### **A Voice in the Wilderness**

God tells His servants in His Word, “Cry aloud, spare not. Lift up your voice like a trumpet and declare to My people their transgression and to the house of Jacob their sins!” (Isa.58:1, Parallel Amplified Bible).

God also declares: “Comfort, comfort My people, says your God. Speak tenderly to the heart of Jerusalem, and cry to her that her time of service and her warfare are ended, that [her punishment is accepted and] her iniquity is pardoned, that she has received [punishment] from the Lord’s hand double for all her sins.”

We are living in a world gone berserk with anger and rage. “Why do the nations rage?” (Psalm 2:1). Answer – because they don’t know the true God, and are in rebellion against His laws and teachings and the true way of life and peace!

Isaiah wrote: “A voice of one who cries: *Prepare in the wilderness the way of the Lord* [clear away the obstacles]; make straight and smooth a highway for our God. . . . And the glory (majesty and splendor) of the Lord shall be revealed, and all flesh shall see it together; for the mouth of the Lord has spoken it” (Isaiah 40:3-5).

The Messiah is coming very SOON! Its time to prepare to MEET Him! “Surely the Lord will do nothing without revealing His secret to His servants the prophets” (Amos 3:7). The purpose of this magazine is to warn the world of what lies ahead, and to help prepare people to get ready to meet the Messiah, when He returns to restore all things (Acts 3:19-21), put an end to wars, and usher in the Kingdom of God! The prophet Amos declared, “*Prepare to meet your God, O Israel*” (Amos 4:12). No matter is more urgent, today!

### **Is This Really the End Time Generation?**

The world is spiraling out of control. War in Syria threatens to spill over the entire Middle East. People are afraid. Times are getting tougher, and the world threatens to explode. Very terrifying times and great upheaval and distress of nations lie ahead.

Jesus Christ and all the Bible prophets foretold it. Times of “great tribulation” and “peril” would engulf mankind and come “suddenly” upon the world. Are we living in those very times? Is this the generation that will see it all come to pass?

With the massive growth of unparalleled homosexuality, in nation after nation, we are revisiting the days of Sodom and Gomorrah. Has the world now become as it was in the days of Noah, before the Deluge?

# Is this the *FINAL*, End-Time Generation?

**How close are we to the END of this world as we know it? What do the signs all tell us? How close is “the end” of all things? What lies ahead of us as we plummet into the 21<sup>st</sup> century? What are the signs to recognize the “FINAL generation of mankind, before “the end” comes, and the coming of the Messiah?**

**William F. Dankenbring**

Figuratively speaking, we are within the calendar time known as “between the straights”. This is the three weeks between Tammuz 17 and Av 9 in which calamity has befallen the people of God and the children of Israel and Judah as a nation, ever since Israel came out of Egypt in 1491 B.C., almost 3500 years now. The reason for this calamity boils down to sin. Sin is disobedience to God—transgression of his commandments and failure to do what is right in God’s sight. Living contrary to God’s way in sin invokes the penalty of calamity, destruction and ultimately death.

The Word of God warns, in Romans 6:23—“*the wages of sin is death.*” Furthermore, God says in Ezekiel 18:4—“Behold, all souls are mine; as the soul of the father, so also the soul of the son is mine: *the soul that sins, it shall die.*” Death is the reward of sin, and the death of nations occurs when nations go contrary to God and sin.

### *The Wages of Sin*

Today we can see a whole world going contrary to God’s way, being led in this careening course of disaster by the United States of America—the remaining *super power* in the world today. We are transgressing God’s law flagrantly floundering in sin on both the right and left. Our leaders seem to be on a crash course of self-destruction taking us right along with them if possible.

We need to realize the severity of the days in which we are living and come to understand by asking God as Daniel did by prayer and fasting. Sometimes it was successively up to three weeks that Daniel sought (*inquired of the Lord*) God’s answer and good understanding of what the future held. God revealed powerful prophecies that

were to be fulfilled in our day today. God showed Daniel, step by step, many of the things which we of faith are seeing in this end-time generation.

One of the most mind-boggling things that occurred in this generation since WW II is the complete “flip-flop” and turn-around in the world of nations and ideology. America once stood for patriotism, liberty, and justice for all as recited in our pledge of allegiance. America once stood for God, country and home. Our ancient values have been toppled, besmirched, disgraced and destroyed by political leaders and infiltrators in the 20<sup>th</sup> and 21<sup>st</sup> centuries.

### *America in Desperate Crisis*

After the end of WW II, America has been on a toboggan slide going downhill. The Supreme Court decisions negating God in the community, then the schools and educational system, government and contradicting the laws of God concerning life – supporting abortion. Just recently the U.S. Supreme Court legalized same sex marriages (justifying the coupling of male with male and female with female).

This is a folly and life-style that Almighty God not only disapproves of but condemns and abhors as an abomination. Because of that very sin, God destroyed Sodom and Gomorrah. The citizens of the U.S. are now walking in the same abomination to God as Sodom and Gomorrah. The citizens of this country are held responsible for this sin, not just the government. Because the people elected the leaders in government, the people are responsible for bringing this destruction down on their own heads in this country.

If we were in some other country, we might find ourselves in a worse situation, because the whole world is in rebellion against God today. The Word of God warns us in Revelation 12:9—“That old serpent, called the Devil, and Satan, which **deceives the whole world**; he was cast out into the earth.”

Satan is called the prince of the Power of the Air and is leading all the nations astray. We read in Ephesians 2:2 (NIV) – “As for you, you were dead (doomed / because of) in your many sins (transgressions), in which you once walked (lived) when you followed the way (course) of this world and of the ruler (prince) of the kingdom of the air, the spirit who is now at work in those who are disobedient.”

Most Americans have not been educated and taught the principles of God in their home so that they can discern between right and wrong, good and evil. Today people think evil is good, right is wrong and wrong is right, black is white and white is black. They are mixed up and filled with confusion, because of departure from God’s word and the Law of the Living God with giving only “lip-service”. The ministers and churches of the world are going along with and endorsing this new life style (same sex unions), and abortions (murder of living unborn babies).

People today no longer understand that America is no longer the land of the free, the home of the brave and the republic that stands for democracy and self-rule where the people govern. That is a deception that has been foisted on the people who voted and

thought that they made a difference. However, the candidates they were given to vote for were chosen by the ultra-rich and the ultra-liberal parties in power (political prostitutes) today. Voting has been corrupted in state after state and “ballot-box stuffing” is now happening in America.

### ***Marxism American-Style***

*WorldNet Daily* lays it on the line, in an article titled —“Marxism, American-Style” Wake-up and understand what is really happening in our country.

Says “Whistleblower” magazine, published by World Net Daily, “To most people, the very idea of ‘Marxism (Communism) in America’ sounds absurd. After all, this is the ‘land of the free,’ plus we won the Cold War against the Soviet Union and its failed Marxist “utopia” didn’t we? Yes, but the truth is, the good old USA—‘after sending hundreds of thousands of its finest young people overseas to fight and die to combat the evils of Marxism – has quietly and steadily succumbed to the same ideological seduction right here at home.” (June 2012 issue).

We sing *God Bless America*, and then people curse God on TV, in the movies and take God’s name in vain, yet say “God bless America” spiritually. What devastating hypocrisy in God’s ears. “Marxism, American-Style reveals with jaw-dropping clarity how Marx’s godless, materialist ideology – characterized by an all-consuming obsession with government control of resources and production, as well as the radical ‘redistribution’ of wealth and power to perpetually aggrieved ‘victim’ segments of society —is increasingly dominating America.” That belief is increasingly controlling the governing powers of our country.

This is just the beginning of the spiritual black-hole chasm our country is falling into.

### ***The Curses of God Have Begun to Fall***

We are seeing curses occur increasingly around the world. Do people not understand the law of cause and effect: For every effect there is a particular cause? This was discovered and demonstrated by Sir Isaac Newton’s *Laws of Motion* centuries ago. There are laws that govern motion. There are laws of success that govern nations with nations. Today America has endorsed homosexuality and abortion and is a far cry from what it was just 70 years ago just after WW II.

In Leviticus chapter 26 (NIV) God clearly states: “Listen and observe my laws and I will walk among you and be your God and you will be my people. I am the Lord your God, who brought you out of Egypt so that you would no longer be slaves to the Egyptians: I broke the bars of your yoke and enabled you to walk with heads held high.” God promises reward for obedience to his law (eternal Life).

“But if you will not listen to me and obey my commandments, and if you break my covenant by rejecting my laws and treating my regulations with contempt, I will

punish you and you will be defeated by all your enemies. They (those who hate you) will rule over you and you will run even when no one is chasing you.” Listed are the ways God will set his face against Israel if Israel remains hostile and fails to learn the lessons from these, God says he will punish seven times over.

*“If after all this, Israel continues to betray God and refuses to listen and remains hostile, I will lay waste your land, your cities will lie in ruins and I will scatter you among the nations and draw out my sword and pursue you. You will receive due punishment for your sins—rejecting my regulations and despising my laws.”*

The curses have begun! Our nation’s weather in due season has become unreliable, aquifers are drying up, justice has fallen in the streets, the Middle East is fermenting and unstable, Korea is rattling the saber of war, civil war in Syria continues almost two years now, America is becoming despised by nations around the world especially by Russia and China, and Obama’s foreign policy is lacking traction.

The Obama Administration is very intolerant of Christianity. People from Europe, England, and Holland migrated to America to establish freedom of religion and practice Christianity without the interference of the state (government). Now the U.S. government is beginning to overwhelm Christians and dictate how to worship and what they can and cannot preach or do using the power of the IRS, Homeland Security, surveillance systems and legislation by political leaders.

Whereas the once proud home of freedom of religion and religious liberty, the U.S. is rapidly becoming the land of persecution. I’m talking about the persecution of Christians! Persecution of Christians is in foreign countries around the world like Pakistan, Indonesia, Africa and Asia—*not your home town or city, right?*

### ***Coming Time of Martyrdom***

Think you are safe living in America? Well, think again! Obama has begun his war against Christians with the first shot already having been fired. It is just the beginning.

Jesus Christ warned it would be so. He declared in John 16:2—“the day is coming when he that kills you will think he is doing service to God.”

In Revelation 20:4, the apostle John saw thrones, and the people sitting on them had been given authority to judge. “And I saw the **souls of those who had been beheaded for their testimony (witness) about Jesus and for the word of God. They had not worshiped the beast or his image and had not received his mark on their foreheads.**”

This is speaking of the time of Jesus Christ’s return – the world today. Guillotines are going to be used to chop off the heads of Christians around the world, and even in America – believe it or not!

Ted Gunderson, retired FBI agent says: The information we received is that the use of guillotines for “governmental purposes: was lobbied for and passed in the U.S. Congress. The information we received is that 15,000 are currently stored in Georgia and 15,000 in Montana. There are over 800 prison camps in the U.S. All are fully operational and ready to receive prisoners.”

Does that shock you? Are you prepared to die for Christ, if it is necessary?

In addition, President Obama’s “*Executive Order 11921* allows the Federal Emergency Preparedness Agency to develop plans to establish control over the mechanisms of production and distribution of energy sources, wages, salaries, credit and the flow of money in the U.S. financial institution in any undefined national emergency. It also provides that when a state of emergency is declared by the President, Congress cannot review the action for six months. They are all staffed and even surrounded by full-time guards. But they are all empty. These camps are to be operated by FEMA (Fed. Emergency Management Agency) should Martial law need to be implemented in the U.S. and all it would take is a presidential signature on a proclamation and the attorney general’s signature on a warrant to which a list of names is attached.

“*Executive Order 11049* assigns emergency preparedness function to federal departments and agencies, consolidating 21 operative Executive Orders issued over a fifteen year period. FEMA’s powers were consolidated by President Carter to incorporate the *National Security Act of 1947*. The *1950 Defense Production Act* gives the President sweeping powers over all aspects of the economy. In 1979 these powers were transferred to FEMA in a sweeping consolidation in 1979.”

### *Count the Cost*

We need to consider the cost. Yeshua tells us in Luke 14:26-33—“If any man come to me, and hates not his father, and mother, and wife, and children, and brethren, and sisters, yes and his own life also, he cannot be my disciple. And whosoever does not bear his cross, and come after me, cannot be my disciple. Which of you who intends to build a tower, doesn’t sit down first and count the cost, and checks whether he has sufficient to finish it. Lest haply, after he has laid the foundation, and is not able to finish it, all that behold it begin to ridicule him, saying this man began to build, and was not able to finish.” Christ added, “Likewise, whoever of you that forsakes not all (everything) that he has, he cannot be my disciple.”

Are we willing to die for Christ?

Study Daniel 7 and Revelation 13. Persecution is coming – in waves! Realize that the Antichrist is going to make war on the saints (followers of Christ) and he will prevail over the saints, for 42 months or 3 ½ years (see Dan.7:25, Rev.13:5-7)..

However, God does promise a place of safety (protection / refuge) to those who love Christ, who are serving God and are zealously effective and diligent in keeping His commandments (Rev.3:10, 12:14-16), who are praying earnestly to be worthy to escape

these things (Luke 21:34-36). Read carefully **Psalm 91** which explains God's promises of protection and refuge for those who love the Lord with all of their heart, soul and strength.

God says that 1,000 may fall at your right hand and 10,000 dying on your left hand from the arrows and raging epidemics, but "it shall not come near you."

Nevertheless, around the world, especially in Muslim nations, dramatically increasing persecution of Christians is one of the tell-tale SIGNS that we are living in the END of this age, shortly before the return of Christ! Christians are being butchered, beheaded, raped, murdered, beaten, flogged, burned out, crucified at the stake, burned alive in groups, and hated and despised the world over.

### *Obama's War on Christians*

*Whistleblower* (June 2013 issue, vol. 22, number 6) reports on "Obama's War on Christians". Editor David Kupelian says: "Just scratch a little below the surface of all the current scandals, and the mother-lode comes fully into view. Take the IRS scandal. Who exactly are all these 500-plus 'tea party,' 'patriot,' 'conservative' and 'prolife' groups being targeted by the revenue agency?"

Who populates these organizations? What beliefs and values animate them?

"By and large, they are Christians and Jews who strongly hold to a traditional, biblical, Judeo-Christian worldview. Haven't you wondered why the Obama Department of Homeland Security warns law enforcement departments that the real 'extremist' threats to America are from pro-lifers, patriots, constitutionalists, amnesty opponents, gun enthusiasts and military veterans? Have you wondered why would the U.S. military recently threaten to court-martial Christian service personnel just for sharing their faith with others?"

"The truth is: Barack Obama considers traditional, freedom-loving, center-right Christian America —not Marxism, not Islamism, not a toxic culture nor a stagnant economy – to be his biggest enemy, his greatest obstacle to fundamentally transforming America" into a socialist state. *Whistleblower* Editor David Kupelian calls this "*the biggest Obama scandal of all*". What is really behind the never-ending attacks on everything "decent" and "normal?" Highlights of *Obama's War on Christians* include:

- "Banning Christianity from the armed forces" by Joseph Farah, who reports that the U.S. military was recently advised that Christian believers are "monsters" who "terrorize" others with their faith.
- "Under Obama, Christians and conservatives are 'extremists' by Bob Unruh, on the current administration's relentless demonization of opponents of abortion, same-sex marriage and illegal immigration."
- "Obama care forcing Christian companies to provide abortion pill," showing how some of the Obama administration's causes are so egregious that the judiciary is siding against them.

- “IRS demands Christian pro-lifers reveal ‘the content of their prayers’—one of the most outrageous abuses in an era of outrages.
- “Warning from Canada: Orwellian future awaits U.S.” by Art Moore, who documents how the lessons of 10 years of same-sex marriage in our neighbor to the north totally shatter the argument of “gay marriage” supporters.
- “Feds require employees to give open LG BT approval” by Matt Baber, who explains the decree from the Obama Justice Department: no longer is it OK for Christians just to be intimidated and “shut up” regarding “lesbians, gay, bisexuals and transgenders” in the federal workplace – they must verbally support it! As one internal D.O.J. memo to employees puts it: “*Silence will be interpreted as disapproval.*”
- “How a revered Christian institution was brought down” by Peter LaBarberas, a poignant, insider look at what really caused the downfall of the Boy Scouts of America.”

As of 2008 there were 8 million names on the surveillance list when Obama was elected president, and how many more have been added in the last five years?

We need to seriously realize that we are living in a decidedly unfriendly, unchristian, unconverted carnal-minded country. Since the end of the WW II our country has been taken over by the occupying forces of Communist thinkers and atheists in our institutions of higher learning, our churches and our political offices. Our country has been transmogrified and turned into a beast.

President Ronald Reagan was the last real Christian president since WW II that America had. He made some wonderful outstanding statements about God, Christ, Christianity and salvation while he was president. He usually got ridiculed or condemned for it by the liberal left, but he did it anyway and spoke out about his religious faith.

Since Ronald Reagan, our country has gone into the depths of abysmal religious confusion, apathy and ignorance. Since then we have had the failed presidencies of George H.W. Bush, William Jefferson Clinton, George Walker Bush, Jr., and now Barack Obama, the worst and most notorious of them all.

### ***The Time of the “END”***

In the book of Daniel we read that an angel said to Daniel: “understand that the vision refers to the *time of the end.*” This is a vision that refers to our time today. “I was in a deep sleep with my face to the ground, but the angel touched me and said, ‘I am making known to you what shall happen in *the latter time of indignation.* For at the appointed time *the end* shall be. . . .For *the end* will be at the *appointed time.*” (Daniel 8:17-18, 27)

Verses 32-35 speak of our day today. Those who do wickedly against the covenant (God’s), he (the Antichrist) will corrupt them with flattery. “But the people who know their God shall be strong and do great exploits” with the help of God’s Spirit.

Those people who understand the truth of God will “instruct many, yet for *many* days they shall fall by the sword, captivity, the flame and plundering. When they fall they shall be helped with a little help, but many shall join them by flattery (intrigue). Some of those of understanding (God’s true servants) shall fall to refine and purify them to make them white until the *time of the end*, because it is still for the appointed time.”

“You, Daniel, shut up the word, prophecies, and seal the book until the *time of the end*. Many people will run to and fro (through books, universities, studies, researches) and knowledge shall rapidly increase (a computer generation).” (Daniel 12:4).

Daniel did not understand what will be the END of these things. The angel told him, ‘Daniel, go your way. The words are *closed up and sealed until the time of the end*.’ (Dan.12:8-9).

We are living in that time of the end right now. We are going to go through those horrific times prophesied to occur just before the coming of the Messiah, Yeshua the Christ!

Many will be made white (righteous) by going through these tests (refined by the suffering), but the wicked will go on doing wickedly and will understand none of these prophecies. But the wise that obey and fear God, they will understand these things (Daniel 12:9-10).

### *Lamentations*

In the book of Lamentations of Jeremiah, we read—“the face of the Lord scattered them. God no longer regards them because of their wickedness and does not hear their prayers. The people do not respect the priests and ministers; neither do they show favor (kindness) to the elders. Still our eyes failed us, watching vainly for our help. In our watching, we watched for a nation that could not save us.” (Lam.4:16-18).

Why does God turn His back on His people? The people turned their backs on God and his laws.

Things will be so bad, Jeremiah wrote, that the government will spy on the people – a massive surveillance society will be in operation, just as it is today! The prophet declared, “They **tracked our steps** so that we could not walk in our streets” (Lam.4:18). Surveillance is everywhere today -- even in our home appliances, our cars, and stores and government track our purchases. Shades of George Orwell’s 1984 “*Big Brother*” is *watching everywhere!*

### *The END Has Come*

Our end is coming and God’s judgments are beginning to fall. This time is spoken of in Ezekiel 7:2-10—the time of the end!

“An end, the end has come upon the four corners of the land. NOW the end has come upon you, and I will send

My anger against you: I will judge you according to your ways, and I will repay you for all your ABOMINATIONS” (Ezekiel 7:2-3).

“A disaster, a singular disaster; Behold, it has come! An END has come, THE END has come, it has dawned for you; Behold, it has come! DOOM has come to you, you who dwell in the land, the TIME has come, a day of trouble is near” (Ezek.7:5-7).

“Behold, the day! Behold, it has come! DOOM has gone out; the rod has blossomed, pride has budded. Violence has risen up into a rod of wickedness . . . the time has come, the day draws near . . .” (vs.10-12).

We are living in the “END” time and God’s anger is going to be sent upon people and He will judge their ways and He will repay everyone for their abominations without pity. *“Then you shall know that I AM the Lord Eternal and Creator, your judge who strikes. The end has come. I will pour out my fury.”*

This is the end-time generation and the end is coming. This gospel shall be preached as a witness to the entire world and the end will come. It will not delay.

The apostle Peter wrote —“The end of all things is at hand. Therefore be serious and watchful in your prayers” (IPeter 4:7).

### ***The Fig Tree Generation***

One of the premier signs that we are living in the END of this age is the nation of Israel. In Scripture, Israel is compared to the fig tree. Yeshua said to His disciples, “Now learn this parable from the fig tree. When its branch has already become tender and puts forth leaves you know that summer is near. So you also, when you see all these things, know that it is near—at the doors!” (Matt.24:32-33).

God compares His people Israel to a fig tree. He says, in Jeremiah, “Thus saith the LORD, the God of Israel: Like these good figs, so I will acknowledge them that are carried away captive of Judah . . . For I will set Mine eyes upon them for good, and I will bring them again to this land and I will build them and not pull them down; and I will plant them, and not pluck them up” (Jer.24:5-7).

Israel is a type of the fig tree and has been putting out fruit ever since it was established in 1948. Christ went on to say, “Assuredly I say to you, THIS GENERATION [THE GENERATION OF THE FIG TREE] will by no means pass away TILL all these things take place” (Matt.24:34).

How long is a Biblical “generation”? Psalm 90 tells us, “The days of our lives are seventy years” (verse 10). Thus a human generation would be 70 years. If we count 70

years from the founding of the state of Israel, in May 14, 1948, we come to the year 2018!

Therefore we are living in the “generation” Christ spoke of, and its termination point would be about 2018 – just a few short years from now!

הדור האחרון  
*Ha Dor Ha Acharon*

The Hebrew term which can be translated “the final generation” or “the last generation” or “the generation to come” is *ha dor ha acharon*. It means the time of the end or “the generation that comes”, or “**the generation at the end.**” Says *Gesenius Hebrew Lexicon*, “(1) *hinder, latter*, as opposed to former, foremost . . . (2) *after, later, following*, ‘after generation,’ Psalm 48:14, ‘after-time,’ Prov.31:25; Isa.30:18 . . . (3) *last*, Neh.8:18; Isa.44:6, ‘I (God) am the first, and I am the last’; Job 19:35. Fem. Adv. *At last, last*, Dan.11:29. Also Deut.13:10 and Num.2:31; Eccl.1:11, *at last, lastly.*”

Let’s notice how this term applies to the last, final generation..

Deuteronomy 29:14-24—“The Lord made this covenant so that no man, woman or family of all the tribes of Israel should turn away from him to worship gods of other nations and so that no root would bear such poisonous and bitter fruit. Let no one who hears the words of this oath written in this book of the law bless himself in his heart and think he will have peace (be safe), even though he follows the dictates of his heart (goes his own way)—as though the drunkard could be included with the sober. The Lord would not spare him; for then the anger of the Lord and his jealousy will burn against that man and every curse that is written in this book would settle on him and the Lord would blot out his name from under heaven.

“So that **the generation to come** of your children that shall rise up after you, and the stranger that shall come from a far land, shall say, when they see the plagues of that land, and the sicknesses which the Lord has laid upon it; And that the whole land is brimstone, and salt that is burning, that it is not sown nor bearing, nor any grass grows therein, *like the over-throw of Sodom and Gomorrah, Adman, and Zeboim* which the Lord overthrew in his anger and his wrath. All nations shall ask, ‘Why has the Lord done this to the land? What is the meaning of this great anger?’”

Take note especially of the fact that *ha dor ha acharon* can just as readily be translated as “THE LAST GENERATION,” or “the FINAL generation.” *Acharon* means “hindmost, last in order, last of a series.” Or, simply, “last.”

***The “Last Generation” in the Psalms***

Next notice Psalm 48:1-14—“Great is the Lord, and greatly to be praised in the city of our God in the mountain of his holiness. Beautiful in elevation, the joy of the whole earth is Mount Zion, on the sides of the north, the city of the great king. God is in her palaces; He is known as her refuge. The kings of the earth joined forces. When they

advanced together, they saw her and were astounded; they fled in terror. Fear took hold of them there, and pain, like that of *a woman in labor*. You destroyed them like *ships of Tarshish shattered by an east wind*.”

“As we have heard, we have seen in the city of the Lord of hosts, in the city of our God. God will establish her forever. We have thought of your loving kindness, O God in the midst of your temple according to your name, so is your praise to the ends of the earth; Your right hand is full of righteousness; Mount Zion rejoices, the villages (daughters) of Zion are glad because of your judgments. Walk about Zion and go around her, count her towers, consider her ramparts, view her citadels that you may tell it to *the generation following* [*L’Dor Acharon* -- “the last generation”]. For this is God, our God forever and ever. He will be our guide even unto death.”

This whole Psalm speaks of the trouble of the great tribulation, a woman in labor pangs, disastrous winds on the high seas, and the plagues of God poured out on the wicked, and is a special message for “the last generation”!

Psalm 102 is another prophecy for the future end-time generation (last generation). It is a prayer of the afflicted—when he is overwhelmed and pours out his complaint before the Lord.

“Hear my cry. In the day that I am in trouble incline your ear to me: in the day when I call, answer me speedily. My days are like a shadow that declines – my health is gone, my heart is smitten and my enemies are sworn to kill me; I eat ashes like bread and my drink is mixed with weeping because of your indignation and wrath: for you have lifted me up and cast me down. But you O Lord shall endure forever, and your remembrance unto all generations. You shall arise and have mercy upon Zion: for the time to favor her, **the set time is come**.

“So the heathen shall fear the name of the Lord and all the kings of the earth your glory. When the Lord (Christ) shall build up Zion, he shall *appear in his glory*[the second coming of the Messiah]. The Lord will regard the prayer of the destitute, and not despise their prayer. This shall be **written for the generation to come [the final generation]**: and the people which shall be created shall praise the Lord.”

Remember, the “generation to come” is a special reference to the LAST or FINAL generation – the generation that will see and experience all these things!

The Psalm continues:

“You looked down from your sanctuary TO hear the groaning prisoner, TO declare the name of the Lord in Zion and his praise in Jerusalem: when the people are gathered together, and the kingdoms, to serve the Lord. You weakened my strength and shortened my days. O God do not take me away in the midst of my days, your years will have no end. You laid the foundation of the earth: and the heavens are the work of your hands. They shall perish, but you shall endure. All of them shall wax old like a garment; a

vesture (clothing) shall you change them and they shall be changed: but you are the same, and your years shall have no end. The children of your servants shall continue and their seed (descendants) shall be established before you.”

This prayer could be the prayer of all of us, today.

God is making his last appeal to our generation today—to listen and to understand the ancient words of scripture.

He has commanded us to search the Scriptures for the hidden inner meaning of these verses that would illuminate God’s plan for each one who searches. Chiefly and clearly this would include the Messianic prophecies of Christ’s coming, prophecies which have been hidden from the generations since the days of Daniel until now – this final generation – this “*L’Dor Acharon* – the “last generation”.

### ***Downfall of the Antichrist***

Even the downfall of the Antichrist is connected to the “last generation” in another prophetic psalm of David.

King David declares, “Hold not thy peace, O God of my praise. For the mouth of the wicked and the mouth of the deceitful are opened against me; they have spoken against me with a lying tongue. They compassed me about also with words of hatred and fought against me without a cause. For my love they are my adversaries, but I gave myself unto prayer [Heb., “I am or became prayer”]. And they have rewarded me evil for good, and hatred for my love. . . . Let Satan stand at his right hand. When he shall be judged, let him be condemned, and let his prayer become sin. . . . Let there be none to extend mercy unto him . . . Let his posterity be cut off and ***in the generation following [the final, last generation] let their name be blotted out***” (Psalm 109:1-13).

This prayer is a clear prayer of a servant of God suffering from the lying hatred of a powerful king – a type of the end-time “Antichrist.” In type it referred to Judas Iscariot, the disciple who betrayed Christ due to his own heart of “causeless hatred.” The Antichrist will be such a son of Satan, the son of perdition and doom, just as Judas was, and will go into perdition and be cast into Gehenna fire at the return of Christ (Rev.19:19-20). His family will be “cut off.”

The apostle Paul writes of him, “Let no one deceive you by any means; for that Day will not come unless the FALLING AWAY [APOSTASY] comes first, and the MAN OF SIN [lawlessness] is revealed, the SON OF PERDITION, who opposes and exalts himself above all that is called God or that is worshiped,, so that he sits as God in the temple of God, showing himself that he is God” (II Thess.2:3-4).

He is called “the lawless one,” in verse 9. He is empowered by the “working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved” (vs.9-10).

### *The End-Time Signs*

There is no doubt about it! He who will become the Antichrist bestrides the world, today. He rising to increasing power. We are now living in what the Moffatt translation calls “the crisis at the close.” The signs are everywhere, and fast accelerating and multiplying.

Christ Himself said, “When it is evening you say, ‘It will be fair weather, for the sky is red’; and in the morning, ‘It will be foul weather today, for the sky is red and threatening.’ Hypocrites! You know how to discern the face of the sky, but you cannot discern the signs of the times” (Matthew 16:2-3).

Look around you. Survey the earth. Scour the news reports. Observe the signs. Watch world events. Search out the times. Be like the children of Issachar who “had understanding of the times, to know what Israel ought to do” (I Chron.12:32).

“Watch, therefore, for you do not know what hour your Lord is coming” (Matt.24:42).

“Watch therefore, for you do not know when the master of the house is coming—in the evening, at midnight, at the crowing of the rooster or in the morning—lest coming suddenly he find you sleeping. And what I say to you I say to all: Watch!” (Mark 13:35-37).

**WATCH!**

“See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil” (Eph.5:14-16).

**WALK CIRCUMSPECTLY!**

“Therefore do not be unwise, but understand what the will of the Lord is” (v.17). “And do not be drunk with wine, in which is dissipation, but be filled with the Spirit” (v.18).

**PRAY EARNESTLY AND BE FILLED WITH GOD’S HOLY SPIRIT!**

The apostle Peter declared, “Giving all diligence, add to your faith virtue [power], to virtue knowledge, to knowledge self-control, to self-control perseverance, to perseverance godliness, to godliness brotherly kindness, to brotherly kindness love [the love of God]. For if these things are yours and abound, you will be neither barren nor unfruitful in the knowledge of our Lord Jesus Christ” (II Pet.1:5-8).

“For he who lacks these things is short-sighted, even to blindness, and has forgotten that he was cleansed from his old sins” (v.9).

“Therefore, brethren, be even more diligent to make your call and election sure, for if you do these things, you will never stumble” (II Peter 1:10).

## Obama's Brother Friend and Ally of Major Terrorist

It has been learned that the relationship between President Barack Obama's half-brother Malik Obama and Sudan's President Omar Al-Bashir is much closer than [previously thought](#). Malik is the Executive Secretary of the Islamic Da'wa Organization (IDO) as reported by all major Saudi press, [including Okaz](#).

How significant is this?

Very significant. The IDO has been created by the Sudanese Government, which is considered by the U.S. State Department as a [terrorist state](#). This places Malik Obama in bed with terrorists and working as an official with a terrorist state.

We have the evidence to prove it – meetings, photos, et. al.

Bashir is wanted by the [International Criminal Court](#) (ICC) on seven counts relating to crimes against humanity. As such, Bashir is the head of a country that the [U.S. State Department](#) has identified as a State Sponsor of terrorism, a designation issued in 1993.

In 2010, Malik Obama attended the [Islamic Da'wa Organization](#) (IDO) [conference in Khartoum](#), the capital of Sudan. One of the objectives of the IDO is to spread Wahhabist Islam across the African continent.

Bashir wasn't just present at the conference; he supervised it. In this photo, from the Barack H. Obama Foundation (BHOF) [website](#), headed by Malik, Bashir can be seen dressed in black, to the right. Another man to take notice of is seated directly to the right of Bashir; his name is Suar Al Dahab (more on him later):

Oh, we almost forgot. Whenever uncomfortable truths about Barack Obama arise, he always seems to know nothing about anything related to

the matter in question. He didn't know what happened when a video was blamed for the 9/11 attacks in Benghazi, he learned about the IRS scandal from the media, and he has appointed Attorney General Eric Holder to investigate Eric Holder over the reporting scandals.

This leads us to the very favorable treatment received by none other than Malik Obama in his capacity as head of the Barack H. Obama Foundation (BHOF).

In May of 2011, BHOF received incredibly expeditious (and retroactive) [tax-exempt status](#) from the IRS in general, Lois Lerner in particular. Lerner's signature is at the bottom of BHOF's [approval letter](#). If Malik was the odd man out, how did he receive such unheard of, expeditious, retroactive, and likely illegal customer service from Barack's IRS?

Lest there be any more doubt that we have a very real problem here, consider that Malik is the fourth Obama family member in Kenya who is now implicated in the spread (Da'wa) of Wahhabist Islam.

The [three others](#) are Step-Grandmother Sarah, Uncle Sayid, and Cousin Musa, who in 2011 (video translated below), told Al-Jazeera that the Mama Sarah Obama Foundation (MSOF) deceptively diverts its contributions toward scholarships for Kenyan students to attend the most virulent of Wahhabist schools... in Saudi Arabia. (Walid Shoebat and Ben Barack, May 28, 2013).

## Egypt Involved in Benghazi Attacks

While it's far too early to predict what's going to happen in the [wake of reports](#) that the Egyptian military has suspended the Constitution and ousted Muslim Brotherhood President Mohammed Mursi, Americans have an additional reason to cheer for Mursi's ouster. Evidence that both Egypt's Muslim Brotherhood government and Mursi himself were involved in the attacks on the U.S. Special Mission

Compound (SMC) and C.I.A. Annex is becoming rather incontrovertible.

As we [reported](#), evidence implicating Egypt's Muslim Brotherhood government in general, President Mohammed Mursi in particular, in the Benghazi attacks on 9/11/12 is corroborated by a [Libyan Intelligence document](#) and a [cell phone video](#). However, as we further analyzed the document, we found that it aligned with other reporting we had done soon after the attacks.

In particular, the selection of the Innocence of Muslims video as a source of outrage for Egyptians was a very calculated and premeditated effort. We reported about this in the days and weeks after 9/11/12 but additional information gleaned from the Libyan Intelligence document corroborates our findings and even further implicates Mursi and Egypt's Muslim Brotherhood in the attacks.

This additional information made it necessary for us to include additional findings that fit perfectly. Instead of writing an entirely new report, we thought it best to incorporate these findings into our June 30th report and present it as an entirely new report. We did not add these findings as an addendum. Instead we inserted them into the existing report without deleting anymore information.

The report that used to be entitled, Hostage Crisis: The Blind Sheikh, Benghazi and Smoking Guns...has just become the far more comprehensive report entitled, [IRONCLAD: EGYPT INVOLVED IN BENGHAZI ATTACKS](#)

As the future of Egypt hangs in the balance, the evidence against Mursi and the Muslim Brotherhood in the Benghazi attacks is astonishingly conclusive. (Shoebat Foundation, July 3, 2013).

### **Preparation for Third Temple**

I went to visit the Jewish Quarter in the Old City of Jerusalem to see how the preparations for the establishment of the new temple were getting on. For hundreds of Israelis, the task of renewing the temple has become the job of their lives.

It is about time, so they believe, to establish the Third Temple in its proper place — right on the site where the First Temple and the Second Temple were once standing before being destroyed.

Yehuda Glick is one of the “elite soldiers of the temple” who dedicate their lives to the mission. Since moving to Israel, he has been preparing for the great day, waiting to see the construction of the edifice that is to become the holiest place on earth for the Jewish people. A black skullcap adorning his head, his Hebrew flavored by an Anglo-Saxon accent, Glick spends his time as a tourist guide, escorting visitors to the Temple Mount.

I met Yehuda at the entrance gate to the Temple Mount. There is no greater thrill in his life than to walk on the soil of the Temple Mount. While he has visited the place hundreds or even thousands of times,, his heart still beats with excitement on each visit.

“As far as I see it, an amazing divine move is manifested here,” he explained while we were waiting in line at the gate. “The state of Israel is a part of this divine move, which will culminate in the establishment of the Third Temple.”

How is it going to be built and who will build it? I asked him. A broad smile spread across his face. He may have felt sorry for me or, perhaps, considered the question to be out of place. “The notion that the Temple will be built by itself, under divine directions, is the sort of idea typical of Diaspora Jews,” my interlocutor noted. He had left New York for Israel at the age of 8, settling with his family in Otniel, south of Hebron.

“When I started visiting the Temple Mount 15 years ago, you could hardly gather a minyan — the quorum — for prayer. These days, hundreds of thousands of Jews are coming to pray on the Temple Mount. They expect us to rebuild the temple, and God willing, it will be built.”

Hundreds of tourists, most of them Christians, were standing in line under the scorching sun, waiting for the security check that every visitor seeking entry to the Temple Mount is required to pass. Jews are not allowed to bring in scrolls of the Torah, prayer books, copies of the Book of Psalms or any other article of worship that could be used to establish a mystical association

between the Temple Mount and the holy Jewish Scriptures.

Under the current arrangements agreed on between Israel and the Kingdom of Jordan, Jews visiting the Temple Mount are banned from openly praying on the premises or swaying in worship. One single event of deviation from the set rules could be enough to spark an international incident.

In fact, precisely such an incident occurred while I was waiting at the entrance gate to the Temple Mount. All of a sudden, shouts were heard from inside the enclosure. The policemen standing on guard at the gate went on alert and hurried to lock it.

It turned out that a Muslim worshipper accused an Israeli policeman of knocking down a Quran she was holding in her hands. She started yelling "Allahu Akbar!" and within minutes, dozens of worshippers at the scene rushed to her aid, and some of them even tried to attack the policeman.

The Temple Mount was closed to visitors right away and the incident was promptly brought to the attention of the top echelons in Israel, the Palestinian leaders in the territories and the Jordanian king's palace.

The commanding officer in charge of the Temple Mount site told me that incidents of that kind were an everyday matter. "The policeman on duty reported that the worshipper had thrown down the book on purpose, to stir up a provocation and, needless to say, I believe him," he said, adding: "Even a minor event is liable to trigger an international incident."

As the gates to the Temple Mount were closed, Yehuda and I headed for the Jewish Quarter, where the Temple Institute is located. Hundreds of tourists visit the Temple Institute store daily to see at close hand the preparations for the establishment of the temple.

"Fifty percent of the visitors are not Jewish," recounted Reuven Cohen, the store manager, who immigrated to Israel from England 34 years ago. "The Jews are coming here to look for the roots of the temple, whereas the visiting evangelists are deeply involved in the establishment of the temple. They are well aware that their process of redemption is closely interwoven with ours. They actually believe that

the path of return of Jesus Christ to this earth passes through our temple."

The articles of worship intended for use in the new temple, once it is erected, are on display in the store. Kits that include guidelines for proper conduct in the holy site are offered for sale alongside a variety of jigsaw puzzles of the temple — some comprising 24 pieces, for 3-year-old children, and others of 100 pieces and even 1,000 pieces — for the older. Hundreds of books, neatly arranged on the shelves, tell the history of the temples — those that were destroyed and the one that is to be built.

There are books on the sacred golden candelabrum, books on the houses that served the Jewish priests who performed their duties at the temple, and others on the ritual sacrifices and prayers, as well as on the way of life that will prevail in Israel after the temple is established.

"Last year we had 50,000 visitors," David Schwartz, who heads the Temple Institute, proudly stated. "The ever-growing interest shown by tourists reflects the feeling that the days of the Messiah are around the corner. You can sense it in the air — in schools, in synagogues, even in the homes of the secular. Everyone feels it coming up."

While we were talking, hundreds of visiting school students were wandering around the Institute, impressed by the sights. "Yes, that's true," Schwartz added. "As you can see, people are looking for meaning to life. They want to achieve something. We are currently at the stage of preparing people for the construction of the temple."

On display, next to the architectural building plans, are models showing pilgrims getting down from the light rail at the temple gate station. Others are seen parking their cars in an underground garage to be built beneath the temple. Sophisticated elevators would transport the worshippers right into the temple.

Schwartz, Cohen and Glick are all confident that once the Third Temple is erected, the world will become a fundamentally different place. The Lord would then bestow on Earth great abundance and there would no longer be anyone in need of charity.

"Those who do not feel what is going to happen

are either blind or stupid, or ungrateful," Glick noted, clearly annoyed with me, having noticed the skeptical expression on my face. "There has never been anything like that in the history of the human race; the return of an exiled people to its homeland is unique in human annals. It is all written in the Torah. And the last, supreme stage will be the construction of the temple."

However, there is one far from marginal factor left out. In all those plans and photographs and illustrations and puzzles and books put forward by the Jewish believers, the Third Temple is seen at the center of the Temple Mount, rising high up above it .

But there is no trace there of the Dome of the Rock, as if the earth had swallowed it up.

### **Growing IRS Tyranny**

Even before the scandal broke, Americans already hated and feared the IRS. So how much worse could the agency's reputation get?

Much worse. In May, it was revealed that the nation's most disliked government agency has been secretly and illegally denying the civil rights of hundreds of conservative and Christian organizations and individuals. Although both the IRS and the White House tried to blame the whole ghastly mess on the poor judgment of a couple of rogue agents in Cincinnati, the truth gradually emerged: The abuse was widespread and officials at the highest levels of government had long been aware – yet had done nothing to stop it. Indeed, IRS employees have testified there is no way such pervasive and egregious abuses could have occurred without direction from above.

The use of the IRS to persecute and suppress a *de facto* "White House enemies list" – in a manner and scope more serious than anything Richard Nixon even contemplated during the Watergate era – has led many to demand the agency be abolished.

"The average working American – poor or rich or in-between – hates and fears the IRS for good reason," observes author and commentator Michael Reagan, oldest son of President Ronald Reagan. "Able to seize your bank account or house without a court order, able to shut down your business overnight, the IRS is the closest

thing to the Gestapo America has ever had." Even worse, says Reagan, "is the horrible income tax system the IRS is hired to enforce."

All true, says Whistleblower Editor David Kupelian, but there's an even more important reason to abolish the IRS: "The main reason the IRS exists today is not taxation. After all, income tax revenue could readily be replaced in a revenue-neutral way by means of, let's say, a national sales tax, which wouldn't require a Gestapo-like agency to enforce it, or government tentacles reaching into citizens' most private and personal affairs. Rather, the chief reason the IRS exists is to condition American citizens to be fearful of, and subservient to, their government."

Millions of Americans feel they're living in a war zone, the bombardments coming their way daily. Nonstop lies and corruption. White House "czars" with communist backgrounds. Brazen presidential power grabs. Bows to enemy leaders and insults to allies. Intentionally destructive economic and energy policies. Presidential hot-mic gaffes proving collusion with America's enemies.

No wonder Americans are more worried today about the very survival of their nation than at any time since the Civil War.

But underlying the madness – underlying all of the epic, high-level subversion of America – enabling it, justifying it, disguising it – is a secret language of the left, a language most citizens neither understand nor even recognize.

This secret language, an essential ingredient in America's rapidly advancing socialist transformation, is dramatically exposed in this groundbreaking special issue of Whistleblower magazine, titled ["THE ALINSKY CODE."](#)

Without this secret language, the "matrix" of deceit and delusion enveloping modern America would soon disappear – just as in the sci-fi film blockbuster "The Matrix" – and citizens would behold Barack Obama and his administration for exactly what they really are: committed revolutionaries of the radical left. (WorldNetDaily, July 2, 2013).

COMMENT: And now the IRS has been appointed to administer Obamacare? Or is it Obama-scare? Scary, isn't it?

## Bestiality Brothels in Germany

An animal protection officer in the German state of Hesse has expressed frustration with a German law that makes spreading bestiality porn illegal — but the act itself legal. Madeleine Martin told the *Frankfurter Rundschau* that current laws were not protecting animals from zoophilia, and the problem was getting worse.

"There are now animal brothels in Germany," Martin told the paper, and people were playing down the importance of the act by describing it as a "lifestyle".

Luckily Germany's animal protection laws, dating from 1969, are due to be reformed soon. Let's hope the German government sees sense and outlaws animal brothels, finally. Animal sex abuse is on the rise in Germany, with bestiality brothels being set up across the country, according to a state animal **protection** officer demanding stronger laws to protect mankind's furry and feathered friends.

Madeleine Martin, the animal protection official for Hessian state government, said the law needed to be changed to make sex abuse of animals — known as zoophilia — a crime.

"It is punishable to distribute animal pornography, but the act itself is not," she told the *Frankfurter Rundschau* daily paper on Friday.

"There are even animal brothels in Germany," she said. Sex with animals was being increasingly seen as a lifestyle choice, and thus more acceptable.

"The abuse seems to be increasing rapidly, and the internet offers an additional distribution platform," she said.

She said the justice authorities had found it exceptionally difficult to convict a man from Hesse, who had offered pictures and instructions for animal sex abuse over the internet.

"Zoophilia must be completely banned in the reformed animal protection law," said Martin, referring to the governments plan to rework that section of the law.

Sex with animals was banned until 1969, when the animal protection law was introduced, but failed to include a specific ban on zoophilia, the

*Frankfurter Rundschau* said.

Martin said the current legal situation makes it too difficult for authorities to intervene — an animal has to be shown to have massive injuries before the animal protection laws prescribe action. (Adam Taylor, Feb.3, 2012, [businessinsider.com](http://businessinsider.com)).

## “Disinformation Alive and Well” under Obama

The highest-ranking Soviet bloc intelligence official ever to defect to the West, Lt. Gen. Ion Mihai Pacepa is at it again.

A quarter century ago, in his international bestseller "[Red Horizons](#)," Pacepa exposed the massive crimes and corruption of his former boss, Romanian President Nicolae Ceausescu, giving the dictator a nervous breakdown and inspiring him to send assassination squads to the U.S. to find his former spy chief and kill him. They failed. On Christmas Day 1989, Ceausescu was executed by his own people at the end of a trial whose accusations came almost word-for-word out of "[Red Horizons](#)."

After courageously defecting to the United States, which he now proudly calls home, Pacepa became a major asset to the Central Intelligence Agency's efforts to deal with the "evil empire" of the Soviet Union. The CIA has praised Pacepa's cooperation for providing "an important and unique contribution to the United States," and President Ronald Reagan (seen below holding Pacepa's "Red Horizons") reportedly referred to it as "my bible for dealing with dictators."

Today, still living undercover in the United States, the man credited by the CIA as the only person in the Western world who single-handedly demolished an entire enemy espionage service — the one he himself managed — is now taking aim at an even bigger target: the exotic, widely misunderstood but still astonishingly influential realm of the Russian-born "science" of *disinformation*.

Published by WND Books and being released nationally today, the book is titled "[Disinformation: Former Spy Chief Reveals Secret Strategies for Undermining Freedom, Attacking Religion, and Promoting Terrorism](#)." Within its pages, Pacepa, along with his co-

author, historian and law professor Ronald Rychlak, expose some of the most consequential yet largely unknown disinformation campaigns of our lifetime.

In "[Disinformation](#)," Pacepa and Rychlak reveal that the Soviet Union's immense intelligence apparatus, unlike other nations' spy establishments, was *not* primarily focused on spying and gathering intel on other nations. Instead, reveal the authors, the communist bloc intelligence services, including the Russian KGB and the Romanian DIE headed by Pacepa, were much more preoccupied with rewriting history, with manufacturing lies, deception and false documents, with turning one religion against another, with defaming the noblest people and glorifying the worst, and – perhaps most importantly – with planting an endless barrage of false, perverse, anti-American disinformation into the liberal Western news media.

[Click here to read more about "Disinformation."](#)

Here's how former CIA director R. James Woolsey, who wrote the introduction for "[Disinformation](#)," summarizes it: "This remarkable book will change the way you look at intelligence, foreign affairs, the press, and much else besides."

And best-selling author and Cold War historian, Professor Paul Kengor, says simply: "Here is a work that many of us have been waiting for; a book that – dare I say – history has been waiting for."

### **Crucial puzzle piece**

While reading this mesmerizing true narrative – from Pacepa's recruitment at a young age into communist Romania's secret police (the *Securitate*) to his rise to the top of the Soviet bloc intelligence world, complete with insider stories and never-before-revealed facts – the reader will discover answers to many vexing questions of the modern era, such as: Why, during the last two generations, has so much of the Western world turned against its founding faith, Christianity? Why have radical Islam, jihad and terrorism burst aflame after a long period of apparent quiescence? Why is naked Marxism increasingly manifesting in America and its NATO allies? What really happened to Russia after the Berlin Wall came down?

Like the solution to a giant jigsaw puzzle lacking one crucial piece, "[Disinformation](#)" authoritatively provides the missing dimension that makes the chaos of the modern world finally understandable.

By its very nature, a disinformation campaign can work only if the seemingly independent Western press accepts intentionally fabricated lies and presents them to the public as truth. Thus, Pacepa and Rychlak also document how the U.S. "mainstream media's" enduring sympathy for all things liberal-left has made it vulnerable to – indeed, the prime carrier of – civilization-transforming campaigns of lying, defamation and historical revisionism that turn reality on its head.

Today, with assassination threats still hanging over his head because of his defection and continuing fight against socialist dictatorship, Pacepa lives in the U.S. under a protective identity. Still vigorous in his 80s, he remains an astute and uniquely insightful writer on current affairs. His co-author, Ronald J. Rychlak, is the Mississippi Defense Lawyers Association professor at the University of Mississippi School of Law where he teaches constitutional law, criminal procedure, and terrorism and the law. Appointed by the Mississippi Supreme Court to a committee to revise that state's criminal code, he also served on the Mississippi advisory committee to the U.S. Civil Rights Commission.

In "[Disinformation](#)," you'll discover:

- How destroying the reputation of good leaders has been developed into a high art and science.
- How Pope Pius XII – a generation ago the world's most high-profile Christian leader, who personally saved countless Jews from Hitler's Holocaust – was transformed, through the magic of disinformation, into a Nazi sympathizer.
- How Christianity and Judaism have been targeted for constant denigration and defamation through an ongoing campaign of disinformation.
- How the Soviet bloc planted 4,000 agents of influence in the Islamic world, armed with hundreds of thousands of copies of the most infamous anti-Semitic book in history, to fan the flames of ancient Arab resentments against the

U.S. and Israel and sow the seeds of anti-Semitism that would later bloom in the form of violence and terror toward Jews and Christians.

- How the defamatory attacks on American soldiers John Kerry made before Congress upon his return from Vietnam – charges later discredited and repudiated – were identical to a contemporaneous KGB disinformation campaign concocted to turn Americans against their own leaders.
- How supposedly respectable institutions like the World Council of Churches have long been infiltrated and controlled by Russian intelligence
- How much of the world came to believe that the U.S. government itself masterminded the assassination of President John F. Kennedy.
- How the Soviet Union has been transformed into the first intelligence dictatorship in history.
- How disinformation is still very much alive in the age of Obama, remaining a powerful engine in the ongoing socialist transformation of America.

All this and much more is meticulously documented in [“Disinformation,”](#) with the credibility of an eyewitness who was not only there, but actively involved as a Soviet bloc spy chief – who, thanks to a crisis of conscience, “left the dark side” and came to America to help shine a light on the greatest source of political evil of the modern age. (WND, June 26, 2013).

### **The Nightmare Has Just Begun -- Surveillance and the Mark of the Beast**

Surveillance is the act of removing transparency from one person while operating under a veil of secrecy yourself. Surveillance is a one-sided exploitation of cultural violence, like a street mugging backed by ideological rationalizations. To be able to invade the life of another human being at will; to catalog his hopes, dreams and weaknesses; to put yourself in a position to judge him from a discreet distance or undermine his future entirely: This is what surveillance is truly about. Make no mistake, mass surveillance is *not*

about safety; it’s about power. It is a means of enslavement.

When a government chooses to assume the role of watcher and godlike arbiter in the affairs of the citizenry, there is always a specific motivation; and that motivation is usually self-preservation. Government elites spy on the public because they have done or are about to do things that will trigger resentment and rebellion within the population. They keep tabs on us because they fear what we will eventually do to them. They watch us because they plan to hurt us, and they want to be sure they get away with it.

There are no other reasons for random sweeping infringements of the public’s right to privacy. There is no other rationale for treating every person as a threat without warrant, without legitimate judicial oversight and without probable cause. Only criminal governments desire the legal authority to remove the barriers of personal privacy, because only they have something to gain through the action.

America as a society is at perhaps the most dangerous crossroads faced by any nation in history. We must decide — right here, right now — if we are going to embrace absolute government intrusion on a technological level never before seen by man or if we are going to fully revolt against it. Now, some people might suggest that there is a line that will not be crossed, that the establishment will respect certain boundaries and that the surveillance apparatus we have now will be the apparatus that stands forever. I’m here to tell those people that they have no idea what they are talking about.

Take a good look at *any* government in modern history that has been allowed the kind of surveillance powers our government is currently demanding. Did Soviet Russia respect any particular boundaries dealing with individual liberty? Did the East German Stasi ever draw a moral line in the sand when it came to their suffocating network of informants and eavesdroppers? Did Mao Zedong’s China choose to simply “observe” political dissidents without using those observations to destroy them? The surveillance machine only moves forward. It never stands still — not for anyone or anything.

The recent exposure to the general public of National Security Agency mass phone tracking (and tapping) programs have caused a groundswell awakening. What we in the liberty movement already knew years ago has finally struck the lackadaisical senses of the mainstream like a bucket of ice water. However, as terrible and bewildering as the surveillance grid is today, it is nothing compared to what lies ahead if we allow the establishment even one foothold tomorrow.

### *The Nightmare Has Just Begun*

Without transparency or oversight by the citizenry, the technology in existence today and being perfected over the coming years will lead to nothing short of the total subjugation of humanity. Forget the NSA's wiretapping random phone lines or all phone lines; imagine every waking moment of your life recorded and filed. Imagine every thought you ever uttered or typed scrutinized for "keywords" and analyzed to discern whether you might dissent. Imagine an invasive machine engineered not just to place you under a microscope, but also to mold your very behavior with the constant threat of bureaucratic retaliation.

Perhaps this sounds like science fiction, but for many people, the NSA's sifting through the phone and email records of more than 300 million people daily used to be science fiction. Here are some of the surveillance advancements I believe the establishment will use next on a wide scale — for our own safety, of course.

**The perpetual tap:** If this doesn't exist already, it will soon. The NSA's process of "interception" (the monitoring of Internet and phone traffic for keywords and key phrases) might seem like an impractical strategy, given the incredible amounts of data they are required to sift through. That said, many corporations and clandestine services already have powerful software that is able to filter through mass communications and discover patterns in real time. With computing power reaching levels never before dreamed of, the possibility of perpetual real-time monitoring of hundreds of millions of individuals with the intent to record everything they say and do electronically is fast arriving. Website habits, speech patterns, purchasing habits, mood swings, relationship issues, psychological attachments and detachments would all be noted and stored.

Keywords and pattern recognition would allow spies to build elaborate profiles on every American — updated daily, if not hourly. One could not even be privately discontent in such a world.

**A surveillance device in every home:** It's sad when Yakov Smirnoff becomes a prophet of your era, but the old joke applies today: In soviet America, TV watches you!

The next stage in consumer technology is often called the "Internet of Things." This refers to the new lines of Web-connected appliances being progressively introduced onto the market. These include everything from televisions that record program-watching habits and video game consoles equipped with camera technology, all the way down to alarm clocks that record sleeping habits and doorbells that monitor how many visits you receive per day. The argument for such tech presented by corporations is that the Internet of Things will help them to better service the public by identifying and catering to more specific consumption habits. However, former CIA Director David Petraeus reveled in the idea of the Internet of Things and its usefulness to the CIA, [stating in 2012](#): "Items of interest will be located, identified, monitored, and remotely controlled through technologies such as radio-frequency identification, sensor networks, tiny embedded servers, and energy harvesters—all connected to the next-generation Internet using abundant, low cost, and high-power computing—the latter now going to cloud computing, in many areas greater and greater supercomputing, and, ultimately, heading to quantum computing."

I believe that, one day, such smart appliances with surveillance capabilities will be mandated, either at the manufacturing level or at the home level, by the Environmental Protection Agency, using "environmental concerns" as an excuse.

**Pervasive RFID:** Most people have at least heard of radio-frequency identification chips. Many people, though, do not seem to understand the malicious nature of such technology. RFID chips, the size of a grain of rice, will soon be embedded in every conceivable consumer item, allowing each purchase to be cataloged and even tracked. Buy a pair of shoes with RFID and forget to remove the chip, and every time you walk by a scanner in the mall or on the street

your presence could be noted and filed. But this is just the beginning of RFID.

Initiatives have been suggested multiple times by various government agencies and politicians to include RFID technology in ID cards, Social Security cards and even citizenship cards (an idea meant to use citizen concerns over illegal immigration as a way to lure us into accepting RFID). RFID has also been suggested for use in the medical field on many levels, which brings us to our next surveillance abuse.

**Surveillance by doctor:** There are literally hundreds of problems with Obamacare, and universal healthcare in general; but a primary threat that is just beginning to surface is the use of medical surveillance as a political weapon. Already, the Federal government has tried to establish rules for physicians requiring them to note patients who, in their opinion, might be psychologically unstable and should be [denied the right to firearms ownership](#).

I believe the Obamacare structure is ultimately not meant to build even a poorly run socialist health system. Rather, it is meant to build a highly effective surveillance system using healthcare professionals as informants and opening private medical records to incessant bureaucratic overwatch. Today, it's mental stability and gun rights. Maybe tomorrow it will be any loose-lipped expression of dissent or distaste for authority. The obvious next step, following the surveillance cultures of the past, would be for government to draft the professional class into the fold by using them as eyes and ears.

**Drone planet:** We are all aware of the exponential use of drones around the world, and many people are even educated on the U.S. government's intentions to launch at least 30,000 drones into America's skies for domestic surveillance in the near term. The problem is not existing drone technology, though; it is the drone technology about to be released.

Micro-drones are already being fielded by the U.S. military for use in operations, and small drones are being issued to law enforcement departments for riot control. Micro-drones, though still dependent on line of sight, are cheaper and easier to produce than larger varieties. A swarm of such drones could be

unleashed for the cost of a single predator model, and would have the capability to provide clandestine monitoring of hard to reach areas. All I can say is, for those who plan any practical activism or revolution, study in electromagnetics will be essential.

**Biometric roadblocks:** Naked body scanners, which were used by the Transportation Security Administration until May 16, [stored biometric data](#) on all passengers foolish enough to not opt out, as was proven time after time. Many people in the liberty movement have long suspected that the cattle-call manner in which the TSA collected this private information was only a warm-up to a much wider net to be cast over the streets of America. The Supreme Court's recent decision in [Maryland v. King](#) to uphold police ability to take DNA samples during an arrest (even if charges are never filed) supports this suspicion.

The next step is random DNA recording at [roadside blocks](#) and then on sidewalks in your town. This process will be implemented in tandem with new ID laws, which will give a more substantial legal rationalization for random seizures of genetic property. Biometric surveillance will be the ultimate destruction of the 4th Amendment. It removes all anonymity, until every person becomes nothing more than a data set and a file; and unless a person finds a way to change his own genetic characteristics, that file will follow him forever.

These are only a handful of examples on how our current surveillance grid will become far worse than most Americans expect. The point is clear: there is *no* end to this game. It never stops. It never gives a moment's peace.

The arguments in support of the surveillance state always assume that there will be no consequences for those who do nothing wrong. How many times have we heard this dismissal: "The government can watch me all they want. They'll just get bored because I have nothing to hide."

What these apologists do not seem to grasp is that government surveillance is not a passive tool, but a vicious weapon. Surveillance maims and kills free society — first psychologically, then physically. It forces acceptance of prior restraint, making thought crimes punishable and

concrete activism impossible. If we do not stop the institutionalization of surveillance here and now, every single citizen, whether he believes himself innocent or not, will find himself a target.

### Obama's Racist Jobs Plan

The question is: Will there still be an America, or capitalism, after President Barack Obama is through with his second term?

It sure doesn't look good to me. We have no money for fireworks displays at military bases across America and no money for patriotic fly-overs at military academy graduation ceremonies. We are letting down our heroes, the people who sacrifice selflessly for us.

But there was \$100 million for Obama's trip to visit Africa, and Obama has now pledged \$7 billion to double electricity access in *Africa*. This has to be a comedy skit, right? This must be a nightmare. It can't be for real, right? Seven billion dollars for African electricity, while he kills the coal industry so average, middle-class Americans won't be able to afford our own electric bills? What about our \$17 trillion debt in America, our trillion-dollar deficit, our disgraceful failing public schools or our aging and decrepit infrastructure?

And Obama also has billions of dollars in aid as well as military aid for the Muslim Brotherhood in Egypt and the Palestinians? Even the protesters in Tahir Square in Cairo are accusing Obama of propping up the Muslim Brotherhood. Are you kidding me? Something is deep-down *deadly* wrong, folks. This man is destroying our country and our economy. He is killing the middle class. He is making a mockery of American values across the globe.

But don't take my word for it. Let me give you perhaps the perfect example. Everything I just mentioned is child's play compared to Obama's newest directive. Now, Obama has truly gone off the deep end. He's thrown off his cloak to show the "S" on his chest, standing for *social justice*. Obama has just decided to kick the U.S. economy while it's down.

What's Obama's latest brainstorm? Force businesses to hire criminals — and not just any criminals. Obama wants black criminals to step to the front of the employment line. If only I were joking.

Obama's Equal Employment Opportunity Commission is charging the automaker BMW and the national retailer Dollar General with racism, discrimination and violation of the 1964 Civil Rights

Act for using criminal background checks before hiring employees.

How can this be? Don't companies have a right to check backgrounds before hiring employees that represent them? Don't companies have a right not to hire convicted criminals? Not anymore. Not in Obama's America. At least, not if the criminal is black.

The Obama government's logic is frightening. The EEOC argues that because blacks are more likely to have been convicted of a crime, doing a criminal check discriminates against blacks. So when you won't hire an applicant because of his criminal record you are... wait for it... yes, a *racist*.

Seriously, folks. This is happening in the United States of America. If the courts hold for Obama, this will be the final body blow to job creation, economic freedom and the U.S. economy.

But let's set that aside for a moment and think what this does to your own civil rights.

When you hand your credit card to the clerk in a store, wouldn't you like to know he isn't a convicted identity thief? When you walk into an empty home for sale, wouldn't you like to know if the realtor is a murderer? When your wife goes for a massage, wouldn't you like to know the masseuse isn't a convicted rapist? Or, worse yet, when your child goes to school, child care or an after-school program, wouldn't you like to know the person you're leaving your child with isn't a convicted predator, sexual abuser or pornographer? If Obama gets his way, there will be no way of knowing, certainly not if the employee is black.

Well, according to the Obama Administration, if you ask those questions of a black job applicant, you are a racist and committing a crime yourself.

How can anyone run a business not knowing if the people he hires to deal with customers might be convicted rapists, thieves or murderers? Employees are the public face of your business. They represent your brand. They are your thin blue line, your eyes, ears and face to your customers. And don't think you won't be sued if one of your employees commits a criminal act against one of your customers.

How bad can this get? Well, the EEOC not only wants to ban background checks for black Americans, it wants the 70 black job applicants who BMW refused to hire because of criminal records to now be hired and given back pay and legal costs. On the other hand, the white applicants who were rejected don't have to be hired. Obama's EEOC argues it's fair to do criminal background checks on whites.

You couldn't make this up in a fictional novel without being laughed at. You couldn't put this in a "Saturday Night Live" skit. The critics would call you ridiculous. Yet it's happening in real life under Obama. (Wayne Allyn Root, Personal Liberty, July 4, 2013).

### **World on Edge of Total Collapse**

"With investors around the world concerned about the tremendous turbulence in global markets, including gold and silver, today Egon von Greyerz warned King World News that ....  
"Below is what Greyerz, who is founder of Matterhorn Asset Management out of Switzerland, had to say in this powerful interview. "Greyerz: 'Eric, the whole world is panicking over Bernanke's hint that the Fed might start tapering QE.'"... let's first look at other areas of the world where we have major problems."Fitch just came out and said that China's credit model is falling apart. The liquidity in China is under tremendous pressure.

"The shadow banking system is now at \$2 trillion and 50% of debt is rolled over every 3 months, and 75% of China's debt is rolled over every 3 to 6 months.

"So short-term things are very dangerous

....

"Credit has grown in China from \$9 trillion to \$23 trillion since the Lehman Brothers crisis. Now total credit is over 200% of GDP.

"We are seeing the same thing in the US.

"Both China and the US are printing more and more money and not getting any return for it. Of course Japan is even worse ....

"You have collapsing balance of payments and collapsing savings. You also have a population which is collapsing. Population will go from 125 million to 90 million over the next 35 years. There won't be enough young people to pay for the old.

"If we move to Europe, we have the Greek bond market plunging again and now the IMF is saying they are going to pull the plug. Germany, the strongest nation, is now finding itself under economic pressure.

"What I am saying .... is there are enough problems in the rest of the world that will necessitate printing by the Fed because we are

talking about a totally interconnected system. So even if the Fed thinks they won't have to print for the US, as the rest of the world implodes the US will be forced to print whether they want to or not." (King World News, June 23, 2013).

### **Obama Administration Hostile Toward Christians and Christianity**

President Obama and his administration have demonstrated a clear hostility to Christians and Christianity. According to a World Net Daily article on April 5, 2013, 'Soldiers in the U.S. military have been told in a training briefing that evangelical Christians are the No.1 extremist threat to America – ahead of groups like the Muslim Brotherhood, KKK, Nation of Islam, al-Qaeda, Hamas and others.' President Obama has now officially included evangelical Christians on a U.S. government list of religious extremists, as reported by Jim Hoft at the Gateway Pundit blog on June 13, 2013. The list also lumps orthodox Jews and Catholics with groups like Hamas, al-Qaeda, and Sunni Muslims.

Tod Harnes of Fox News reported on June 12, 2013, that the Obama administration has also announced that it "strongly objects" to an amendment to the National Defense Authorization Act by Louisiana Rep. John Fleming that protects the religious rights of Christians in the U.S. military. The amendment was authored by Rep. John Fleming. It would have 'required the Armed Forces to accommodate "actions and speech" reflecting the conscience, morals, principles or religious beliefs of the member.' The Obama Administration said the amendment would have a "significant adverse effect on good order, discipline, morale, and mission accomplishment.'" Rep. Fleming said, "With statement, the White House is now endorsing military reprimands of members who keep a Bible their desk or express a religious belief. This administration is aggressively hostile towards religious beliefs that it deems to be politically incorrect" (Noah Hutchings, "A Letter from the Pastor," July 2013).

### **Benghazi Lies and Cover-Up**

You need to read this true account of what happened to our Ambassador Stevens and the other 3 who died. If this doesn't make you mad.....

Cynthia Lee Myers Wanted to share the truth of what happened over in Libya,

"Here is my story. A week out the Embassy in Tripoli began receiving multiple tips about an Al Qaeda cell in the area planning an attack on 9/11 in response to the killing of Bin Laden. For the next several days, the State Dept and White House were asked for a security force and were denied at least six times. Ambassador Stevens and his team were given the all clear that The Consulate in Benghazi was safe and there was no need for a security force other than his 3 personal guards (One being my cousin) and a few Libyans who were not armed.

Then the attack and murders occurred. Immediately the WH claimed it was a protest gone bad over a youtube video. Obama made a quick speech in the Rose Garden on Sept.12 before catching a plane to Vegas to campaign. He made a generic statement at the end of his speech after placing the blame on an overheated protest over the video. He said "No act of terror will shake the resolve of America. Later that day and over the next 2 days, the liberal media began saying Ambassador Stevens and the other 3 men died of smoke inhalation.

This was not the case. Out of respect for my cousin, I'm not going to be specific about his murder. However, Ambassador Stevens was brutally murdered. His genitals were cut off, he was sodomized and beaten and cut and stabbed and burned. He was dragged through the streets and left for dead. This is eyewitness testimony of a local Dr. who found the Ambassador in a ditch and tried to save his life. He had no idea who he was. The other 3 men, including my cousin, met similar fates. And deaths due to smoke inhalation is a 100% fabricated LIE.

The next week I drove my aunt and Uncle and 2 others to DC to receive his body. We met with Hillary, Panetta, and Susan Rice. ALL of whom apologized and said it was a protest gone bad over a video and exited the area. Next Obama entered with the same story and didn't apologize and wasn't sympathetic. My aunt cried to this man and all he did was hand her flowers and walk away. I tried to get his attention, but didn't. I got upset and yelled liar to him, he kept walking. Then a secret service agent grabbed my arm and led me to a room where I was held till the proceedings were over.

America, I saw firsthand how cold this man is. What kind of liar he is. Most of you haven't a clue about this tyrant and yet you support him and act like every word he says is Gospel. These murders and the fast and furious cover ups make water gate look like, a kid who told his bff's secret to the class. (Cynthia Lee Meyer's Benghazi account, July 18, 2013).

COMMENT: America today is "blessed" with the most despicable, abominable, corrupt government in its history – perhaps in all world history. Yet most people sail on, blindly, ignorant of the facts, judging things by their emotions and whims, and ignoring the evidence, the truth, the culpability and wickedness that pervade the high places of government and the Oval Office.

God has allowed it, because of the wickedness of our people who have turned their backs on Him and rejected His Law, and moral code of conduct. "Woe to them," God says, "Woe to those who draw iniquity with cords of vanity, and sin as if with a cart rope; that say, 'Let Him make speed and hasten His work, that we may see it . . .' Woe to those who call evil good, and good evil; who put darkness for light, and light for darkness; who put bitter for sweet, and sweet for bitter! Woe to those who are wise in their own eyes, and prudent in their own sight!" (Isaiah 5:18-21).

The Obama administration is the most racially divisive, and religiously divisive, in history. Yet it is proud and impudent, thumbs its nose at God, and boasts great things about itself.

The hour of the Antichrist is fast approaching. Economic collapse will be blamed on "Christian terrorism" and Bible-believing "fanatics" and "extremists." As Emperor Nero blamed the Christians for the burning of Rome, which fires he lit himself, to make way for a "new Rome," so Obama-Nero will blame Christians for all the troubles and woes and problems that beset modern end-time America – the troubles which his own policies have created and caused.

Woe to them, God says! "Now consider this, you who forget God, lest I tear you in pieces, and there be none to deliver" (Psalm 50:22). ""Let death seize them; let them go live down into hell, for wickedness is in their dwellings and among them" (Psalm 55:15).

# The New Sodom, Gomorrah and Gibeah!

In 50 Years America Has Turned “Pink”! The Supreme Court recreated America into Sodom & Gomorrah yesterday as the Justices strongly reiterated the gay / lesbian lifestyle. The Justices threw the Biblical God out of this country, replacing him with a god made in man's image. What is the real significance of America's embracing of the homosexual lifestyle? What does the future hold? What does Almighty God say about and think about this cascade of events and governmental decisions? Is homosexuality so innocent and acceptable in God's sight?

William F. Dankenbring

NEWS BRIEF: **“Supreme Court gives big boost to same sex marriage”**, (USA Today, June 26, 2013).

“The Supreme Court delivered a double-barreled boost to the cause of same-sex marriage from Maine to California Wednesday by acting boldly in one case and backing off in another. Precisely a decade after it struck down all remaining state laws banning sodomy, the court declared a key section of the federal Defense of Marriage Act unconstitutional on equal protection grounds.”

The Justices then indirectly struck down California's Proposition 8, which forbade same-sex marriages. Reported USA Today, “. . . the justices took no stand on the merits of California's ban on same-sex marriage, leaving a lower court's decision that overturned Proposition 8 as the last word.”

The pot is now boiling over. Gay and lesbian couples throughout this formerly great nation rejoiced at the new reality that America now views same-sex relationships in precisely the same manner in which Sodom and Gomorrah viewed them. In the eyes of the Supreme Court, Gay/lesbian relationships are now legally identical to God's ordained heterosexuality. These activities were most assuredly considered normal in Sodom and were regularly practiced.

In the Clinton and Obama administrations, America's armed forces have been opened to unlimited male and female homosexual enlistments. At the same time Christians have been persecuted and considered potential threats to the nation. America's Constitution guarantees us freedom of speech, but anyone speaking out against homosexuality may soon be accused of a “hate crime” and fined or imprisoned. In

August 2013, a federal judge fined a photographer in New Mexico \$7,000 for refusing to photograph a homosexual wedding!

The homosexual flag now flies over America's foreign embassies. Nigeria has warned President Obama that if he sends homosexuals to our embassy there, they will be sent back and our embassy closed. Meanwhile, Prime Minister Cameron of Great Britain has announced that he is working on getting homosexual marriages accepted in every nation around the world.

On American television, sit-coms with homosexual themes and characters are proliferating on prime-time shows. The flood-gates have been opened.

### *Gay Violence in the Military*

Noah Hutchings writes, "This past week while checking to see if there was anything worth watching on television, I accidentally watched a meeting of the Joint Chiefs of Staff being represented by the highest commanding officers of our military branches: Army, Navy, Air Force, Marines, and Coast Guard. The commander-in-chief of our armed forces, President Obama, was absent for good reason. As far as I know, this meeting was not reported on any major TV channel, newspaper, or magazine. The reason being that our news media is now controlled by homosexuals.

"All commanding officers of our military services testified that the rape situation within every military branch was out of control. This past year there were more than 85,000 reported service-related rapes, and it was said that only ten to fifteen percent of the rapes are actually reported. This means there are approximately a million rapes per year now occurring in the Military.

"According to two documented articles I have on my desk, as reported by NBC News (6/5/13), the major portion of these rapes are men raping men. According to the testimony of our high command officers, the problem has gotten so bad they are losing control, and discipline now throughout the armed forces is rapidly deteriorating, with many soldiers committing suicide. All the high command officers testified that unless something is done, soon the armed forces of the U.S.A. will no longer be able to protect the nation"

Hutchings continues, "I served in WWII in the South Pacific war area, and any soldier even suspected of homosexual activity was immediately separated under guard until he could be given a mental health discharge. This policy must be reinstated.

"Fornicating Bill Clinton, impeached for lying about having sex with a woman less than half his age in the White House, opened the door for homosexual enlistment in the armed services. President Obama, who's sexual preference is bisexual (according to Larry Sinclair, a college roommate of Obama, in his book *Cocaine, Sex, Lies & Murder*), opened the flood gates. It is obvious that Congress or Mr. Obama is not going to do anything to save this nation from this serious, extremely wicked situation. It is up to

Christians to pray and tell their pastors to either sound the alarm or get one who will. We warned that this was going to happen on our program and in our publications. We are warned by Jesus that when He came again in judgment, it would be as it was in the days of Lot. Wake up! We are now living in Sodom, America.” (*Prophetic Observer*, July 2013).

### ***Wake Up, America and World!***

Homosexuality is rampant today, worldwide. Great Britain, Europe, and Israel also have formidable homosexual men and women who will not be restrained and who curse and flip their finger at God and His laws.

Homosexual activities were undoubtedly contributing of the “crying and shrieking” which God heard before He decided to physically annihilate the cities. Listen to the Biblical account:

***"And the LORD said, Because the cry of Sodom and Gomorrah is great, and because their sin is very grievous; I will go down now, and see whether they have done altogether according to the cry of it, which is come unto me; and if not, I will know."*** [Gen 18:20-21 (KJV) ]

The Parallel Bible gives the Amplified Bible Commentary rendering:

***"And the Lord said, Because the shriek of the sins of Sodom and Gomorrah is great and their sin is exceedingly grievous, I will go down now and see whether they have done altogether as vilely and wickedly as is the cry of it which has come to Me; and if not, I will know."*** [Genesis 18:20-21 (Amp); Parallel Bible).

Do the sexual practices of homosexuality produce screaming and shrieking?

The normal practice of anal intercourse produces such shrieking, for the tissue in those body parts were never meant for intercourse. Additionally, some other practices homosexuals regularly perform produce extreme pain which causes such a crying out.

Was there evidence of man-boy lovemaking in Sodom? The historical Biblical account says:

***"But before they lay down, the men of the city of Sodom, both young and old, all the men from every quarter, surrounded the house. And they called to Lot and said, Where are the men who came to you tonight? Bring them out to us, that we may know (be intimate with) them."*** (Genesis 19:4-5, Parallel Bible)

The men of Sodom – both young and old – surrounded Lot's house to demand that the angels come outside for public sex. Yes, I believe man-boy homosexuality was

practiced in Sodom. One pro-gay writer noted that our cultural “bias” against homosexual acts stemmed from the pervasive influence of Judeo-Christianity. (Cuttingedge Ministries, June 17, 2013).

Today, the world is under assault by the gay community who seek to control and rule the world according to their homosexual tastes and practices.

***“As It Was in the Days of Noah”***

Yeshua the Messiah declared, “But *AS THE DAYS OF NOAH WERE*, so shall also the coming of the Son of man be. For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noah entered into the ark, and knew not until the flood came, and took them all away; so shall also the coming of the Son of man be” (Matt.24:37-39).

In the book of Luke, Yeshua went on to say, “And as it was in the days of Noah, so it will be also in the days of the Son of Man” (Luke 17:26).

The Messiah continued: “Likewise *as it was also in the days of Lot*: They ate, they drank, they bought, they sold, they planted, they built; but on the day that Lot went out of Sodom it rained fire and brimstone from heaven and destroyed them all. Even so will it be in the day when the Son of Man is revealed. In that day, he who is on the housetop, and his goods are in the house, let him not come down to take them away. And likewise the one who is in the field, let him not turn back. Remember Lot’s wife” (Luke 17:28-32).

The cause of the Flood, and the catastrophe that fell upon Sodom and Gomorrah, are highlighted as SIGNS which also would occur at the END of the age, before the coming of Christ to restore order in the earth and to save mankind from self-annihilation!

***‘In the Days of Noah’***

What was the world like in the days of Noah?

In the book of Genesis, we read what the world was really like in the days of Noah, which caused God to lament the fact that He had even created mankind. “And God saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually. And it repented the LORD that he had made man on the earth, and it grieved him at his heart” (Gen.6:5-6). The Hebrew word for "great" here is *rab* and means “abundant,” in every way – size, shape, quantity – a “multitude, abounding, exceeding, vast, large, powerful.” Thus evil DOMINATED the earth at that time – it sat in high offices, governmental authorities, the powers that existed were wicked and shameful through and through.

The Hebrew for “every imagination of the thoughts of his heart” means, THE WHOLE IMAGINATION – the Hebrew signifies also the purposes and desires of the heart – EVERYTHING about mankind's motives, schemes, plots, conquests, lusts, ideas, dreams, fantasies – it was ALL WICKED, building on itself, feeding on itself, growing and multiplying, ALL THE TIME -- incessantly, continuously, without interruption!

Mankind's thoughts were exclusively evil and wicked – “continually,” or, as the Hebrew implies, “EVERY DAY.” And in verse 11 we read: “The earth also was CORRUPT before God, and the earth was FILLED WITH VIOLENCE.” Again, the word for “corrupt” here is *shatach*, and means, “to decay, ruin, cast off, destroy, mar, spill, spoil.” *Gesenius Hebrew-Chaldee Lexicon* says of this word: “To destroy, to ruin, either by laying waste, as a country, region, or field . . . or by pulling down, as walls, a city, or by wounding, or by killing, both individuals and whole peoples.”

In other words, the earth was filled with destruction, of every kind, ruining the planet, including environmental waste and pollution – and it was filled with violence, murders, massacres, and even “ethnic cleansing” and GENOCIDE, during the times of Noah.

The *Jamison, Faucett, Brown Critical, Experimental Commentary* notes, “The corruption had not only become universal, it had assumed a colossal character in the two aspects of lust and cruelty; and so intent were the men of that period in devising means of indulging the lowest propensities of their nature, that not only did they commit deeds of wickedness, but the ‘very imagination of their thoughts’—those embryonic beginnings of emotional mental activity which give moral character to all that proceeds from them—‘were only evil continually.’ The language implies a prodigious excel of depravity.”

The *Adam Clarke Commentary* states, “They were in a state of wickedness. All was corrupt within, and all unrighteous without; neither the science nor practice of religion existed. Piety was gone, and every form of sound words had disappeared. This wickedness was *great [rabbah]*, ‘was multiplied;’ it was continually increasing and multiplying increase by increase, so that the *whole earth* was corrupt before God, and was filled with violence, profligacy among the lower, and cruelty and oppression among the higher classes, being only predominant.”

How similar the world then was to OUR WORLD, TODAY!

### *World of Violence*

The word violence in this verse is *chamac* in Hebrew and means, “violence, wrong, unjust gain, cruelty, damage, false, injustice, oppression.” The earth during Noah's time was filled with wrong, injustice, oppression, and violence – and the world today is filled with the very same thing – the very same EVIL SYSTEM! Governments plunder, rape, destroy, steal, and oppress their people. Nations become enslaved. Freedoms and liberties are lost. Violence, extortion, fraud, and wickedness fill the earth. Part of the cause of these heinous evils and horrendous crimes, is the repudiation and

rejection on the part of mankind of the moral, spiritual and ethical LAWS OF GOD, which themselves produce justice, righteousness, equity, peace, goodness, and genuine concern for one's brother. However, another vitally important factor caused God to become nauseated and furious with the world before the Flood.

In an issue of *Inside Israel Newsletter* (vol.13, no.7), Rabbi Chaim Dov Keller is reported as writing in the "Jewish Observer", "The Midrash (Acharei Mos) tells us that the Generation of the Flood was wiped out only *because they wrote marriage contracts between males just as they did for conventional couples.*" We can better understand the cultural expression "only because" as meaning "the singular primary reason" in importance as the cause why God brought the Flood upon the world at that time in antiquity.

Homosexuality has once again risen to the top in today's foul, bestial, corrupt world, with gay marriages being legalized in state after state, and the Obama administration endorsing homosexual conduct in society and the military.

How did it happen? How do we suddenly find ourselves confronted by such a different, upside-down world and society?

### **The Gay Agenda**

After the Supreme Court's recent monumental gay marriage rulings, the media reported that America has had a rapid change of heart on the issue over the past year.

But that's not exactly true. The nation didn't get to this point overnight. Ten years ago, CBN News began exposing a secret, long-term strategy to convert America into a pro-gay culture.

The 2005 film "Brokeback Mountain" was one of Hollywood's biggest and boldest attempts to gain sympathy, if not outright support, for those practicing the homosexual lifestyle. But it is not just an isolated effort. There is a well-planned propaganda campaign at work – a campaign laid out all the way back in the 1980s. The movie Brokeback Mountain looks like a big, bold, manly Western movie. But instead of the usual "boy meets girl" romance, this film's about "cowboy meets cowboy."

"It is very, very propagandistic because the entire purpose of the movie is to make homosexuality seem like something good and appealing, and to make people who are opposed to homosexuality bigots and homophobes," said David Kupelian, author of *The Marketing of Evil*.

There have been homosexual movies for years, but they are usually marketed to gay and art-house audiences. That was not the case with "Brokeback." "They are marketing Red State, Bush-country America," Kupelian said.

But the way the studio did that was by opening it up in just five Blue State cities where there were large, built-in gay audiences. Consequently, the first showings had blockbuster numbers.

“And they get these high numbers and all the buzz going,” Kupelian said, “and then pretty soon it's sort of like the emperor's new clothes effect: we're all looking at that -- even middle, Christian America, saying, 'Everybody else says this movie is so great. I need to go see it to see why it's so great.’”

### **The Homosexual Agenda**

Is there an actual agenda at work here? Authors Alan Sears and Craig Osten, in a book called *The Homosexual Agenda*, warn about a complex and well-thought-out strategy to make America "gay friendly" and hostile to those who resist.

These Christian authors quote extensively from *After the Ball*, a 1989 gay manifesto that laid out this agenda. Many gays deny such an agenda exists.

Gay activist Toni Broaddus, the executive director of Equality California, asserts, "There's no secret plan or even public plan at this point." But the authors of *After the Ball* discuss in the book about a 1988 summit of gay leaders in Warrenton, Va., who came together to agree on the agenda.

These authors are Marshall Kirk, a reportedly brilliant researcher into the brain, and Hunter Madsen, a Harvard-trained expert in public persuasion tactics.

The two men proposed using tactics on 'straight' America that are remarkably similar to the brainwashing methods of Mao Tse-Tung's Communist Chinese -- mixed with Madison Avenue's most persuasive selling techniques.

What is the purpose of this brainwashing?

According to Kirk and Hudson, it is to use “...the very processes that made America hate us, to turn their hatred into warm regard – whether they like it or not.”

First, they proposed homosexuals and their liberal allies should desensitize heterosexuals by getting homosexuality talked about as much as possible in the straight world.

“The main thing,” the authors said, “is talk about gayness until the issue becomes thoroughly tiresome... You can forget about trying right up front to persuade folks that homosexuality is a 'good' thing. But if you can get them to think it is just 'another' thing, meriting no more than a shrug of the shoulders -- then your battle for legal and social rights is virtually won.”

Sears said, "We're talking about a demand for a behavior that not only wants to not be condemned, but to have every affirmation from every possible point that it is correct, it's good and it's approved."

Now look at the media. Over the past decade there was a tidal wave of gays and gay themes – the Showtime hit "The L Word" follows the lives of a group of lesbians.

From shows like NBC's "Will and Grace" to ABC's "Modern Family", gay themed shows have taken a prominent role in primetime. "Desperate Housewives" and "The Office" even made time for the occasional gay guy subplot.

### **Gays as Victims**

Another point that Kirk and Madsen push is to "portray gays as victims of circumstance and oppression, not as aggressive challengers...Gays must be portrayed as victims in need of protection, so that straights will be inclined, by reflex, to assume the role of protector."

Benjamin Bull of the Alliance Defense Fund said, "Suddenly those who choose homosexual behavior...sodomy...are victims. It's crazy!" But have homosexuals won on getting themselves seen as a persecuted minority?

Turning to the movies, the wildly-popular "Saved" portrays born-again Christians as cruel homophobes trying to re-program poor, young misunderstood gays in their midst. "Trembling Before God" is about how Orthodox and Hasidic homosexuals are persecuted and not accepted.

"The Conspiracy of Silence" argues that some gay priests are hounded to death because they cannot act out their homosexuality. And the good, kind, understanding homosexual next door has been seen in so many movies and TV series that he has become somewhat of a cliché.

These days, roughly 30 regular homosexual characters are being beamed into your home by the major networks every week. As Kirk and Madsen put it, "The average American watches over seven hours of TV daily. Those hours open up a gateway into the private world of straights, through which a Trojan Horse might be passed."

Truly, America has been turning "pink" for decades, and now the chicken is coming home to roost. Where will this "gay agenda" lead our nation, and the world? Who or what is really behind it? Is it a sinister ploy of Satan the devil to destroy mankind, hook, line and sinker? What does history – and Bible prophecy – say?

### ***The End-Time Generation***

"Because iniquity shall abound, the love of many shall wax (grow) cold" (Matthew 24:12). In this verse Jesus Christ tells his disciples about the coming "end of

the Age” and the signs of his coming return to earth. Language of the world today has become openly coarse and filthy as heard in conversations, TV programs, movies and printed matter. The normal filial love of many people has grown cold because of the constant violence, pornography, desensitizing movies and television, and the rampant growth of homosexuality.

Christ declared, “A good man out of the good treasure of his heart brings forth that which is good; and an evil man out of the evil treasure of his heart brings forth that which is evil: for of the abundance of the heart his mouth speaks” (Luke 6:45).

The world today is becoming anti-Christian. The Gay Movement is extremely hostile toward Christianity because it condemns their wicked practices. God knew it would be this way. He knew contrary to men’s opinions, homosexuality leads to violence and gross cruelty.

Therefore, God’s Law expressly states: “If a man lies with a male as he lies with a woman, both of them have committed an abomination (done what is detestable). They shall surely be put to death; their blood will be on their own heads” (Leviticus 20:13). Verses 15-16 say, “If a man mates with an animal he shall surely be put to death and you shall kill the animal. If a woman approaches an animal to have sexual relations with it kill both the woman and the animal. They must be put to death; their blood will be on their own heads.”

This shows what God thinks about sexual immorality and condemns it. In Leviticus 18:22-23 God says, “You shall not lie with mankind as with womankind: it is an abomination. Neither shall you lie with any beast to defile yourself with it. Neither shall any woman stand before a beast to mate with it: it is perversion.”

This lesson is so important that God goes on, saying, “Do not defile yourselves in any of these ways, because this is how the nations that I am going to drive out before you became defiled. So I punished the land, and the *land itself vomited out her inhabitants*. You shall therefore keep my statutes and judgments. The native born and the aliens living among you must not do any of these detestable things. For all these things were done by the people who lived in the land before you and the land became defiled. And if you defile the land, it will vomit you out as it vomited out the nations that were before you.” (verses 24-28, NIV).

Leviticus 18:29-30 adds, “For whoever commits any of these abominations, the persons who commit them shall be cut off (put to death) from among their people. Therefore you shall keep My ordinances, so that you do not commit any of these *abominable customs* which were committed before you, and that you do not *defile yourselves by them*: I AM the Lord your God’.”

Homosexuality was one of the leading detestable practices of those nations. The United States of America has now legally endorsed perversion and wickedness. The U.S.

Supreme Court has legally endorsed same sex marriages and President Obama has endorsed the month of June as Gay Pride month (it was “June Brides” and weddings).

### *The Story of Gibeah*

The following account took place not long after Israel entered the Holy Land, within a generation or so. It is an appalling story of how quickly homosexuality can lead to the destruction of a population.

We read in the book of Judges 19:1, “It came to pass in those days, when there was no king in Israel, that there was a certain Levite sojourning on the side of mount Ephraim, who took to him a concubine out of Bethlehem-judah.”

A concubine was a secondary wife status, but her children had no inheritance – just the children by the first wife were heirs. It was a custom generally recognized in those days of a man having more than one wife. In the beginning God created male and female, Adam and then Eve (one man and one woman to become as one) and commanded that they not be put asunder (split apart). The man was to cleave to his wife. One woman is enough if he is really going to love her, get to know her and take care of her. If you have more than one wife your attention is going to be divided and somewhat negligent.

His concubine had left him and went to her father’s house in Bethlehem-judah and was there for four whole months. The term “*played the harlot*” used here in verse 2 (KJV) does not mean literally that she fooled around with other men. Josephus, Jewish historian and the *Tanakh* say she grew tired of the way the Levite acted toward her—of all of his jealousy, ranting and railings, fighting and accusing—so she returned home to her Dad’s house.

We read in verse 3, “Then her husband took his servant and an extra donkey and went after her to speak kindly to her, “ to reconcile and to persuade her to come back. He apologized and spoke to her heart and the two of them reconciled. After spending five days of warm hospitality—food, drink, and a merry heart at her father’s house—the Levite was not willing to stay longer. The Levite refused to spend the night in a foreign city where there were no Israelites even though it was getting late in the day. At sunset, they came to Gibeah a town in the land of Benjamin. They stopped and rested in the town square, but no one took them in for the night. The people of Gibeah were not hospitable and ignored the travelers.

That evening an old man from the hill country of Ephraim came in from his work in the field, who was also from the mountains of Ephraim; he was staying in Gibeah, whereas the men of the place were Benjaminites. When he looked up, he saw a wayfaring man in the open square of the city. He asked, “Where are you going and where do you come from?”

The Levite responded, “We are on our way from Bethlehem in Judah to a remote area in the hill country of Ephraim where I live. I have been to Bethlehem in Judah and now I am going to the house of the Lord. No one has taken me into his house although we have straw and fodder for our donkeys and bread and wine for myself, for your female servant, and the young man with us. There is no lack of anything.” “Peace be with you (you are welcome at my house)! However, let all your needs be my responsibility; only do not spend the night in the open square.”

So he brought them into the house and gave fodder to the donkeys. And they washed their feet, and did eat and drink. As they were enjoying themselves, suddenly certain men of the city, *perverted men* surrounded the house and beat on the door. They spoke to the master of the house, the old man saying, “Bring out the man who came to your house, that we may know him [have sexual intercourse with him]. But the man, master (owner) of the house went out to them and said: “No, my brethren! I beg you, do not act so wickedly! Since this man is my guest, don’t do this disgraceful thing. Look here is my virgin daughter and his concubine. I will bring them out to you now, and you can use them as you please. But to this man, do not do such a vile thing.”

The men would not listen to him. So they sent the Levite’s concubine outside to them and they raped her and abused her all night long until the morning. At daybreak they let her go and she fell down at the door of the house where her master was and lay there until daylight.

When her master arose in the morning and opened the doors of the house and went out to go his way, there was his concubine, fallen at the door of the house with her hands on the threshold. He said, “Get up! Let’s go!” But there was no answer. Then the man put her on his donkey and set out for home. When he entered his house, he took a knife and laid hold of his concubine and divided her into twelve pieces together with her bones and sent her throughout all the territory of Israel.

Everyone who saw it said: “Such a thing has never been seen or done from the day that the children of Israel came up from the land of Egypt until this day. *Consider it, confer, and speak up!*” “What we are going to do about this?” (Judges 19:3-30).

What he did was not right in defiling the body of a dead person. Apparently, he was so outraged and angry at this total lack of morality and detestable action which resulted in the death of his concubine in Gibeah – that he did this shocking thing as a wake-up call to all Israel to illustrate the severity and moral degradation caused by departure from God’s law. Everyone was doing what was right in their own eyes.

We read, “Then all the leaders of the tribes of Israel from Dan to Beersheba and from the land of Gilead came out as one and assembled before the Lord in Mizpah, four hundred thousand foot soldiers (armed) who drew the sword. Then said the children of Israel, ‘Tell us, how did this wicked deed happen?’ (Word soon reached the land of Benjamin that the other tribes had gone up to Mizpah).

“So the Levite, the husband of the woman who was murdered, answered and said, “My concubine and I went into Gibeah, which belongs to Benjamin, to spend the night. And the men of Gibeah rose against me (came after me) and surrounded the house at night because of me. They intended to kill me, but instead they ravished my concubine so that she died. So I took hold of my concubine, cut her in pieces, and sent her throughout all the territory of the inheritance of Israel: for they have committed lewdness and outrage in Israel. Behold, you are all children of Israel; give your advice and counsel here and now!’ All the people rose as one man, saying, ‘None of us will go to his tent, nor will any turn back to his house. We will go up against Gibeah by lot. One tenth of the men from each tribe will be chosen to supply the warriors with food, and the rest of us will take revenge on Gibeah for this vile thing that they have done.’ All the men of Israel were gathered against the city, united together as one man.” (See Judges 20:1-11).

The account continues, “Then the tribes of Israel sent men through all the tribe of Benjamin, saying “What is this wickedness that has occurred among you? Now therefore deliver us the men, the children of Belial, which are in Gibeah, that we may put them to death, and put away evil from Israel.” But the children of Benjamin would not listen to the voice of their brethren, the children of Israel. Instead, the children of Benjamin at once mobilized twenty-six thousand swordsmen from their town, in addition to seven hundred chosen men from those living in Gibeah, to go to battle against the children of Israel. Among all these soldiers there were seven hundred chosen men who were left-handed, each of whom could sling a stone at a hair’s breadth and not miss. Israel had 400,000 warriors armed with swords not counting Benjamin. Before the battle the children of Israel went up to the house of God to inquire of God and asked God “Which of us shall go up first to battle against the children of Benjamin?” The Lord said, “Judah first!” (verses 12-18).

Verse 18 is the first mention of the children of Israel inquiring of the Lord regarding what action to take. Up to this point the Levite and the children of Israel had acted on their own—“war with Benjamin”. The Israelites left early the next morning and camped near Gibeah. Then they advanced toward Gibeah to attack the men of Benjamin. But Benjamin’s warriors, who were defending the town, came out and killed twenty-two thousand Israelites in the field that day. They went up to Bethel and *wept in the presence of the Lord* until evening and *asked counsel of the Lord*, saying “Shall I go up again to battle against the children of Benjamin my brother?” The Lord said, “Go up against him.” This time they inquired of the Lord.

So they went out to fight Benjamin the second day. This time, when the Benjamites came out from Gibeah to oppose them, the men of Benjamin cut down another eighteen thousand Israelites, all of whom were experienced with a sword.

Then all the Israelites went up to Bethel to the house of God and wept. They sat there before the Lord and *fasted* that day until evening; and they *offered burnt offerings and peace offerings* before the Lord. And the children of Israel inquired of the Lord, (for the Ark of the Covenant of God was there in those days, and Phinehas, the son of Eleazar, the son of Aaron was the priest that stood [ministered] before it). The leaders asked,

*“Shall I yet again go out to battle against the children of my brother Benjamin or shall I cease?”*

After being defeated two days in succession, the children of Israel sought God more seriously. They stopped trusting in their great numbers (own power and might) and humbled themselves by fasting, offering burnt offerings and peace offerings. The Lord said, “Go up, for tomorrow I will deliver them into your hand.”

Then Israel set men in ambush all around Gibeah. On the third day the Israelites assembled at the same place as before. When the warriors of Benjamin came out to attack, they were drawn away from the city. They began to inflict casualties on the Israelites as before, so that about thirty men fell in the open field and on the roads –the one leading to Bethel and the other to Gibeah. While the men of Benjamin were saying, “We are defeating them as before”, the Israelites were saying, “Let’s retreat and draw them away from the city”, as they had agreed upon in advance.

Then Israel’s men in ambush burst forth from their position in the plain of Geba, and ten thousand select men from all Israel came against Gibeah, and the battle was fierce. The fighting was so heavy that the Benjamites did not realize disaster was upon them. The Lord defeated Benjamin before Israel, and on that day the Israelites killed 25,100 Benjamite warriors all of whom were valiant fighters. The appointed signal between the men of Israel and the men in ambush was that they would make a great cloud of smoke rise up from the city, whereupon the men of Israel would turn toward the men of Benjamin and fight.

We read, “When the Benjamites looked behind them and saw the smoke of the whole city going up into the sky, the men of Benjamin panicked, turned their backs before the men of Israel in the direction of the desert. The Israelites surrounded the men of Benjamin and were relentless in chasing them down and overtook them. Who ever came out of the cities, they destroyed in their midst. Only 600 men escaped to the rock of Rimmon, where they lived for four months. The men then turned back against the children of Benjamin and struck them down with the edge of the sword from every city, men and beasts, all who were found. They also set fire to all the cities they came to” (Judges 20:1-48).

Phinehas, grandson of Aaron, was still alive and serving as high priest in Israel at Bethel where the Ark of the Covenant was when this occurred in the nation of Israel. The whole tribe of Benjamin was covering up for the perverted men in Gibeah—rapists, murderers, homosexuals – and chose to fight for their “so called rights” instead of obeying God’s laws.

This historical account should show us how detestable the sin of homosexuality is in the sight of Almighty God! It is a crime against nature, and the God who made us male and female.

### ***The Sin of Homosexuality***

In the book of Romans, the apostle Paul writes, “The wrath of God is revealed from heaven against all ungodliness and unrighteousness of men, who hold the truth in unrighteousness; Because that which may be known of God is manifest in them; for God has shown it unto them. For the invisible things of him from the Creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that *they are without excuse*: because when they knew God, they glorified him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. *God gave them up to uncleanness through the lusts of their own hearts*, to dishonor their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed forever.

“For this reason God gave them up to *vile affections*: for even their women did change the natural use into that which is against nature; and Likewise also the men, leaving the natural use of the woman, *burned in their lust one toward another; men with men working that which is unseemly*, and receiving in themselves that recompense (reward of their error) which was meet (due) [such as venereal diseases, STD’s, AIDS, etc.]

“Even as they did not like to retain God in their knowledge, God gave them over to a *reprobate mind*, to do those things which are not convenient” (Romans 1:18-28).

Paul continues, “Who knowing the judgment of God, that they which commit such thing are worthy of death, not only do the same, but have pleasure in them that do them.” (Rom.1:32).

The apostle Peter also discusses this inflammatory issue. Peter tells us, “God spared not the angels that sinned but cast them down to hell to pits of darkness until judgment day. God spared not the old world but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; and *turning the cities of Sodom and Gomorrah into ashes condemning them to destruction, making them an example of those that should live ungodly*” (II Peter 2:4-6). ,

“The Lord knows how to deliver the godly out of temptations, and to reserve the unjust unto the Day of Judgment to be punished.” (verse 9).

The apostle Jude also warns us of the calamity which comes from the sin of homosexuality and licentiousness. Jude writes, “And the angels which kept not their first estate, but left their own habitation, he has reserved in everlasting chains under darkness unto the judgment of the great day. *As Sodom and Gomorrah and the cities around them in a similar manner to these, having given themselves over to sexual immorality and gone after strange flesh*, are set forth as an example suffering the vengeance of eternal fire.” (Jude 6-7).

This is what is ahead for the world, if we do not REPENT of these dastardly, evil, abominable and detestable SINS!

God means what He says! God's Word will not be mocked. As a man sows, so shall he reap!

### *God's Law Versus Homosexuality*

The Bible, the Word of the living God and our Creator, consistently tells us that homosexuality is a sin. Sodom and Gomorrah were punished with a fiery destruction because of this rampant sin (see Genesis 19:1-13). God's Law, the Torah, states: "You shall not lie with a male as with a woman; it is an ABOMINATION" Leviticus 18:22).

The apostle Paul was inspired by God to write in Romans 1:26-27: "For this reason God gave them over to vile passions. For even their women exchanged the natural use for what is against nature. Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful and receiving in themselves the penalty of their error [disease such as AIDS] which was due."

In 1 Corinthians 6:9-10, the apostle Paul declares unequivocally, "Do you not know that the unrighteous will not inherit the kingdom of God? Do not be deceived. Neither fornicators, nor idolaters, nor adulterers, nor homosexuals [Greek, catamites, those submitting to homo-sexuals], nor sodomites [male homo-sexuals], nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners will inherit the kingdom of God."

Homosexuality is described as an abomination. Romans 1:26-27 teaches explicitly that homosexuality is a result of a continual rebellion against God. When people continue in disbelief, the Bible tells us that God "gives them over," allowing them to experience their sinful desires and the resulting consequences. First Corinthians 6:9 proclaims that homosexuals will not inherit the kingdom of God. Homosexuality is immoral and unnatural. It is a perversion of the "natural order" and, more importantly, of God's view of sex and God's laws concerning human sexuality.

This is serious. God means what He says. A rebellious world ought to take note, and careful heed, of these divine warnings.

As the apostle Jude wrote, "As Sodom and Gomorrah, and the cities around them in a similar manner to these [the rebellious angels], having given themselves over to sexual immorality and gone after strange flesh, are set forth as an example, suffering the vengeance of eternal fire" (Jude 7). The fire was "eternal" in the sense that it eternally obliterated and totally consumed to ashes those wretched cities noted and infamous for their vile behavior.

With all that said, the Bible does not describe homosexuality as a greater sin than any other. All sin is offensive to God. Homosexuality is just one of the many things listed in 1 Corinthians 6:9-10 that will keep a person from the kingdom of God.

According to the Bible, God's forgiveness is just as available to a homosexual as it is to an adulterer, idol worshipper, murderer, thief, etc. God also promises the strength for victory over sin, including the sin of homosexuality, to all those who will believe in Jesus Christ for their salvation and call upon God for spiritual help to be overcomers (1 Corinthians 6:11; 2 Corinthians 5:17; Phil.2:12-13; 4:13).

While the Bible declares that God hates sin, and all workers of iniquity (Psalm 5:5), the Bible nowhere singles out homosexuals as special objects of God's hatred. He desires that all mankind repent of their sinful ways and shameful deeds and disobedient actions, and turn to Him with thoroughly humbled and repentant hearts and minds, like Job (Job 42:6) and David (Psalm 51:1-2, 10-11).

God does not hate the sinner who is willing to repent and change his evil ways. God declares: "But if a wicked man turns from all his sins which he has committed, keeps all My statutes, and does what is lawful and right, he shall surely live; he shall not die. None of the transgressions which he has committed shall be remembered against him; because of the righteousness which he has done, he shall live. Do I have any pleasure at all that the wicked should die? Says the Lord GOD, and not that he should turn from his ways and live?" (Ezek.18:21-23).

God's Word thunders, "Repent, and turn from all your transgressions, so that iniquity shall not be your ruin. Cast away from you all the transgressions which you have committed, and get yourselves a new heart and a new spirit. For why should you die, O house of Israel? For I have no pleasure in the death of one who dies, says the Lord GOD. Therefore turn and live!" (Ezek.18:30-32).

The simple truth is that God hates wickedness. Homosexuality is a form of wickedness, deviancy, and perversion. It is contrary to nature and God's laws ordained for our well-being and success in life. Homosexuals, and all sinners, would do well to learn this valuable lesson, before it is too late, for the day of judgment is truly drawing close..

The bottom line is, as we are told in the book of Revelation, "But the cowardly, unbelieving, abominable, murderers, sexually immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death" (Rev.21:8). According to the laws of the Creator, sexual immorality includes the lawless sin of homosexuality. God means what He says. As the apostle Paul wrote, "Do not be deceived. God is not mocked: for whatever a man sows, that he will also reap" (Gal.6:7)

The judgment of this world lingers not. The time to repent and seek God is now.

# What Day Is God's Real, Holy SABBATH ?

Is God's Sabbath abolished with the "Old Covenant"?  
Was the Sabbath merely part of the rituals and abolished  
at the Cross? Or is the Sabbath Day an eternal command  
to be observed by His true people, today?

Sunday observance is NOWHERE commanded in the Bible! So why do so many "Christians" observe Sunday, which was the *day of the ancient pagan Sun god*, of Mithraism and Baal? Yet millions observe this day as "if" it were God's holy Sabbath! Yet the Seventh Day Sabbath, the day the Jews observe, was also observed by the EARLY CHURCH, the apostles, and JESUS CHRIST HIMSELF! It is mentioned hundreds of times in the Bible and *COMMANDED TO BE OBSERVED BY GOD'S PEOPLE!*

Does it make any difference WHICH day we observe? "There is a way that seems right to a man, but the END thereof are the ways of DEATH"! (Prov.14:12). It makes a BIG DIFFERENCE *in the sight of Almighty GOD!*

In this challenging new booklet, we dare to reveal a shocking case of religious fraud and deception. It is time you know the TRUTH about the Sabbath versus Sunday controversy. Read in this astounding new booklet the true history of the Sabbath, the shocking origins of Sunday worship, Scriptural evidence and proof the Sabbath is not abolished, where the Jews and rabbis went wrong on Sabbath worship, and how we should keep God's true Sabbath – the covenant sign between Him and His people, holy.

### *HAG SAMEACH – HAVE A JOYOUS FEAST!*

Omak, is a picturesque, old-fashioned cowboy and western town, on the east side of the Cascade mountains sixty miles south of Canada, with the beautiful Okanogan River running through it. Omak is a spectacular site to “get away from it all” and congregate together to worship and rejoice before God!

We will keep the Feast as GOD COMMANDED – we will expound and teach what God commands – “that your generations may KNOW that I made the children of Israel to  *dwell in booths*, when I brought them out of the land of Egypt” (v.43). We will build lovely “sukkot” dwellings for fellowship and spiritual enjoyment as God commanded.

We will wave the “lulavs” – “the boughs of goodly trees, branches of palm trees, and willows of the brook” (verse 40), and “REJOICE before the LORD” (same verse)! There will also be messages on Christian living, overcoming, Biblical doctrine, and Bible prophecy and the coming Kingdom of God! Bring your shofars and lulavs and hearty appetites for God’s Truth and good spiritual fellowship and feasting! And we will “REJOICE” with “*joy unspeakable and full of glory*”!

In these times of deadly peril, growing world troubles, and onrushing planetary crises, with Great Tribulation beginning to stir and blow, God’s people need to get together, fellowship, and be instructed on what to do and how to prepare for coming hard times. There is a tremendous joyous spirit and feeling of camaraderie and outgoing love among those who celebrate the Feast with us in Omak! It is incredible! And the revelations from the Scriptures

during the messages is awesome! “Omak” in the Indian language means “Good Medicine.” The Feast will be “good medicine” for your heart, mind, body, soul, and spirit!

If you wish to come, please call us for reservations and further information, at 509-826-7997 or let us know by email at [triumphpro@aol.com](mailto:triumphpro@aol.com). Due to many factors, we do not expect a large number of people at the Feast in person this year. It is more like an extended family festival and get-together or reunion. Very personable, very joyous, daily fellowship and meetings. Most who are unable to come will be hooking up by telephone hook-up conference call, or listening through our live streaming on the internet. But for those who can come, it will be a very joyful, spiritual experience.

## Letters from Our Readers

“As I watch the inroads being made by defiant ‘gay’ organizations, where are the nation’s churches? No doubt where people are who see the beast system growing. When apathy becomes so multi-layered, urgency is buried under its weight. What’s so alarming is to see the country destroying itself, yet because we are able to shop until we drop, and eat until we are about to burst, we see no reason to change.

“Christianity has become embarrassing. Where is its spine and backbone? It’s ridiculed as weak because the counterfeit gospel which has grown like an out-of-control weed has emphasized a perverted message of what love is, and we are paying a deadly price for being spiritually correct.

“Many thanks for the strong message you are presenting. I pray that God blesses what you are doing.”

-- Richard Markland, Ohio

““ May our Lord and King Yeshua bless you and your loved ones and may He keep you under His loving care.

“Our world today is upside down, like Alexandr Solzhenitsyn once said: ‘Men have forgotten God – that’s why all this happened . . .’ Today I got the news on how the UN is trying to come up with an international treaty to ban all weapons, and the Obama administration is supporting it with all they’ve got. This concerns me because history tells us that prior to committing genocide Ottoman Turkey, the U.S.S.R., Nazi Germany, China, Uganda and Cambodia all passed strong gun control laws—like Uganda’s 1971-1979 genocide against Christians and political rivals. The Firearms Act of 1970 was passed. Could this happen in America the Beautiful? Or on a global scale?

George Mason warned: ‘To disarm the people is the best and most effectual way to enslave them.’ We are living in some dangerous times! People inform themselves mostly through the

lamestream media and never bother to search further and they are accepting Socialism under the label of Liberalism without even knowing it!

“Also, I remember in your article ‘The Pope, Papacy and Prophecy,’ and ‘Coming – a Modern Roman Empire?’ where you mentioned the prophecies of Malachy and how they had been with a certain level of accuracy, well, you also included comments on the ‘Jesuits’ that caught my eye because I’m of Spanish stock and I know that Spain has always been a Catholic country but even they had to expel the Jesuits many times. Also, even John Paul II said that Jesuits were an organization that worried him. Many heard that Malachy called this Pope ‘Petrus Romanus’ and because the recent new Pope Francis is out of Argentina, they automatically drop the subject, it is very well known that Pope Francis is Italian, he was just born in Argentina, which by the way is 85% of European origin. . .

“Saint Francis of Assisi is who the new Pope is named after. It is said that Francis of Assisi had a vision that a spirit being told him to ‘change the Church.’ The new Pope is also changing many traditions and by doing this he makes headlines worldwide as a ‘humble man.’ This reminded me of Matthew 7:15 [‘beware of wolves in sheep’s clothing’ – editor]. . .

The new Pope went and washed the feet of some prisoners, women and some Muslims. He also called for Israel and Palestinians to ‘unite for peace.’ Yeshua said in Matthew 10:34-35 that He did not come to send ‘peace’ on earth but a sword, not ‘unity’ but division. He came to separate the ‘real from the fake without making a mistake,’ but today people have got the wrong definition of ‘peace’ and ‘unity’ and Satan took advantage of it.

“Today we see our American president, the leader of the free world, who carries a replica of the Hindu god Hanuman in his pocket. Also in August 24, 2008, Carolyn Sauvage-Mar accepted a two-foot god-plated Hanuman as a gift to Obama from India’s congress party leader Brig

Mohan Bama, after it was 'sanctified' by Hindu temple priests, all this while Obama claims to be a 'Christian', wearing a ring with Islamic quotations on it. I also heard New Agers calling him 'a great master' and 'a transcendental leader overlit by spirit.' Obama's got people like Rick Warren for a common faith and common good, he is the point of connection of many religious groups and all this is happening exactly when New Agers are expecting 'Lord Maitreya,' Christians expecting 'Christ,' Jews the 'Messiah,' the Buddhists the 'fifty Buddah,' the Hindus call it 'Krishna' and the Muslims 'the Iman Mahdi.' I believe they all would come together in the name of 'humanity.' That's the religious field, while on the political area, our president plays with Socialist policies, the new world order is coming. That's no secret. I think we are witnessing the final steps, when the Western Capitalism (thesis) and the Eastern Communism (antithesis) will meet half way into Socialism (synthesis) on a global scale . . . all this is really scary, specially on the spiritual condition our country is in right this moment, without God. Even small countries like North Korea, are a huge threat to us. This ain't conspiracy theories. All this are facts happening and moving fast, the day when we will see Jesus coming to earth with all His glory is approaching very soon.

"I might not get to know you face to face in this era, but I want to thank you for your effort, courage and dedication to bring the truth from the mountain of Ephraim for all the nations to see. This ministry has played a huge role in my walking with God. I love you so much, and I hope this ministry keeps going strong, even in the world tomorrow. I pray for you daily, so does my family, you're not alone, even if sometimes you feel like it. The Day of the Lord will be a terrible thing for many but a delightful day for us who wait on it with passion, faith and deep emotion. You always quoted often the verse that says, 'O Israel, prepare to meet your God!' That phrase always gets me emotional. I know you know what I mean.

YHVH bless you and keep you;  
YHVH lift up His countenance  
upon you; and give you Shalom  
– Numbers 6:24-26

"P.S. Have you noticed the wakening in people to the topic of 'The Return of the Nephilim'? I recommend you check out the material of L.A.

Marzulli, Tom Horn and Chris Putnam. It's really eye-opening!"

-- USA

"We are to the point that when we wake up each morning, we must make sure our minds are focused on God. A statement like this is easy to say, but it's becoming more and more difficult to do because evil is everywhere.

"If we realize there are consequences for sin, we are not surprised that lightning struck a Boy Scout camp in New Hampshire, just after the leaders of the organization approved the admission of gay scouts.

"We shouldn't be surprised when the Supreme Court endorses perverted civil unions, and shortly thereafter, liberal western states have been smothering under oppressive heat. It's noteworthy to see the hottest temperatures in the country are in Death Valley. It's symbolic of what is happening to the country. We are under a death penalty for our rebellion against God.

"The US Senate has just paved the way for the legalization of millions of illegals. It's an action that is determined to have us invaded, all for the sake of votes and turning us into a Gentile nation.

"The states on the Mexican border are all experiencing temperatures from the depths of hell, even Texas, which is known for being conservative. When seeing how one lone feminist lawmaker succeeded in thwarting plans to close abortion clinics by lawmakers in Texas, should we be surprised that the whole state is suffering the consequences for continuing to kill the unborn?

"When seeing what's happening to Arizona, there's anger in the flames that has killed nineteen fire-fighters and destroyed thousands of homes. It's only a matter of time until major cities are affected, as bone dry conditions destroy crops and water supplies are depleted in states where people are soon going to see that their very survival is at stake.

"God is making Himself known, but our blindness as a country is preventing us from seeing the obvious.

"You are in my prayers daily, and they include Cappy and everyone involved in the work you

are doing.”

-- Richard Markland, Ohio

“It’s more than evident that you have a sense of urgency about what’s taking place in this country and the world. A warning must be given more than ever.

“Everyone should be alarmed by the direction the country is taking, and how people are being manipulated by the abuse of power in the hands of those who are determined to render us into submission.

“Steps are being taken by those who defend the right to bear arms, but they are being countered by an increasing number of officials and people who are determined to strip away gun ownership. We are on a collision course without a positive outcome.

“Tyranny is growing, and treason is being committed by President Obama and political leaders in Washington. What Americans don’t realize is that the power of the pen by this president will have the final say. This government knows that the defenders of the second amendment will stand up and be counted. It’s a matter of out-foxing the fox, or manipulating the American people in order to strip away freedoms through subtle means, and justifying every measure taken.

“Americans are being offered the illusion of freedom by having the government enforce security measures upon us, with overemphasis placed upon threats that can be created out of thin air. Many people are falling for the lies and are more than willing to give themselves over to Big Brother, if it means ‘greater safety.’

“This president is involved in one scandal after another, yet he denies any personal involvement. The National Security Agency (NSA), under Obama’s direction, ordered this branch of our military to spy on the American people. Google, Facebook and Apple have willingly turned over personal information. It’s called ‘grazing,’ but it’s equivalent to being hazed by those who are an integral part of the prophesied beast system of Revelation 13 and 17. Tragically it’s not recognized as such by the vast majority of people.

“Americans are basically grunting, groaning, huffing and puffing about what has been going

on for years. Some people will go so far as to call Rush Limbaugh, Sean Hannity or other conservative talk show hosts on radio to express outrage, but it’s just so much hot air. The Constitution is being destroyed piece by piece, day after day. When a people have become this complacent, a whimper and a whine is all that is heard.

“Washington has become the enemy of the American people. By stealing personal information, freedom and liberty is destroyed. What’s happening is open-ended in where it’s taking us. The American people have already surrendered, but we naively believe the madness will somehow be stopped if we vote for new faces in Washington, or more guns are purchased.

“The rule of law is going to be replaced by iron fist lawlessness in the hands of corrupt leaders who have no respect for the Constitution, and are spiritually bankrupt. President Obama has become America’s Adolph Hitler, but people don’t have a clue that the nation’s first dictator in the making isn’t seen as such because we’ve never had anyone quite like this president.

“The race card is the key. Instead of seeing the country being dismantled piece by piece, due to unconstitutional policies, attacks against what Obama is doing are considered racist by many of his supporters. This president simply has an insatiable desire for unlimited power, and will do whatever it takes to obtain it.

“The prophesied beast system doesn’t have to be enforced by the point of a gun with the orders to shoot or arrest anyone who disagrees with it. Black helicopters, tanks on America’s streets, drones from coast to coast, or soldiers stationed to ‘protect’ us, without public outrage will become a reality. We’ve already surrendered as a people by believing freedoms have to be sacrificed in order to be safe. Our gradual enslavement is seductive because we are being told our enemies are out to get us, and could strike at any moment. Because we are a MacDonald’s and Walmart generation, we aren’t alarmed as long as we can satisfy our insatiable appetite for instant gratification, and if a police state, at least we are safe.

“Deep down inside we are an uncertain and frightened generation. We are softer than we’ve ever been. The government has convinced us

that it is for our own good when freedoms are removed. It's being done in small ways, which will result in sweeping changes that will become a total nightmare.

“What happened in Boston was a warning of what we will become as a country. Over 9,000 American storm-troopers were used to search for one lone terrorist after his brother was killed. The Boston and Watertown areas were under a state of siege by our own American SS. When all was said and done, America's Gestapo was praised as heroes, even though freedom of movement was not permitted, and residents became prisoners in their own homes. We were shown our future, yet most Americans haven't seen the handwriting on the wall.

“Many Americans do not believe the government will be able to confiscate guns from millions of gun owners. An increasing number of Americans believe we are headed for a second American Revolution. Will it, however, be obvious if the government takes steps to confiscate firearms or will it be subtle and catch many by surprise?

“When realizing big government is how the prophesied beast system is established, it's how God's judgment is carried out upon the country. Leviticus 26 and Deuteronomy 28 state we will be facing a two staged captivity. The first of the two stages will be by the US government. The second stage will be by our enemies from abroad.

“As you know, Revelation 13:4 states Satan will give authority and power to the beast system. Anyone who challenges it won't succeed. It doesn't mean, however, that there won't be elements of resistance. If it states, ‘Who can make war with the beast?’ this isn't realized to its fullest extent unless challenged in a violent way.

“To establish an American totalitarian state, there are different ways to bring it about. Make believe threats craftily put together would rattle the country easily, and has no doubt already been done. Actual attacks from domestic and foreign terrorist cells would be a way to justify granting President Obama sweeping powers. Terrorist attacks instigated by the US government is not far-fetched, if it's a means to a sinister end.

“There is no doubt in my mind that the American people are going to be caught completely off guard. Because people are not watching what's taking place, and Bible prophecy is being neglected, our naïve view of what's happening is setting us up for our collapse as a country and its takeover by our enemies. I Thessalonians 5:3— ‘For when they shall say, Peace and safety, then sudden destruction comes upon them, as travail upon a woman with child; and they shall not escape.’

“The longer this present system is allowed to thrive, the more people are going to be lulled into believing less freedom is for our own good. More people rely on the government than ever before, and it's all by design. The beast system is developing before our very eyes, and it's being accommodated and encouraged by a generation that's rejected God. This is why it will succeed.

“Thanks for all you do, and my prayers continue for you, Cappy, and everyone involved in what you are doing. It's encouraging to read the articles you are writing. Comments have been made by others, and the fact that you are willing to speak out is what is catching the attention of readers.”

-- Richard Markland, Ohio

“I think it says somewhere that the Egyptians will be fighting each other at the time of the end and that seems to be the case in Egypt now.

“The stupidity of the Florida court case could cause much trouble here in the U.S.

“I think the Florida jury gave a just decision in finding Zimmerman not guilty because the evidence that was presented verified that the person who was shot was on top of the shooter. I know there has been talk about the dead person was an innocent teenager but that is no excuse.

“I have heard all my life about how the white race has treated and acted toward the black race. I have seen as much black animosity toward the white in many cases but think that anyone living in the United States should be thankful that they have had the opportunity to live here and benefit from the blessings that God has given to the descendants of Abraham. Most people do not realize how much God has blessed us and we have not deserved it.

“If people would only look at the rest of the world and see that we have been blessed because of God’s promise to Abraham. As God takes the blessings from the tribes of Israel, and we receive the cursings of God for disobedience, some people will wake up and realize that there is a supreme Creator God and repent of their wrong ways.

“I have come to the conclusion that everything that man has developed on this earth has to be destroyed again like the Flood of Noah and started over GOD’s way which is the only way to go.

“When you think about people have to be taught how to even eat properly. Most people will eat anything that cannot bite them back and wonder why they are sick.

“I know some of our sickness today is the cause of our genetics. Being cruel about this and in comparison you do not match a high grade cow with a scrub bull.

“It says at the time of the end people will be marrying and given in marriage, so when you think about it, God was in the right in telling Israel they should not take the daughters of the strangers for wives, and also not to give the Israelite daughters to strangers for wives.

“When you think just about the basics, we have a lot to learn, and starting over from scratch is going to be a hard wake up call. Many rough years lie ahead for this earth and the masses are totally in the dark.

“Hasten Yeshuah’s return to this earth and the restoration of God’s Kingdom here.”  
-- Charles Rearick, Ohio

“Isaiah 19:2 appears to be what is happening in Egypt today and/ or will be happening in Egypt.”  
-- Canada

COMMENT: How true. “I will set Egyptians against Egyptians; everyone will fight against his brother, and everyone against his neighbor, city against city, kingdom against kingdom. The spirit of Egypt will fail in its midst; I will destroy their counsel . . . . And the Egyptians I will give into the hand of a cruel master, and a fierce king will rule over them” (Isaiah 19:2-4). The prophecy goes on to say even the Nile River will be dried up and turned foul (vs.5-8). Egypt’s

destiny is to be punished for their sins against God’s people and the nation of Judah, modern day “Israel.” So says the Word of God.

He executes justice for the orphan and the widow and shows His love for the alien by giving him food and clothing’ – Deut.10:17-18.

“He is our praise and our God who has done great and awesome things. Let us proclaim His praises!

“Love to you both and all the brethren in Omak and in Yeshua Messiah.”

“I would like to share something with you. In your booklet ‘Planet X and Worlds in Collision,’ page 32 you stated: ‘The Exodus, which occurred in 1491 B.C., was approximately 3500 years ago.’ So you believe that the Exodus occurred in 1491 B.C.

“In Zechariah Sitchin’s book *The End of Days*, page 312, he stated that Mayan lore ‘puportedly held that the present Sun or Age would end with the 13<sup>th</sup> Baktun,’ or 1,872,000 days later. If you divide this number by a year of 365.25 days, you get 5,125 years. If you subtract 3,113 years (B.C.) from 5,125, you get 2012. . . .”

COMMENT: Hold the phone! Everyone has been focused on 2012 as the end of the Mayan calendar. However, in going from B.C. to A..D. dates, we must cross over the BC-AD horizon, and there is no year “zero” A.D. Therefore, you must “add 1” when computing dates from B.C. to A.D. Therefore:

5125 years (13<sup>th</sup> Baktun)  
3113 B.C. (starting date)  
2012 A.D  
+1 (no year zero)  
**2013 A.D.!!!**

In other words, the Mayan calendar really ends Deember 21, 2013 – not 2012 A.D.! Incredible! How has the world, and Mayan investigators, overlooked this principle? It is a common mistake. Astronomers often make it. But historians ought to know better.

The end of the Mayan 13<sup>th</sup> Baktun is really December 2013 A.D. – the very month the ISON comet in all its glory and brilliance is scheduled to make its appearance on the stage. This is the real time presaging the “end” of the world, as we know it, or the “end times.”

“Thanks once again for an excellent issue of Prophecy Flash and Bible Study transcripts that are always interesting and encouraging.

“When looking at how the mainstream media continue to deteriorate, and news is quantity, and not quality, we are hearing and reading an increasing amount of news that is tabloid with no substance.

“When hearing reports of the terrorist threat that has prompted the closing of U.S. Embassies, I questioned if the threat was/is real, or is this the Obama administration’s way of making up for the Benghazi deception and mountain of lies? I’ve yet to be convinced this is a real threat, yet it is a way to distract people from the treason and absolute tyranny taking place under the worst president in history. I notice that increased security measures are taking place in the US and we are edging closer and closer by the day to the beast system in all its horror, which means a total police state.

“Satan’s invisible kingdom became more visible when seeing the demon-possessed individual who deliberately targeted people in Venice Beach, California. It happened suddenly and is

going to become a common occurrence in area’s we’ve always considered safe zones.

“Continue to speak out on what President Obama, our political leaders, and the people of this country are doing. I appreciate what you say in articles without fearing what people might say.

“I’ve been disturbed for some time by an attitude that is becoming more prevalent in the various Churches of God. There’s a belief that’s growing in which the worst is over. It’s erroneously believed that the world’s been warned, and when seeing how an increasing number of sermons are about personal salvation, should it be surprising that there’s so much inner squabbling and a tragic spiritual condition?”

“I have found that the book that you wrote back in the days when you were a member of the Worldwide Church of God, *THE LAST DAYS OF PLANET EARTH*, is still very timely after more than 30 years (it was published by the Triumph Publishing Company that you started up in 1974, copyright 1981).

“These chapters I find very timely from that book *The Last Days of Planet Earth*.

“Chapter 2 – The Wild Inflation Fling and the Coming Big Bust.

“Chapter 3 – The Decline and Fall of the United States of America.

“1981 was the year that Ronald Reagan began his presidency. There was also an assassination attempt on him in March 1981, not long after his inauguration in January 1981.”
