

## Year of Prophetic Convergence – Signs of the Times

Father we come before your great throne in heaven as a congregation to worship you. We give you thanks this day for your wonderful works of love and mercy you continue to give to the children of men. Forgive us of our misunderstandings, errors and selfishness. We pray for your guidance to keep our feet and mind in the pathway of life everlasting. Your word is a lamp to our feet and a light to our path. Thank you for your revelation to us of your great plan of salvation that you are working out for each one of us here below. Continually guide, guard, direct and protect us through the power of your Holy Spirit. Our heart's desire is to do your will as your servants and to be a bright and shining light to others in this darkening world of sin and corruption. Create a clean heart and renew a right spirit in us. We desire to radiate your spirit of joy, exemplify your righteousness, love our neighbor and do what is just. In love and adoration for you the one true God, we ask these things in the holy, perfect and righteous name of Yeshua, your son and our Savior. Amen.

Each day is the day the Lord has made and I continually say, "Let us rejoice in it". Every day we awaken, is a gift of the Lord in which we have the opportunity to draw closer to him in worship and celebration of life. There is much to rejoice about. Stop and think about it in the attitude of gratitude. It is easy to get into a rut, become tired of daily routine and unthankful for what we have by taking for granted what we do have. So often, depression occurs because of taking our eyes off of Christ and his word. How can any of us survive if we get our eyes off of Christ and off of God's laws and ignoring what he has done for us and is doing—daily inspiring us onward? **Hebrews 3:1**—"Therefore, holy brethren, partakers of the heavenly calling, consider the Apostle and High Priest of our confession, **Christ Jesus**" [Christ, God's son was faithful].

Today is the 29<sup>th</sup> day of Av, according to the true biblical calendar inspired by God and given to mankind. The Jewish calendar is a day ahead of us because they go by a fixed mathematical calendar instead of going by the observed new moons. Posted on our website, [triumphpro.info](http://triumphpro.info) there is a seven page article about "The Hebrew Calendar, What's Wrong with It?"

When I speak of the Great Tribulation, I am not talking about the last seven years and Daniel's 70<sup>th</sup> week. When I say it is about or soon to begin, I am thinking of the great tribulation as mentioned in Revelation 12 and also Daniel 7. **Daniel 7:25**—"He shall speak pompous words against the Most High, Shall persecute the saints of the Most High, and shall intend to change times and law. Then the saints shall be given into his hand for a time and times and half a time." **Revelation 12:14**—"But the woman was given two wings of a great eagle, that she might fly into the wilderness to her place, where she is nourished for a time and times and half a time, from the presence of the serpent."

That is a time plus two more times, which is a year plus two more years and one-half a year, or **three and one-half years** of great tribulation.

In **Revelation 13:1-4**—John speaks of a beast that rises out of the sea that is given a mouth speaking great things and blasphemies, and he was “given authority to continue for forty-two months.” “And all the world marveled and followed the beast, and they worshiped the beast, saying, ‘Who is like the beast? Who is able to make war with him?’ ” **Verse 5**—“He was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months.” *Forty-two months is 3 ½ years.* Seven years would be 84 months, twice as long. This beast is going to continue for forty-two months (3 ½ years).

What is this beast going to do? His mouth uttered proud words and blasphemies and he exercised authority for forty-two months (3 ½ years). **Verses 5-7**—“It was given power to:

- openly blaspheme God, and slander his name and his dwelling place and those who live in heaven.
- wage war against God’s holy people and to conquer them.
- have authority over every tribe, people, language and nation.
- All inhabitants of the earth will worship the beast—all whose names have not been written in the Lamb’s book of life, the Lamb who was slain from the creation of the world.

I think it very likely, that we have entered Daniel’s 70 year or the final seven years of this age. Counting seven years from this year 2015, seven years brings us to 2022. There is a lot of confusion on the counting of this because people have a hard time understanding and commentators have a hard time interpreting or even agreeing with one another on this final verse of **Daniel 9:25**—“Know therefore and understand, that from the going forth of the commandment to restore and to build Jerusalem unto the Messiah the Prince shall be seven weeks, and threescore and two weeks: the street shall be built again, and the wall, even in troublous times.

**Daniel 9:26**—“And after threescore and two weeks shall Messiah be cut off, but not for himself: and the people of the prince (*of this world*) that shall come shall destroy the city and the sanctuary; and the end thereof shall be with a flood, and unto the end of the war desolations are determined.” “The people of the prince” is referring back to the prince of this world—prince of end-time Babylon/Rome, or Assyria—in other words, *the New World Order*.

**Daniel 9:27**—“And he shall confirm the covenant with the many for one week: and in the midst of the week he shall cause the sacrifice and the oblation to cease, and for the overspreading of abominations he shall make it desolate, even until the consummation, and that determined shall be poured upon the desolate.” A week is seven days, or possibly 7 years.

This leading figure will make, confirm or compel/force a treaty (covenant) of some kind with many for one week. It does not say exactly what kind. I personally think that this

could well be agreement that President Obama plus the five and the United Nations has hammered out with the nation of Iran to forestall (slow down) development of their nuclear weapons.

If someone says the Great Tribulation is seven years long this is where the confusion begins.

*Prophecy News Watch* (7.21.15) R.L. Adler. "Heaven's Timing and the Nuclear Deal with Iran." The Three Weeks called *between the straights* is a period of mourning observed each year by the Jewish people in memorial of the destruction of the Holy temple in Jerusalem by Nebuchadnezzar and the Babylonians in 586 BC and then later by the Romans in 70 AD. The period starts on Tammuz 17 and ends on Av 9, the day when both temples were destroyed.

"In comparing the deal with Iran to the Munich Agreement between British Prime Minister Neville Chamberlain and Hitler in 1938, Rabbi Lazer Brody wrote, 'Now, 77 years later, during the notorious *three weeks between* the 17 of Tammuz and Tisha B'Av, the U.S.A. had reaffirmed its commitment to hedonism by appeasing Iran and signing a nuclear agreement that is not worth the skin of a garlic clove. The carefully choreographed timing of the announcement after so many delays could not have been more significant from the Jewish point of view, given that it fell on July 14 (27 Tammuz, right in the middle of the "Three weeks" period from the fast of Tammuz 17 (July 4) until the Fast of Tisha B'Av (July 26) when we (the Jews) soul-searchingly contemplate our collective past, our present and our future destiny', he wrote. The US congress has 60 days to review and vote to either ratify or nix the nuclear deal. On the Jewish calendar, 60 days from the day the Iran nuclear deal was signed falls on Rosh Hoshana, the Jewish New Year. Thus, the final decision will likely be announced on the period between the Jewish holidays of Rosh Hashana and Yom Kippur known as the Ten Days of Repentance. These are days of judgment (10 Days of Awe) for the Jewish people."

The article *The Ten Days of Awe* is on our website which discusses the final ten years of this age leading up to the coming of the Messiah. It is also available in hard copy upon request. These ten years may have begun with the re-election of President Obama in 2012 which was significantly the end of the Mayan calendar, and we are now in the interim of the Ten Days of Awe. The ten days of Awe are here and we have already gone through three of them and seven remain, beginning this year 2015 to 2020 to 2022. Time can also be cut short, because Christ himself said, in **Matthew 24:22**—"And unless those days were shortened, no flesh would be saved; but for the elect's sake those days will be shortened." The first three years have slipped by rather quietly. Notice how things are accelerating this year in rapid increase toward the countdown toward Armageddon and the coming of the Messiah.

During the recent negotiation of the Joint Comprehensive Plan of Action (JCPOA) treaty signed on 7/14/15 by the six world powers China, France, Germany, Russia, the United Kingdom, and the United States (known as the P5+1) with the Islamic Republic of Iran, at least two side deals on critical inspections that are neither public nor subject to review by the United States were made between the International Atomic Energy Agency

(IAEA) and Iran. “Reza Najafi, Iran’s ambassador and permanent envoy to the International Atomic Energy Agency (IAEA) said the nuclear inspection organization is barred from revealing to the United States any details of deals it has inked with Tehran to inspect its contested nuclear program. In addition, no U.S. inspectors will be permitted to enter Iran’s nuclear sites.”—*The Washington Free Beacon* (8.3.15).

A great number of people think this is the worst treaty America has ever signed in history and that it is really a covenant with hell—the United States has paved the way for Iran to have nuclear weapons and develop them, plus giving them back \$150 billion dollars we have held frozen in assets from them to be used however they wish—even to give it to the terrorist organizations. Iran has been the most terror fomenting nation on the face of this earth today, and America’s President Obama is enabling them in every way they have demanded.

**Isaiah 28:14-19**—“Wherefore hear the word of the LORD, ye scornful men, that rule this people which is in Jerusalem. Because ye have said, We have made a covenant with death, and with hell are we at agreement; when the overflowing scourge (whip) shall pass through, it shall not come unto us (*we will escape tribulation-nuclear war*): for we have made lies our refuge, and under falsehood have we hid ourselves.”

“Therefore thus says the Lord GOD, ‘Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste. Judgment I will also lay to the line, and righteousness the plummet. Hail will sweep away the refuge of lies, and the waters shall overflow the hiding place. Your covenant with death shall be disannulled, and your agreement with hell shall not stand; when the overflowing scourge shall pass through, then ye shall be trodden down by it. by day and by night, it will be a terror just to understand the report.’”

This is a message to America. Jerusalem is a type of the capital. Our capital is Washington, DC. We have made an agreement with Iran, the world’s greatest sponsor of terror, in a covenant with death (*sheol*). Because it is called an *agreement* and not a treaty, it does not require the approval of the U.S. Congress by a two-thirds majority.

Nevertheless, Washington DC is preparing for war with the existence of deep underground military bases, and vast underground complexes from which civilian elite leadership and military officials would run the government during a nuclear war. In March, 1976, *The Progressive Magazine* published an astonishing article entitled “The Mysterious Mountain”, by, Richard Pollock. Mount Weather contains an unelected, parallel “government-in-waiting” ready to take control of the United States upon word from the President or his successor. Information on command and control strategies during national emergencies have largely been withheld from the American public. The Federal government wants to keep the Mount Weather facility buried in secrecy, like the enigmatic Area 51 in Nevada. Public awareness of this place and its purpose would raise serious questions about who holds the reins of power in this country.

Ministers and teachers who focus on the book of Revelation and other prophecies in Isaiah and Ezekiel which also pertain to this end-time, and the Mt. Olivet prophecy which is from Christ himself (Matt. 24; Mark 18 and Luke 21), and the Apostle Paul's prophecies say in the end-time there will be great destruction. When men cry out "peace, peace", there is no peace coming. They deceive themselves. Obama promised changes and he has made many changes since being elected in 2008 and re-elected in 2012. Our foreign policy has been twisted inside out to where our enemies are now called friends and our former friends and allies we snub, especially Israel. Obama's policies have led to chaos in the Middle East and caused the rise of ISIS terrorism and mass murders of Christians and others executed by beheadings and being burned alive.

*WorldNetDaily* (8.11.15) by Michael Maloof—"Ex-DIA chief: Obama 'willfully' allowed rise of ISIS. The former director of the U.S. Defense Intelligence Agency (DIA), claims the Obama administration made a 'willful decision', (conscious decision) to sponsor the radical jihadists who later became the Jabhad al-Nusra and the Islamic State of Iraq and Syria or ISIS to form in an attempt to unite Sunni Muslims against the government of Syrian President Bashar al-Assad. The DIA document also projected that the opposition forces, will use the Iraqi territory as a safe haven for its forces taking advantage of the Iraqi border population, meanwhile trying to recruit fighters and train them on the Iraqi side, in addition to harboring refugees."

The Jewish New Year's Day, Yom Terruah (Rosh Hoshanna) is the holy day that represents crying out. In Hebrew Yom Terruah means to shout, to cry out to warn people. It is a day to blow the trumpet and shofar to warn people to get ready for judgment; a warning message to get ready for the days of the Great Tribulation that lie ahead. The confluence of these dates and how they tie in with God's word, calendar and plan is remarkable. The situation is getting perilously close in our future. The elite of this world are working together to bring about the New World Order. The world community is now organizing and working to bring about the precipitation of the collapse and fall of the United States as an independent nation. The final end-time situation is prophesied in **Psalm 2:2-12** (NKJV) —"The kings of the earth set themselves, and the rulers take counsel together, against the Lord and against his Anointed, saying, 'Let us break their bonds in piece and cast away their cords from us.' "

The anointed people of God are the Jews of Israel and the American people who are the tribe of Joseph and part of the lost ten tribes of Israel. The world does not want to see America a dominate leader among the nations. They want out from under the American boot.

**Psalm 2:4-6**—"He who sits in the heavens shall laugh. The Lord shall hold them in derision. Then he shall speak to them in His wrath, and distress them in his deep displeasure: 'Yet I have set my King on my holy hill of Zion.' " God is about to send Christ back to this earth to reign from Mt. Zion in Jerusalem in Israel.

Another Psalm about the time of great tribulation is **Psalm 83** —"Do not keep silent, O God! Do not hold your peace, and do not be still, O God! For behold, your enemies make a tumult; and those who hate you have lifted up their head. They have taken crafty

counsel against your people, and consulted together against Your sheltered ones. They have said, ‘Come, and let us cut them off from being a nation, that the name of Israel may be remembered no more.’ For they have consulted together with one consent; they *form a confederacy against you*. The tents of Edom and the Ishmaelites; Moab and the Hagrites; Gebal, Ammon, and Amalek; Philistia with the inhabitants of Tyre; Assyria also has joined with them. They have helped the children of Lot.”

This includes:Edom—Europe, Rome, Germany and Turkey; the Ishmaelites, Moab, the Hagrites ,Gebal, Ammon, Amalek Philistia — the Palestinians. Asyria is going with them. Asyria is the name for the end-time government of Rome and Babylon the Great. Another name for the Asyrian Empire is America and the United Nations—the final world government/the New World Order who have all joined together to destroy Israel, God's anointed people.

**Zachariah 14:4** describes the Day of the Lord. “Then the Lord will go forth and fight against those nations, as he fights in the day of battle. And in that day His feet will stand on the Mount of Olives, which faces Jerusalem on the east. And the Mount of Olives shall be split in two, from east to west making a very large valley. Half of the mountain shall move toward the north and half of it toward the south. Then you shall flee for the mountain valley shall reach to Azal. Yes, you shall flee as you fled from the earthquake in the days of Uzziah king of Judah.”

When we take time, pause and look at the facts, it is like watching a snake charmer charming a cobra. The world has been charmed by Satan the devil who is called *that old serpent the dragon* in **Revelation 12:9**. Satan is the god of this world, the Prince of the power of the air and he is bringing this world together in a final fight against God and Messiah, uniting the nations to fight against Messiah when he returns.

Clearly, we have an enemy in America. The enemy who is in the White House is the architect who is cobbling the the New World Order together with his friends and allies under the leadership and inspiration of none other than Satan the devil. When Messiah returns to this earth, Satan knows that Christ is going to destroy him and his kingdom, so he is preparing for war.

Looking in review of Obama at the White House and many in the government administration from 2008 through today, they have been inspired by the spirit of Satan to do his dirty work. The apostle Paul talks about this in **Ephesians 6:10-19**—“Finally, my brethren, be strong in the Lord and in the power of His might. Put on the whole armor of God that you may be able to stand against the wiles of the devil. For, we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places.”

“Therefore, take up the *whole armor of God*, that you may be able to withstand in the evil day, and having done all, to stand (against the wiles/deceptions of the devil). Stand therefore, having

- girded your waist with truth,

- put on the breastplate of righteousness
  - shod your feet with the preparation of the gospel of peace; above all,
  - taking the shield of faith with which you will be able to quench all the fiery darts of the wicked one.
  - take the helmet of salvation
  - the sword of the Spirit, which is the word of God;
  - praying always with all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication for all the saints
- and (pray) for me, that utterance may be given to me, that I may open my mouth boldly to make known the mystery of the gospel, for which I am an ambassador in chains; that in it I may speak boldly, as I ought to speak.”

**2 Timothy 2:3**—“You therefore must endure hardship as a good soldier of Jesus Christ. No one engaged in warfare entangles himself with the affairs of this life, that he may please him who enlisted him as a soldier.” Soldiers do not live in the lap of luxury, they live meagerly and are out on the front lines, crawling through rough terrain, barbed wire, ambushes, heavy fire and unfamiliar enemy territory and face death. They eat what edibles they can get. The physical things we have or consider the comforts in life, soldiers do not have. We are to be soldiers/spiritual warriors for Christ and become mighty men of God like Moses, David, and Gideon—mighty men of valor.

**Daniel 11:32**—“Those who do wickedly against the covenant he (the northern king) shall corrupt with flattery; but the people who know their God shall be strong, and carry out great exploits (by faith and the power of the Holy Spirit that is in them).” Those who are sinning against God and violating the covenant that the Christians and the Jews have made with God through the Bible/Torah, he will corrupt them and lead them astray.

**Verses 33-35**—“And those of the people who understand shall instruct many; yet for many days they shall fall by sword and flame, by captivity and plundering. Now when they fall, they shall be *aided with a little help*; but many shall join with them by intrigue. And some of those of understanding shall fall, to refine them, purify them, and make them white (righteous), until the time of the end; because it (the time of the end) is still for the appointed time.”

Obama’s father from Kenya and his Muslim step-father taught him to hate the colonialism and imperialism that America stands for. Rudyard Kipling wrote a beautiful poem entitled, “The White Man’s Burden” showing the white races were to go around the world reaching indigenous populations to bring them the gospel of Jesus Christ and the message of the word of God, teaching them how to love one another and build a successful society. America has sent missionaries around the world to teach the word of God, but according to Obama and others, white men colonized and exploited other nations to dominate the developing nations. All explorers were not Christian. By and large wherever the white men went they brought democracy, representative government and freedom to those regions covered with darkness and dissipation and replaced dictatorships, oligarchies and monarchies.

The stage is being set for the final apocalypse. One of the bombshells of this ‘deal’

with Iran was the revelation by Secretary of State John Kerry who testified on Capitol Hill Wednesday that the U.S. Government will not be revealing to the American people the contents of the “secret side deals” made by our government on this nuclear enrichment program. Kerry stated that even he, himself has not read all the agreements, but only been briefed about them. Who in America has read them and knows? Ayatollah Ali Khamenei, the supreme religious Shiite leader of the Islamic Republic of Iran and Iranian President Hassan Rouhani know what they agreed to. But the American people are being kept in the dark.

What will happen to the astounding \$150 billion of sanctions relief to a regime that was in 2014 considered by the U. S. Department of State to be the world's leading sponsor of terrorism during its 36 years of its existence? Can you imagine how dangerous and irresponsible that is? The Iran deal, in five years, will actually lift a ban on sending Iran conventional weapons, including (in eight years) intercontinental ballistic missiles capable of hitting the United States.

The long and short of this agreement is that the Iran nuclear deal pushes Israel aside into the gutter and America now is becoming the partner and ally of Iran. DEBKAFfile (7.16.15)—“Israeli Prime Minister Netanyahu bitterly accused the *leading international powers* of gambling Israel's collective future on a deal with the foremost sponsor of international terrorism. President Barack Obama topped the list. Netanyahu pointed out that the president had determined on a deal with Iran at any price before he took office, which is true. Therefore, it had nothing to do with the poor relations between himself and the U.S. President.” It was a foregone conclusion from the beginning of the reign of Obama. He had his sights set on this deal—to betray Israel and to betray America. This deal symbolizes the end of Israel's special standing in Washington as “America's leading Middle East ally” which it has been.

[Israelnationalnews.com](#) (7.20.25)—“Nuke Deal Could Allow U.S. to Protect Iran from Israel.” Ari Yashar reports that the Iran nuclear agreement negotiated by President Barack Obama and Secretary of State John Kerry requires the U.S. and the other non-Iranian signatories to provide “co-operation through training and workshops to strengthen Iran's ability to protect against, and respond to nuclear security threats, including sabotage.”

“Tucked away near the very end of the deal's massive text is a section entitled ‘Nuclear Safety, Safeguards and Security’, which stipulates that the West will train; Iran to thwart sabotage against its nuclear facilities.” Iran's Natanz industrial computer controls in its nuclear plant were hit hard in June 2010 by the Stuxnet virus making its centrifuges, used to enrich uranium, spin out of control. Now we are promising to help Iran to safe-guard their nuclear secrets and abilities from any and all enemies, especially Israel. Can you imagine how America has turned itself inside out and upside down, so that now our former enemies are our friends and our former friends are considered enemies?

A couple quotes come to mind that fit well here. The line spoken by Marcellus in Shakespeare's *Hamlet*, Act 1 seems to fit here: “something is rotten in the state of

Denmark.” Something is not right, rife with errors from top to bottom. The ancient phrase, “the fish rots from the head,” expresses the idea that all problems in a company or country can be traced back to its leadership suggesting that corruption enters a country through its leaders, filters down to its citizens and tragically even affects the environment. The rotteness begins in Washington, D.C. In this case.

Newsmax—“Iran Deal Makes Chamberlain's Pact with Nazis Seem Trivial” (7.14.15). Former White House speech writer Ben Stein said, “the nuclear proliferation agreement struck between Iran and Western powers is a deal that is going to make Neville Chamberlain’s Munich Pact with Hitler seems trivial by comparison. (That deal led to WW 2). This is a deal which basically paves the way for Iran to become a nuclear power that can threaten the entire world with ballistic missiles. Iran has already pledged to annihilate Israel and has pledged (within its ability) to annihilate the U.S. as well.”

Personalliberty.com (7.17.15) “The Iran deal is not a bad deal; it's no deal”—Ben Crystal. “The bargain Obama struck with Iran is not a bad deal because the free world literally got nothing in return for everything. A nation governed by the principle of ‘Death to America’ will continue its progress toward developing the ability to make its dream a reality. The Islamofascists who are currently holding at least four Americans hostage got to continue their nuclear program. The Iran deal does not prevent a nuclear Iran. At best, it only delays it a few years.”

Prophecy News Watch (7.22.15) “New Financial Order Inevitable? 24 Nations are Currently Facing a Debt Crisis.”—Michael Snyder. Greece represents only a very tiny fraction of an unprecedented global debt bomb which threatens to explode at any moment. There are 24 nations that are currently facing a full-blown debt crisis and there are 14 more that are rapidly heading toward one. Debt levels in China have risen to levels never recorded. In Japan, things are even worse. At some point an implosion is coming in Japan which is going to shock the world. The same thing could be said about the entire planet. It will be unlike anything that we have ever seen before. National governments and central banks have been attempting to kick the can down the road for as long as possible.

The U.S. is the most indebted country in the world and has lived above its means for over 50 years. Remember: Derivatives are side bets made mostly with borrowed money. They are bets on foreign currencies (like the euro), bets on; interests rates, bets on corporate failures, even bets on bets. The bets are placed by banks with each other, banks with brokerage firms, brokers with hedge funds, and hedge funds with banks, just to name a few. They are often high-risk and the amounts are huge.

Four banks hold the most derivatives outside of any formal exchange: Bank of America, Goldman Sachs Bank USA, Citibank NA, JP Morgan Chase is, by far the biggest of them all, towering over the US derivatives market with \$63.7 trillion worth, with \$203.5 trillion, or 92% of all derivatives held in the U.S. banking system. And the largest 25 U.S. Banks control 99.8%. This is an oligopoly unlike any other in the financial world --one

that ties the fate of the U.S. Economy to these firms' stability far beyond anything ever witnessed in prior centuries.

Bulletin from Chaplin Lindsey Williams —“This is probably the most important bulletin we have sent. This is the fulfillment of everything the Elite have ever wanted to do. It will affect every human being, worldwide. The dates have now been officially set for the start of implementation and will be done over a period of time. On October 20<sup>th</sup> the International Monetary Fund is expected to announce a new world currency alternative to the U.S. Dollar, which will send hundreds of billions of dollars moving around the world, literally overnight. The IMF is one of the most secretive and powerful organizations in the world. They monitor the financial health of more than 188 member countries. They establish global money rules and provide ‘bail-out’ assistance to bankrupt nations. The new World Order will be implemented in September.”

“The Vatican is involved within the United Nations (Global Government) and sustainable development (Agenda 21). The Roman Catholic Pope Francis has announced when he speaks at the United Nations on the 25<sup>th</sup> of September 2015 just before the signing and implementation of the ‘Post-2015 Development Agenda’ that he will issue an Encyclical. An encyclical is a letter from the Pope sent to all Roman Catholic Bishops throughout the world. Every Roman Catholic is EXPECTED to obey unconditionally—total obedience. There are 1.2 billion Roman Catholics around the world.”

Mark your calendars for a spectacular large total lunar eclipse with the moon passing earth at the closest distance all year — just 221,753 miles away. What makes it so exciting is that the eclipse during a super moon marks the fourth and final event in the lunar tetrad sequence of "Blood Moons." It will all happen at a time when the moon already appears 30 percent brighter and 14 percent larger than normal. It also happens to fall on the annual Jewish Feast of Tabernacles or Sukkot.

*Prophecy News Watch* (8.6.15) - Michael Snyder —“Why is there so much widespread buzz about September 2015? A lot of people I know are storing up food and supplies like never before. Many people have a gut feeling that something ‘Big’ is about to unfold. Maybe they are feeling that way because of the events that are taking place around them. From signs in the heavens, to military stockpiling to politically disturbing events, there seems to be a confluence of activity both in the political and spiritual realm culminating in 2015 causing people's alarms to go off. Some of these events have already happened, some are about to happen, and some will happen during the month of September itself —

1. NORAD reopens Cheyenne Mountain after years of closure due to worries about an EMP attack.
2. U.S. Supreme Court legalizes gay marriage in all 50 states.
3. The Star Bethlehem appears on June 30.
4. Pope Francis declares his desire to build a World Government and a New World Order.

5. The Temple Institute announces their plan to farm raise Red Heifer's a precursor to the Building of the Temple.
6. End of Shemitah Year.
7. New York Stock Exchange crashes, United Airlines halts, Wall Street journalist site and Chinese Market Shutdown.
8. Jubilee Year begins.
9. Blood moon Tetrad Concludes September 28.
10. UN hosts their Agenda 21 Meeting for Sustainable Development for the Entire Planet (September 25-27). The Pope will travel to New York and address Congress and attend the meeting.
11. Coming UN Proposal to make a Palestine a state.
12. US Congress to vote on Iran/Nuclear Sanctions Agreement.

September 15<sup>th</sup> —The 70<sup>th</sup> session of the UN General Assembly begins on this date. It is being reported that France plans to introduce a resolution which would give formal UN Security Council recognition to a Palestinian state. Up until now, the U.S. has always been the one blocking such a resolution, but Barack Obama is indicating that things may be much different this time around.

September 25<sup>th</sup> to September 27<sup>th</sup>—The United Nations is going to launch a brand new sustainable development agenda for the entire planet. Some have called this “Agenda 21 on steroids”. But this new agenda is not just about the environment – it includes provisions regarding economics, agriculture, education, and gender equality. On September 25<sup>th</sup>, the Pope will travel to New York to give a major speech kicking off the UN conference where this new agenda will be unveiled.

September 28 — This is the date for the last of the four blood moons that fall on Biblical festival dates during 2014 and 2015. This blood moon falls on the very first day of the Feast of Tabernacles, it will be a *supermoon* and it will actually be visible in the city of Jerusalem. Historically, we have seen similar patterns before which have been meaningful. For example, a similar pattern of eclipses happened just before and just after the destruction of the Jewish temple by the Romans in 70 A.D. When it happened in 1948-1950, Israel became a nation. In 1967-1968, the blood moon tetrad occurred and the Six-Day War in which Israel recaptured the Golan Heights, Samaria, Eastern Jerusalem and the Temple Mount. During the years 2014 and 2015 a four blood moon tetrad occurs during the Jewish holy days of Passover and the Festival of Tabernacles.

*Prophecy News Watch* (8.14.15) — Leo Hohmann. “Did Isaac Newton Predict Major Turn in Bible Prophecy this September?” Sir Isaac Newton, a famous mathematician from the 18<sup>th</sup> century, English scientist and devout Christian discovered the law of gravity, the four laws of motion, and numerous discoveries about light and optics. Newton had a burning desire to study end-times prophecies of Christ's return and a particular interest in Daniel's prophecies. He put together calculations that point to September 23, 2015 as a key date. Take 49 prophetic years or 17,640 days from the time when the Jewish people are restored to Jerusalem, which occurred on June 7, 1967, and you arrive at September 23, 2015.

**Luke 12:54**—Then Christ also said to the multitudes, “Whenever you see a cloud rising out of the west, immediately you say, ‘A shower is coming’; and so it is. And when you see the south wind blow, you say, ‘There will be hot weather’; and there is. Hypocrites! You can discern the face of the sky and of the earth, but how is it you do not discern this time?”

**Luke 19:41-42**—“Now as he drew near, he saw the city and wept over it, saying, ‘If you had known, even you, especially in this your day, the things that make for your peace! But now they are hidden from your eyes. For days will come upon you when your enemies will build an embankment around you, surround you and close you in on every side, and level you, and your children within you, to the ground; and they will not leave in you one stone upon another, because you did not know the time of your visitation.’”

**1 Thessalonians 5:2-11**—“For you yourselves know perfectly that the day of the Lord so comes as a thief in the night. For when they say, ‘Peace and safety!’ then sudden destruction comes upon them, as labor pains upon a pregnant woman. And they shall not escape. But you, brethren, are not in darkness, so that this Day should overtake you as a thief. You are all sons of light and sons of the day. We are not of the night, nor of darkness. Therefore **let us not sleep, as others do, but let us watch and be sober.** For those who sleep, sleep at night, and those who get drunk are drunk at night. But let us who are of the day be sober, putting on the breastplate of faith and love, and as a helmet the hope of salvation. For God did not appoint us to wrath, but to obtain salvation through our Lord Jesus Christ, who died for us, that whether we wake or sleep, we should live together with Him. Therefore comfort each other and edify one another, just as you also are doing.” God is faithful and true. He will see us through. Praise the Lord!

Brethren, I pray that the God of peace Himself will sanctify you completely; and may your whole spirit, soul, and body be preserved blameless at the coming of our Lord Jesus Christ. He who calls you is faithful, who also will do it. Amen.
