the Illuminati bankers and used to increase their power and wealth. "Equality" and "social justice" are ruses to cover their real agenda: the reduction of the human race to the status of worker-consumer drones. Now, they are taking our racial, religious, national and gender identity. Eventually they will take our freedom and property. Perhaps then, too late, we'll get the message.”

Is it already too late?

It is better to wake up late, than never! It is better to know the truth, than to bury it in the sand, and keep on ignoring it. Jesus Christ declared, “You shall know the truth, and the truth shall make you free” (John 8:32). Isn’t it time we wake up, and admit the truth – and repent of our waywardness, indifference, apathy, and turn back to God?
