

# Is Donald Trump “Anointed” by God as a Modern Cyrus?

Barack Obama will be 666 months of age on the final date he leaves office. Trump will be 70 years 7 months and 7 days old on Inauguration day (777). 2008 during the elections in that time the Dow fell 777.68 on the Feast of Trumpets. This is now the Hebrew year 5777. Donald J. Trump in English gematria is 888, the number for “Messiah.” What is the significance of his election as President of the United States?

William F. Dankenbring

Election eve 2016 began without any real sign of a gathering storm. No hint a popular revolt was brewing. In fact, just the opposite is true. The networks were reporting the mood in the inner circle of the Republican candidate was subdued, somber, tense, even foreboding – as if fearing the worst.

In direct contrast, the mood in the camp of the Democratic Party presidential candidate was described as confident, expectant and already almost celebratory. Even giddy. When the first polls closed on the East Coast and the first results began to come in, those moods seemed to be swiftly confirmed by reality. The pre-election polls were not wrong. Democratic Party nominee Hillary Clinton immediately took the lead.

And she was winning in the battleground states. She was leading in Florida. She was leading in North Carolina. She was leading in Pennsylvania. She was leading in Ohio. Clinton was threatening to pull away and end the suspense early.

At 7 p.m., there was no sign of a popular uprising led by Republican presidential candidate Donald Trump. There was no sign at 8 p.m. There was still no sign as time inexorably marched on.

Something would have to break. And then it did. Like a scene out of the film “It’s a Wonderful Life,” people had begun to pray.

But not just in one small town. Across America. And around the world.

Simple acts of faith heralded the first faint wisps of a breeze that would soon become a storm that would shake the world. It began in Jerusalem. Christians from many nations gathered in the heart of Israel to pray and fast for the fate of the United States. Americans knelt on stage as the faithful prayed. Organizers instructed them to pray like never before for a just God to deliver his most Christian nation. They called it the Jerusalem Global Gathering.

Christians also gathered to pray for the nation outside the U.S. Capitol. As WND reported, pastor Dan Cummins of the small rural East Texas town of Bullard led prayers for a return to biblical principles.

And it was in Texas that the prayers for deliverance were sent around the world, using modern technology.

A large prayer group had gathered in Dallas, hosted by Ken Copeland ministries. It was broadcast by the Daystar channel. Presenters David Barton and former Rep. Michele Bachmann, R-Minn., invited viewers to join in prayer. Daystar has a global reach of 400 million potential viewers.

“At the precise moment we began broadcasting on Daystar,” Bachmann told WND, “as the polls were still open, and a national audience of believers joined together and prayed in concert, we literally saw the race break in favor of Trump.”

“The Times put out a timeline tracking the election results as they broke for Trump last night,” Bachmann continued. “We went wild in the Dallas studio last night when David Barton, Ken and Terri Copeland, and various pastors saw that the victory for Trump began exactly at the precise moment believers corporately, over national television, sought the Lord for His favor upon our nation.”

“We knew it was at the exact same time that believers joined in corporate prayer on behalf of voting for a godly platform. Believers brought the Lord into this election, and that made all the difference,” added the devout believer.

“That is the story of last night’s victory. I have no doubt. The strong right arm of a holy God heard the prayers of His people and graciously answered our prayers,” Bachmann reflected.

“It truly explains the Trump victory. I have no doubt. No man can take the credit. Only the strong right arm of a merciful God.”

Trump benefited from the largest evangelical turnout in history. Exit polls showed that an overwhelming 80 percent of white evangelical voters (who made up 25 percent of all 2016 voters) supported Trump.

## **A Prophetic Picture of President Trump**

Donald Trump has been elected as the 45th President of the United States. Interestingly, in Isaiah 45 God says, “Thus saith the Lord to Cyrus whom I’ve anointed.”

Nearly 150 years before Cyrus' birth, God declared through the prophet Isaiah that a foreign man, a non-Jew named Cyrus, would be the anointed shepherd of his people and rebuild Jerusalem, beginning in the first phase with the house of the Lord. Regarding Cyrus, Isaiah the prophet spoke as follows: “Thus says the Lord to Cyrus, His anointed, whose right hand I have held—to subdue nations before him and to loosen the loins of kings, to open doors before him so that the gates will not be shut: I will go before you and make the crooked places straight; I will break in pieces the gates of bronze and shatter the bars of iron” (Is. 45:1-2).

Cyrus wasn't a Jew and he wasn't from the line of David, but God elevated this foreigner and called him ‘My anointed.’ When Isaiah described Cyrus as the Lord's ‘anointed,’ the word in Hebrew denotes a person specifically chosen and set apart for a specific task.

Then again, how else would you describe Cyrus, Churchill, Lincoln or even Reagan?

God promised to intervene and help Cyrus “break open” and even conquer. The commandment to restore and to build Jerusalem starts with Cyrus’ decree recorded in Ezra 1:1-4 to rebuild the house of the Lord. It was this “Cyrus decree” that worked its way through King Darius and King Artaxerxes until Nehemiah commenced his task to rebuild the wall surrounding Jerusalem.

These two phrases, “the house” and “the wall,” should make believers stop and wonder. This is a direct promise to the church and restoration to society. The controversy over “building the wall” in current-day politics is more symbolic than people think. What do walls represent in the Bible? Proverbs 25:28 says “He who has no rule over his own spirit is like a city that is broken down and without walls.”

America has become a nation without walls, a nation without self-government. We are out of control fiscally and physically on our borders. It reminds me of the prophetic statement of Lincoln, who warned that no foreign power would destroy us: “No, if destruction be our lot we must ourselves be its author and finisher. As a nation of free men we will live forever or die by suicide.”

“I have even called you by your name; I have named you, though you have not known Me” (Is. 45:4). “Have not known Me”?

Trump falls into a unique category of individuals. These are men and women who have the hand of Providence upon them. They are typically people whose singular strengths and convictions match a certain test in history—a crucible. As Churchill said,

“All my life was a preparation for this moment.” Figures like Churchill, Lincoln and George S. Patton don't step out of cathedrals onto the stage of history, yet we canonize them later as instruments God raised up to meet a singular crisis.

Curiously, none of them were the darling or favorite of contemporary Christians. Preachers thought Lincoln to be a godless skeptic; they stumbled over Churchill's cigars and scotch; they balked at Reagan's divorce and children from two marriages.

None of these instruments of providence rose through the ranks of evangelicals, yet each of them ended up as a defender of Christian values. This came home to me in the most shocking way as I replayed Trump's words. Like the Scottish heir to John Knox, he shouted back to the Vatican, “I am a Christian and I'm proud of it!”

Churchill himself framed the contest with Hitler as a “battle for Christian civilization” and insisted “Onward Christian Soldiers” be sung on board the ship where he and Roosevelt forged their alliance against the Axis powers. Lincoln quoted the Bible more than any other president, yet he refused to join any established church.

There is a Cyrus anointing on Trump. He is “God's trumpet.” He is the chaos candidate set apart to navigate us through the chaos that is coming to America.

“I think America is due for a shaking regardless of who is in office. I believe the 45th president is meant to be an Isaiah 45 Cyrus.”

With him in office, we have an authority in the Spirit to build the house of the Lord and restore the crumbling walls that separate us from cultural collapse. Even then, this national project is likely to be done, as Daniel prophesied, “in times of trouble” (Dan. 9:25).

### **Trump Himself Is Prophetic**

Trump is more prophetic than most people realize. He is Churchillian in this regard. He sees the threat nobody else has courage to talk about until it's too late. He sees it with radical Islam, he sees it with the soaring \$19 trillion debt, and he sees it in America's tinderbox of the inner city.

Trump accurately predicted by name that Brussels was no longer the same community he knew years ago. The press was picking apart his statement at the very moment Brussels became the epicenter of another round of organized terror and death. Likewise, Trump predicted the "Brexit," while expert commentators in media and government were stunned. Christians should take note of this.

Media in the post-Cleveland conference of the Republican Party described Trump's message as "dystopian" or dark. However, those who agree with Trump found the message encouraging simply because someone was finally telling the truth! A full 70 percent of Americans say the country is on the wrong track.

Trump is much like Churchill, lifting a warning voice about the unravelling of America at a time when the ruling class, buttressed by the media, want to deny there is anything wrong! In all likelihood, Trump is intuiting that which is on the horizon if changes are not made. Like Churchill, the opposition wants to exile him for sounding an alarm in his disturbingly blunt manner. The media assault on Trump is unprecedented.

Lance Wallnau is an internationally recognized speaker and business consultant, he is one of the premiere speakers on the subject of cultural transformation. (<http://www.charismanews.com/politics/opinion/60378-why-i-believe-trump-is-the-prophesied-president>).

### *A Prophetic Voice*

For one Christian faith speaker, however, Trump is serving as an instrument of God and a modern “prophetic voice” to wake up America, which some prominent pastors have described as having strayed from Christian values.

In an editorial published on Charisma News, Os Hillman, president of Marketplace Leaders, said Trump was sent by God “to uncover the veil of the current political leadership and culture in America.”

Hillman, who is an internationally recognized speaker on the subject of faith at work, said Trump is exposing the morally corrupt ways of America's current leaders. “Trump is articulating what we all felt was under that veil—deception, lying, lack of accountability and pandering to what is politically correct. Trump is seeking to represent something that is the exact opposite,” the Christian faith speaker said.

The Christian speaker and author believes that God is trying to change this culture through Trump. “He [Trump] is espousing a new way of operating because he is sounding a trumpet to the nation that our nation is broken and needs to be fixed. He is becoming a new prophetic voice, albeit not necessarily spiritual, but certainly based on truth. What are those values?” Hillman said.

He also praised Trump for proposing specific actions against illegal immigrants, for speaking his mind although his views are unpopular, and for demanding accountability in our economic system of government. (Andre Mitchell\_09 August 2015, Charisma Magazine).

### *Trump and Israel*

Donald Trump plans to move the U.S. Embassy in Israel from Tel Aviv to Jerusalem — an official recognition by America of the Jewish state's capital, Morton Klein, president of the Zionist Organization of America, tells Newsmax TV.

“His advisers who are friends of mine tell me that he would really move the embassy to Jerusalem,” Klein, who served as an economist in the Nixon, Ford, and Carter Administrations, said Thursday to Steve Malzberg on “America Talks Live.”

Klein noted both Presidents Bill Clinton and George W. Bush made similar promises to move the U.S. embassy, which first opened in Tel Aviv in 1966. But he emphasized that Trump has written the “most pro-Israel policy statement in history.”

“He opposes the establishment of a Palestinian state. He says because this will be a terrorist state they promote hatred and violence in their schools, in their media and in their speeches. They name schools and streets and sports teams after Jew-killing terrorists,” Klein said.

Klein added that Mahmoud Abbas, president of the State of Palestine and Palestinian National Authority, gives pensions to the families of suicide bombers and “the more Jews they murder, the higher their pension. Can you believe this?”

Jerusalem's status as Israel's capital has long been in dispute because Palestinians insist it serve as the capital of their future state as well.

But Klein insisted the city has no special significance to the Palestinians. “Jerusalem is not holy to Muslims. This is a propaganda lie. ‘The holy text mentioned Jerusalem 700 times.’ The Koran, the Islamic holy text, never mentions Jerusalem a single time,” Klein explained.

“If it's so holy to them, why does their holiest book never mention Jerusalem and why from '48-'67 when they controlled all of eastern Jerusalem, why did they allow it to become a slum? There was no running water, no electricity, no plumbing. They destroyed the 58 synagogues and they made their capital in Iman not in Jerusalem.”

Klein said he is also confident that Trump will take a tough position against the United Nations, which has insisted that some of the Jewish people's holiest sites have nothing to do with Judaism.

“Trump said if the U.N. continues to promote these lies against Israel and bigotry against Israel like Jerusalem is not holy to Jews, he's going to cut funds to the U.N.,” he told Malzberg.

In addition, Klein said Trump is ready to take action in any violation of the Iranian nuclear deal. “The International Atomic Energy Association, this very morning announced that Iran is violating again. They're bringing in more nuclear-type equipment for nuclear bombs against the deal,” Klein said.

“President-elect Trump has said he will establish new sanctions, increase sanctions if this continues and that he will, if necessary ... make it clear to them that we'll use any means possible to make sure you do not get nuclear weapons. That means even

threatening militarily. All you need is the threat of military action and this will scare the heck out of the Iranians because they'll believe and understand that he means it and he will allow Israel to do what they think appropriate militarily, so Iran will no longer have the protections they had before. So he can scare them into finally maybe complying with this deal.”

### *Trump in Bible Gematria*

Gematria, or Hebrew numerology, is an esoteric device used by rabbis for revealing hidden meaning in the Bible. When applied to the US presidential candidates, the results are absolutely shocking and carry serious implications about the role of the election in the imminent Messianic era.

Joe Gallis and Dr. Robert Wolf lectured and wrote for almost two decades on Torah-related topics. One of their specialties was using Gematria to understand current events. In 2009, after Hillary Clinton lost the Democratic primaries to Barack Obama, they predicted on their blog, *Redemption 5768*, that her influence on Israel and the Messianic process was far from over. They used the numerology of her name to come to this remarkable conclusion.

Gallis and Wolf calculated that Hillary (הירליה), Rodham (מהדור), and Clinton (זוטנילק) each equal 255. The word for a female from the nation of Amalek (היקלמע) is also 255. Amalek is the archetypical evil that Israel is commanded to oppose anywhere and at any time.

The total of all three of her names is 765 (255 x 3), which is the same value as תע הרצ (“time of terrible distress”). The term תע הרצ comes from the Book of Daniel, which describes the time when Michael, the guardian angel of Israel, will stand in defense of his people at a time of catastrophe.

*“And at that time shall Michael stand up, the great prince who standeth for the children of thy people; and there shall be a time of trouble, such as never was since the beginning of the world” (Daniel 12:1).*

Hillary Rodham Clinton is also the Gematria of כלה בַּחֲמֵתָהּ (daughter-in-law against her mother-in-law), which is seen in a verse in Micah.

*“For the son dishonoureth the father the daughter riseth up against her mother the daughter-in-law against her mother-in-law; a man’s enemies are the men of his own house” (Micah 7:6).*

Hillary Clinton has frequently been quoted in the media saying harsh and demeaning things about her deceased mother-in-law, even blaming her abuse for Bill Clinton’s infidelity. Her connection with the verse hints at negative family values in general.

The Torah website *Yeranen Yaakov* points out that the gematria of Donald Trump (פמארט דלנוד) is 424, or 212 x 2. The gematria of Bernie Sanders (סרדנס ינרב) is 636, or 212 x 3. *Yeranen Yaakov* quotes the Ben Ish Chai, an authority on Jewish law and master Kabbalist who lived in Baghdad 150 years ago. The Ben Ish Chai interpreted the number 212 as a difficult time for Israel before the Final Redemption.

“There are 212 hours in the first 9 days of Av (the eleventh month in the Jewish calendar) that are meant to be bad for the Jewish people,” *Yeranen Yaakov* wrote. “Although the 9 days contain 216 hours, the final 4 hours of *Tisha B’Av* (the ninth of Av) are sweetened since that is when Messiah is to be born.”

*Yeranen Yaakov* interprets this to mean that a Donald Trump (424) presidency will be doubly bad for the Jewish people, while a Bernie Sanders (636) presidency will be triply bad for the Jewish people. But in either case, the dark period is the anticipated necessary step immediately preceding the Messiah.

It is also remarkable to note that Donald Trump (424) is the Gematria of “Messiah for the House of David” (דוד נב הישמ). That is not to say that Donald Trump is the Messiah, but that his presidency will usher in the Messianic era.

Gematria is not an exact science; it is famously open to interpretation. However, it is a widely used and generally accepted system of understanding the hidden meaning and layers of the word of God as written in the Hebrew Bible. It is studied and taught by a multitude of major rabbis and Jewish thinkers. It has been a part of Biblical interpretation, with examples in the Mishna (the oral law) dating from the first century, and in later times became the realm of Kabbalists. While Gematria cannot predict the outcome of the U.S. presidential election, there is no question that the Bible has something to say about our modern world.

### *Is Donald Trump a Messiah-Like Figure?*

Donald Trump has been called a lot of things. “Messiah” probably isn’t one of them. However, a Jewish rabbi from New Jersey made that claim, making clear in the process that he didn’t see the GOP presidential nominee as *the* Messiah but rather *a* messiah.

Rabbi Mendel Kessin, during a lecture shared in late August, said Trump will play the role of a “messiah-like figure” leading America, which he sees as leader of Western Christianity, into its role as the rehabilitated biblical Esau – a righteous nation that repents of its past sins and becomes a helper of Israel.

Trump, the GOP nominee for president, will be a factor in the end of days in America by reflecting the “rehabilitation of biblical Esau,” said Kessin.

The rabbi's lecture, which took place in Lakewood, New Jersey, begins with Esav, also called Esau, the twin brother of Jacob, who is portrayed in the Old Testament as a persecutor of the Jews.

Yet Kessin, speaking about the spiritual underpinnings of the 21st century, suggests that, at the last days, the biblical Esav [Western Christianity] will be rehabilitated with the United States leading the way.

Kessin connects Esav throughout history to Edom, Rome, Christianity, Western civilization and, ultimately, to the United States.

“At the end of days, the rabbi contends that the sins of Esav will be removed and Esav will become God-fearing,” writes Rivkah Lambert Adler for *Breaking Israel News*. “Esav has in Jewish tradition been associated with oppressing, persecuting and afflicting the Jews, but at the end of days he will undergo a fundamental change in his character.”

Rather than harming Jews, Esav will turn toward serving the Jews, assisting them in doing God's will in the form of mitzvot (biblical commandments), Adler reports. “As a result, Esav will be rehabilitated and earn a place in the world to come.”

Kessin believes Trump has a critical role to play in purifying the U.S. “What I believe is that the one who is going to switch from [Esav persecuting the Jews] to [Esav serving the Jews] is Donald Trump,” he says. “He's going to purify Edom.”

At the 43-minute mark of the lecture, Kessin says the Hebrew numerical value of Donald Trump is the same as that of Moshiach ben David (Messiah son of David). He quickly assures his listeners that Trump is not the long-awaited Messiah of the Jewish people. At the same time, Kessin plainly asserts that Trump has the qualities of a messiah-like figure.

“Someone who will turn a nation completely, diametrically opposite is a messiah,” Kessin says. “He further contends that good times will return to the U.S. under the leadership of Trump because “Peace and prosperity must happen in order to rehabilitate the Jews in America, to prepare them for Moshiach (Messiah).”

### ***‘Coming out of nowhere’***

Using three biblical examples, Kessin builds his case that Trump is a messiah-like figure. First off, “A messianic figure is always despised,” he argues. He cites Joseph, who was imprisoned; Moses, who had to run away from Pharaoh to escape being killed; and King David, who was rejected many times in his lifetime.

“Many messianic figures, they come out of nowhere . . . Everybody is expecting the Moshiach to be this incredible (righteous individual), incredible gadol (great person), unbelievable talmid chacham (Torah scholar),” he said. “Yeah, eventually he will be. But

he's the guy that you don't even look at twice. That's who a Moshiach is. And you find all the (messianic figures) were always despised...

"That's why there's so much opposition to Trump. Because he's about to start something which is a major reversal of the job of Esav from [oppression of the Jews] to [serving the Jews]."

### *Trump as a great reformer*

Carl Gallups, a Baptist pastor in Florida, radio talk-show host and author of several Christian books including "*Be Thou Prepared*," comments on Rabbi Kessin's observations. He says, "I think the main thrust of Rabbi Kessin's message is that, somehow, Yahweh [Yehovah] might be in the process of using Donald Trump to bring about some much-needed biblical reformation to the United States and, thus, the world."

"I think he is also hoping and praying, along with much of the Jewish and Christian world, that Trump might be used of God to restore the United States to being a great friend and protector of Israel. This is especially true as we see the miraculously returned Israel now surrounded with nations on every side that are plotting its ultimate demise."

"People all over the globe have a sense of urgency, expectancy, and trepidation about the future," he said. "Even people who don't claim to be 'believers' or Christians, even those who never go to church or read the Bible are asking, 'What's wrong with the world? Why is the Middle East the center of such huge international turmoil? Are we on the verge of World War III?'"

Gallups said he understands what Kessin is trying to say, viewing Trump in many ways as the antithesis of President Obama.

"He's looking at it in the same way that a number of Christians and even biblical scholars have examined Obama's journey, candidacy, and eight-year presidential legacy and point out his clearly 'antichrist' characteristics without ever believing him to be, or declaring him to be, the actual antichrist," Gallups said. "I don't think there is anything unbiblical about examining the times in which we live, and the world-impacting leaders of our times, and noting the biblical characteristics of those that Yahweh [Yehovah] may be using for His ultimate purposes in our highly prophetic era."

"I also find it remarkable," Gallups added, "that Rabbi Kessin outlined the qualities of a messianic figure as being that of a powerful person, a great person, a biblical scholar, a righteous individual, and one who is at the same time also ubiquitously despised, while seemingly coming 'out of nowhere.' These very same things can be said of the real and ultimate Messiah, Yeshua/Jesus."

"I feel for Rabbi Kessin. I know he understands that we are now living in profoundly prophetic times. I get that. I am continually writing about and speaking to this

issue as well – all over the world. There certainly seems to be something very numinous about this year’s presidential election. It may be the most important one in the history of the United States and, thus, the world. And with that feeling – he is looking for answers, and possible biblical connections.” (see [www.wnd.com/2016/09/trump-as-american-messiah-rabbi-says-yes](http://www.wnd.com/2016/09/trump-as-american-messiah-rabbi-says-yes)).

### *The Bible Codes*

Rabbi Matityahu Glazerson, an international Bible codes expert who has written 30 books, said it’s a fait accompli for Donald Trump. He would beat Hillary Clinton on Nov. 8 and go on to become the next president of the United States, and of course he did exactly that to the amazement of the world.

Glazerson sees Trump as a leader in the mold of Cyrus the Great of Persia, who helped free the Jewish people from Babylonian captivity in Old Testament times. They were then able to rebuild the Temple in Jerusalem.

Any international leader who helps the Jewish people is a type of “moshioch” or a messiah figure, he says in a three-minute video posted in late October to YouTube. Not *the* Messiah but a messiah.

Glazerson says “anybody who helps Israel, to build themselves, to settle properly in their land,” is referred to as a kind of moshiaich.

This is the second video the rabbi has made about Trump’s appearance in the Bible code.

### ***BIBLE CODES SHOW DONALD TRUMP AS 45TH PRESIDENT***

The bible codes show that Donald Trump will become the 45<sup>th</sup> president of the United States of America. Donald Trump (born June 14, 1946) is an American businessman, television personality, author, and politician. He is chairman of The Trump Organization, which is the principal holding company for his real estate ventures and other business interests. He is also the nominee of the Republican Party for President of the United States in the 2016 election.

Analysis of bible codes found in the books of Genesis and Isaiah show that Donald Trump will defeat Hillary Clinton for the presidency. The words president, states, and 2017 were found encoded. The most interesting thing about the codes found in the book of Isaiah, which was discovered by the legendary Rabbi Glazerson, is that they were discovered in Isaiah chapter 45:1. The passage reads “Thus says the Lord to His anointed, To Cyrus, whose right hand I have held— To subdue nations before him And loose the armor of kings, To open before him the double doors, So that the gates will not be shut” (NKJV). Isaiah’s Cyrus prophecy was made over 200 years before Cyrus was born (576 BC – 530 BC). According to the historian Herodotus, Cyrus was the son of Cambyses I. He came to the Persian throne in 559 BC. Nine years later he conquered the

Medes, thus unifying the kingdoms of the Medes and the Persians. According to Flavius Josephus, Cyrus later conquered the Babylonians in 538 BC. Cyrus the Great was the Persian King under whom the Jewish Babylonian captivity ended. He made a decree that the Temple in Jerusalem should be rebuilt and Jews can return to their land for this purpose.

### *Analysis of the Codes*

If these codes are real and not accidental codes, then Donald Trump's presidency will be similar to a modern Cyrus of Persia. This means that Trump will become a greater friend to American Christians, Christians worldwide, and the Jews living in the Middle East and particularly those Jews living in the land of Israel. Trump, who is a great builder, may play a significant role in facilitating the construction of the next Jewish Temple in Israel.

The name Donald originates from a Scottish and Celtic word meaning world ruler. The name Trump means victory or triumphant. The name Trump is also associated with the word for trumpet. A few eschatology researchers speculate that the Lord may rapture His Church during the successful presidential administration of Donald Trump or during the administration of a future American president name Trump. Only time will reveal if this speculation about Donald Trump is truth.

Finally, whoever becomes the 45th president of the United States of America must do four things. First, the president must not divide the land of Israel because God will have to judge any leader who seeks to divide His land. Second, the president must cleanse the nation of corrupt judges. He must select righteous God fearing Judges to the US Supreme Court. Third, the president must protect the most vulnerable citizens in America, which are the unborn boys and girls inside the womb. And fourth, the president must promote the traditional family, led by a man and a woman because children have a right to a father and a mother.

### *Judaism's greatest mystical text 'predicts Trump victory'*

*Times of Israel*, Nov.2, 2016, reports that an unnamed ultra-Orthodox expert on the seminal 'Zohar' work, Marc Zell, says Trump campaign staffers in US were 'amazed' at the news that Judaism's ancient text, the Zohar, appears to have predicted a Trump victory in the presidential race in the United States.

The head of the Republican Party's branch in Israel told an ultra-Orthodox website that an unnamed but "great" Jewish mystic told him Judaism's major mystical work predicts an election victory for Donald Trump.

Attorney Marc Zell, head of Republicans Abroad Israel, told Yanky Farber, a columnist for *Behadrei Haredim*, "But in the last two weeks, a decision has been made among the rabbis of all sorts of streams in the Haredi public in Israel that Trump is the one who will defend Jerusalem, the Land of Israel and the Jewish people."

He then told Farber that a *mekubal*, or sage steeped in the Jewish mystical tradition of Kabbalah, had informed him that according to the tradition's seminal text, [the Zohar](#), Trump will be the next president of the United States.

“Two days ago, a great *mekubal* came to me — I don't want to say his name — with all his entourage from Bnei Brak, just to give me this message for Donald Trump,” Zell reportedly said. “According to the rabbi, the Zohar says Donald Trump will win next week. The rabbi didn't ask for anything, but just wanted to send this message.”

Zell said he “passed this on to the Trump campaign in the US and the Jewish advisers were amazed, in a good way, about this news.”

He recalled comments made last month by Trump's Israel adviser, David Friedman, according to which Trump, if elected, would fire any American official who opposed an order to move the US embassy from Tel Aviv to Jerusalem.

Everyone says they'll move the embassy to Jerusalem. American law requires moving the embassy, but all the presidents vetoed it, arguing it would hurt American security.”

Trump is different, Zell insisted. “That's Donald Trump. He comes from outside the establishment and doesn't think like a run-of-the-mill politician. He says what he thinks.”

The mysterious mystic was not the only Haredi leader cited by Zell as supporting Trump. The head of a major Jerusalem *cheder*, or religious elementary school, “came to vote today,” Zell said. “He told me he had decided to vote, and explained to his students why he did so — because of the values of the Republican Party, belief in the Creator of the world and family values. I feel we have something in common.”

The Behadrei Haredim report concluded by quoting a Haredi halachic authority, Rabbi Sraya Deblitzky, who told his followers to “vote for the man. If a woman rules, it brings judgment, death and poverty.”

### ***The Miracle Election***

The years ahead promise to be years of tumult, confusion, violence and unparalleled strife and suffering. America stands at a crossroads. The fate of the country lies in the balance. The scales of Justice and Judgment are looming over us. The world outlook has never looked so scary, so frightening, so horrific and contentious.

America has now elected Donald J. Trump to be the next president of the United States. His presidency will be facing many obstacles and dire economic problems and world troubles. His ascendancy to power will give America a “reprieve” – a period of “grace” and “mercy” – and more time in which to repent of our national and personal sins and to return to God. It is a sign of God's blessing on Israel and His favor for His people.

Joseph Farah of WorldNetDaily described the phenomenon this way: “He was eviscerated by the media establishment unlike any previous presidential candidate.

“It wasn’t just “bias” he faced. He battled Democratic apparatchiks posing as reporters, editors, producers and anchors. He was savaged by the official Democratic Party. And he was beaten up by his own party’s establishment. Still, Donald Trump fought back. He improvised. He overcame.

“No candidate ever had more tangible assets in her political piggy bank than did Hillary Clinton – money, organization, dirty tricks, betrayal by the opposition, the “press” in her pocket. At the end of the long night, it didn’t matter. America decided it was time for a change.

“But, I like to think God smiled on America, maybe because of the prayers of so many forgotten people – people who began to wake up and realize they just didn’t recognize their country any more.”

### *Is Hillary Clinton Finished?*

When Hillary Rodham Clinton lost the Democratic Nomination for President to Barack Hussein Obama, many thought that she would disappear from the world stage for years. But her name in Hebrew hinted that something different would happen. Attention was gained by her unique name expressed in Hebrew letters. Never before did researchers see the following occur in anyone's name. Hillary **הירליה**, Rodham **בהדור**, and Clinton **וויטנילק** each have a gematria of 255. Imagine that a person's first name, middle name and last name all have the same exact value! When the value of the entire name is calculated, the total gematria is 765 (255x3), the same value as **הרצ תע** (Time of terrible distress).

This finding indicated that Hillary would not disappear into the sunset so quickly. She would be (as she has become) an influential voice reprimanding the State of Israel. The term **הרצ תע** comes from the Book of Daniel 12(1) which describes the time when Michael, the guardian angel of Israel, will stand in defense of his people at this time of catastrophe. The atbash gematria of **הרצ תע** is 106, the same value as the letter **נ** nun, spelled out **וני**.

No verse in the Ashrei prayer (Psalm 145) begins with the letter **נ** nun. There are 21 verses in this psalm and each verse (in order) begins with the remaining 21 letters of the Hebrew aleph bet. This is because in the verse that speaks of G-d supporting the fallen, the letter **נ** can be taken as an allusion to the word **הליפנ**, Israel's future downfall, G-d forbid. King David refused to use a letter to begin a verse that could suggest such tragedy. But knowing that downfalls must take place as they have throughout our history, King David comforted Israel with the verse that begins with the letter **ס** samech (the letter that follows the nun in the Hebrew alphabet). The full verse beginning with the samech states "Hashem supports all the fallen ones and straightens all those who are bent." With this verse, King David made a guarantee to the Jewish People that even when a dreaded

Today, the leader of Israel, Benjamin Netanyahu **וְהַיְיָנוּחַ בְּיַמֵּינוּ**, has not one, but 4 nuns in his name, representing the 4 exiles of the Jewish People. We have gone from one exile to another, falling down and then being lifted up by Hashem. We kept falling into galus because we would not learn from our mistakes and make adjustments in our lives. The purpose of falling is to arise and lift ourselves to a higher level, not to the same plane. When G-d tests us in our personal lives and we fall down through illness, financial setbacks or personal tragedy, we must pull ourselves not only back to where we were before the fall, but to greater heights.

In a previous blog that we posted on 5/25/09 dealing with The Blessing Of The Sun, we mentioned that our calculation of Daniel's famous "Time, Times and a half of Time," resulted in a time being 32, times being 64, and a half being 16. Thus, 112 represents the entire end period. Of course, no one knows whether it's 112 hours, days, weeks or years from a point in time. This will be revealed by Hashem in due course. The question arises why 3 1/2 and not 4? Shouldn't there be a relationship between the 4 exiles and the final time period releasing us from exile permanently? If the other half (16) would be added on, the total time period would rise to 128 which would equal the word **דָמוּס**, "to support."

Perhaps our redemption is being held up by the imperfect 3 1/2. Perhaps our redemption will be realized when we can turn the imperfect 3 1/2 into 4 (representing all our exiles). How can we do this? When we finally push our arrogance aside and acknowledge that it wasn't because of our merits, or our actions, or the actions of our leaders or our armies that brought us out of our previous exiles, but by the HAND OF G-D that saved us over and over again. Then we can finally change the 3 1/2 time period into 4 complete periods and adjust the total value from 112 to 128. For it has always been Hashem that supports us like a parent encouraging, lifting up and supporting their child learning to walk. It has always been our Father In Heaven, and it's time to acknowledge that. The 16 (1/2 of time) that has been missing equals **דַיב** (by a hand). We must realize that to survive the terrible Time of Distress that the Jewish People will shortly face, we must grab and hold on to Hashem's Hand.

The letter **ד** is the 14th letter in the aleph bet. This is the gematria of **דָוִד** (David) whose descendant will shortly be sent by G-d to redeem us. May we all dance with joy when that wonderful moment arises.

### ***Trump Victory Divinely Sent?***

“Behold, I have given him for a witness to the peoples, a prince and commander to the peoples.” (Isaiah 55:4, The Israel Bible)

Donald Trump's upset victory in the presidential race over Hillary Clinton, who was heavily favored in virtually all the pre-election polls, seemed to defy the laws of

nature, reason and sense. Several rabbis have an explanation, however: it was, quite simply, the will of God.

As the rabbi who oversees the final resting place of King David on Mount Zion, Rabbi Yosef Berger is intimately connected to the spirituality of kingship. For him it was clear what tipped the scales in favor of the Republican underdog.

“I have known for months that Donald Trump would win the elections,” Rabbi Berger told *Breaking Israel News*. “The gematria (numerology) of his name is *Moshiach* (Messiah). He is connected to the Messianic process which is happening right now. When he promised to move the American Embassy to Jerusalem, he attached himself to the power of *Moshiach*, which gave him the boost he needed. If you separate from Jerusalem, disaster will follow.”

When taking the gematria into account, it was clear that Trump had a spiritual edge. As Rabbi Berger pointed out, the gematria for Donald Trump in Hebrew (דלנוד פמארט) is 424, which is equal to the gematria of “Messiah for the House of David” (חישמ דוד ןב). The Ben Ish Chai, an authority on Jewish law and master kabbalist who lived in Baghdad 150 years ago, interpreted the number 212 as a difficult time for Israel before the Final Redemption. Trump’s gematria is twice that, signifying an ongoing Messiah process.

Rabbi Berger was clear on how this election fit into the process of Messiah. “As the spiritual descendant of the Biblical nation of *Edom*, America has a very important role to play in the Messiah. But in order to be suited for that role, America had to be humbled,” Rabbi Berger stated.

“In order to establish his kingdom, God had to create confusion, a situation in which the best plans laid by the most powerful people, comes to nothing.”

The rabbi quoted the well-known proverb:

A man’s heart deviseth his way; but *Hashem* directeth his steps. Proverbs 16:9

“This outsider, whose own party rejected him, despised by the media, won despite what the experts predicted,” Rabbi Berger said.

As spokesman for the nascent Sanhedrin, Rabbi Hillel Weiss, also saw God’s interest in Israel as part of the election. He said that Trump’s victory was, in part, a reaction to President Barack Obama’s Israel policies.

“President Obama made himself a very visible part of the campaign. It is clear that Hashem (God) was part of the political process, using it to punish President Obama and those who were working to harm Israel,” Rabbi Weiss told *Breaking Israel News*.

“By allowing Iran to establish a nuclear program which is clearly not for peaceful purposes, by standing aside and allowing the UN to make resolutions to harm Israel, Obama established himself as an enemy of Israel.”

“All of the academics and the media, who create their own world with evil words, they worked against Trump,” continued Rabbi Weiss. “They tried to create a man-made reality in which Trump could not win. In the end, it did not work. Hashem is moving us towards a greater Jerusalem, and anyone who goes against that, is destined to fail.”

Trump’s slim margin of triumph and the fact that throughout the hotly contested campaign, Clinton consistently led in most pre-election polls made his victory even more stunning.

At one point, Clinton led with a double digit advantage of up to 17 points. A *CNN* poll in June predicted a Clinton landslide victory by 24 percent. Indeed, up until the day before the elections, major polls were giving the Democratic candidate a five percent edge. Though Trump won the electoral college by a wide margin (279 as compared to Clinton’s 218), the popular vote told a very different story, with Clinton actually winning by one percent.

In an election of such import, the margin was tiny. With the future of a world superpower in the balance, it was clear that such an upset victory, flying in the face of conventional politics, media predictions, and the expectations of international leaders, not to mention many Americans, was entirely due to an outside influence.

### *Is Donald Trump a Divine Messenger?*

A Christian minister in Florida has ignited a firestorm over his suggestion that God is using Donald Trump as a divine instrument in the 2016 presidential election cycle.

In a column published in *Charisma* magazine, Jeremiah Johnson of Behold the Man Ministries in Lakeland, Florida, said he was praying several weeks ago “when God began to speak to me concerning the destiny of Donald Trump in America:”

The Holy Spirit spoke to me and said, “Trump shall become My trumpet to the American people, for he possesses qualities that are even hard to find in My people these days. Trump does not fear man nor will he allow deception and lies to go unnoticed. I am going to use him to expose darkness and perversion in America like never before, but you must understand that he is like a bull in a china closet.

Many will want to throw him away because he will disturb their sense of peace and tranquility, but you must listen through the bantering to discover the truth that I will speak through him. I will use the wealth that I have given him to expose and launch investigations searching for the truth. Just as I raised up Cyrus to fulfill My purposes and plans, so have I raised up Trump to fulfill my purposes and plans prior to the 2016 election.

You must listen to the trumpet very closely for he will sound the alarm and many will be blessed because of his compassion and mercy. Though many see the outward pride and arrogance, I have given him the tender heart of a father that wants to lend a helping hand to the poor and the needy, to the foreigner and the stranger.”

Johnson cited the specific Old Testament example of God personally selecting the non-believing, pagan King Cyrus to work on His behalf, as recounted in the 45th chapter of the Book of Isaiah.

Johnson added: “As the body of Christ, we must keep our ears and eyes open as we continue to move toward the 2016 elections in the United States. I believe that God is not only going to use the prayers of the saints to bring about His plans and purposes, but He is even going to use those who do not know Him. What a great comfort and source of encouragement we have in the wisdom of God in this hour.”

### *Trump and the Temple*

The nascent Sanhedrin is calling on Russian President Vladimir Putin and US president-elect Donald Trump to join forces and fulfill their Biblically-mandated roles by rebuilding the Jewish Temple in Jerusalem.

Rabbi Hillel Weiss, spokesman for the Sanhedrin, contacted *Breaking Israel News* to announce that the election of Trump, who has promised to recognize Jerusalem as the capital of Israel, coupled with Putin’s expressed desire for the Temple to be rebuilt, prompted the Jewish court to send a letter offering the two the opportunity to act as modern-day Cyrus figures: non-Jewish kings who recognize the importance of Israel and the Temple.

Cyrus the Great, King of Persia in the sixth century BCE, announced in the first year of his reign that he was prompted by God to make a decree that the Temple in Jerusalem should be rebuilt.

Cyrus sent the Jews under his rule back to Israel with a considerable sum of money with which to rebuild the Temple. The Sanhedrin plans to call on the two world leaders to take up this ancient Biblical decree and support the Jewish people in their holy mission.

Rabbi Weiss explained that the US elections have made the eternal Jewish dream a very real possibility. “We are poised to rebuild the Temple. The political conditions today, in which the two most important national leaders in the world support the Jewish right to Jerusalem as their spiritual inheritance, is historically unprecedented,” Rabbi Weiss told *Breaking Israel News*.

The Sanhedrin’s letter notes that Trump’s upset victory was due to his support of Jerusalem, and reminds Trump of his campaign promise to move the US embassy from Tel Aviv to Jerusalem, effectively recognizing the city as the capital of Israel. The

Jerusalem Embassy Act, passed in Congress in 1995, initiated the moving of the embassy, but has been vetoed by every American president since. The Sanhedrin calls on Trump to withhold the veto after he takes office.

The Sanhedrin also recalled Putin's connection to the Temple in its letter. During his third official trip to Jerusalem in 2012, Putin paid a late-night visit to the Kotel (Western Wall). When he arrived at the holy site, the Russian leader stood in silence for several minutes, offering up a personal prayer, after which he read Psalms from a Russian-Hebrew prayer book.

An Israeli bystander called out in Russian, "Welcome, President Putin." Putin approached the man, who explained the importance of the Temple Mount and the Jewish Temple. *Chadrei Charedim*, an Orthodox Hebrew news site, reported that Putin responded, "That's exactly the reason I came here – to pray for the Temple to be built again."

After this remarkable exchange, the Sanhedrin sent a letter to Putin calling on him to fulfill his prayer. At the time, President Putin did not respond to the Sanhedrin's request, but now that the incoming US president is a potential ally in the project, the Sanhedrin believes it is time for Putin to take an active role in rebuilding the Temple.

In addition to its requests concerning the Temple, the Sanhedrin is also calling on Putin and Trump to renew the 1920 League of Nations resolution known as the San Remo treaty, which essentially enabled the creation of a Jewish State by dividing the Ottoman Empire. It incorporated the Balfour Declaration, issued by Great Britain in 1917, which gave official recognition and backing for the establishment of Israel.

US President Calvin Coolidge ratified the San Remo agreement in 1925, thus making recognition of a Jewish State legally binding by US law. The Sanhedrin emphasized that it is imperative at this time, when the Palestinian Authority is attempting to rewrite world history by campaigning against the Balfour declaration, to strengthen the historic American commitment to the State of Israel by readopting the agreement.

Rabbi Weiss emphasized that supporting the Jewish claim to Jerusalem would bring benefit to Russia and America, as well as the entire world.

"The leaders of Russia and America can lead the nations of the world to global peace through building the Temple, the source of peace," Rabbi Weiss explained. "This will offset the disgraceful UNESCO resolutions that are the root cause of increasing terror and violence."

Last month, the United Nations Educational, Cultural and Scientific Organization (UNESCO) passed two resolutions denying any connection between the city of Jerusalem and the Jewish people, ceding to Islam a religious monopoly on many of Judaism's holiest sites.

### *Fun and Games*

Notice the following Hebrew gematria of the name of Donald Trump.

DONALD =

**ד ל א נ ו ד**

4 30 1 50 6 4 / total = 95

The book of Daniel speaks of the “Time of the End.” And the name Daniel = 95

DANIEL=

**ל א י נ ד**

30 1 10 50 4 / total = 95

TRUMP =

**פ מ א ר ט**

80 40 1 200 9 / total = 330

Trump is a “billionaire”; he represents the “wealthy elite” of our present world ( the global financial system ). The value of his last name has the same value for Wall Street.

WALL STREET =

**ט י ר ט ס ל ו ו**

9 10 200 9 60 30 6 6 / total = 330

The meaning of the name Donald Trump is striking. According to the website <http://baby-names.familyeducation.com/celebrities/t/517>

Donald / First name origin: Old English / first name means “Ruler of the world.”

Trump / Last name: Metonymic occupational name for a trumpeter, from Middle English trumpe – trumpet.

Now let’s multiply each Hebrew letter value of the first name and the last name of Donald Trump. We will drop the zeros as they are just place holders. Therefore we will only multiply the numbers. Then we will take these values and add them together to get a total sum. The end result is startling!

Donald = 95

4 30 1 50 6 4 / total = 95

4 x 3 x 1 x 5 x 6 x 4 = 1440

Trump = 330

80 40 1 200 9 / total = 330

8 x 4 x 1 x 2 x 9 = 576

Donald 1440 + 576 Trump = 2016 – the very year when he was elected President of the United States of America on November 8!

This is an amazing mathematical “coincidence” to be sure! The formula doesn’t produce any other year – only the year of 2016! And amazingly it was done with the Hebrew spelling of Donald Trump’s name.

Was this done by Divine design – as a heavenly SIGN – using the Hebrew language of Donald Trump’s name?

Is this one of the SIGNS that we are living in the TIME OF THE END? Is this a sign that the Apocalypse is right around the corner?

Is Donald Trump prophesied to rise up in the Bible and perform mighty deeds in the “end of days,” before he is “taken out of the way” by the clandestine forces of evil of the New World Order who seek to unite the world’s nations against God and Christ?

God says, in II Thessalonians 2:7-10, “For the mystery of lawlessness is already at work’ *only he who now restrains will do so until he is taken out of the way.* And then the lawless one will be revealed, whom the Lord will consume with the breath of His mouth and destroy with the brightness of His coming. The coming of the lawless one is according to the working of Satan, with all power, signs, and lying wonders, and with all unrighteous deception among those who perish, because they did not receive the love of the truth, that they might be saved” (II Thess.2:7-10, NKJV).

Could this “restraining influence” be the presidency of Donald J. Trump and his vigorous defense of Israel and American sovereignty?

Has God given us a few more years to PREPARE for the end of the world as we know it and the coming of the Messiah, Son of David, Yeshua Ha Moshiach, Jesus the Christ, to set everything right and to restore all things? (Acts 3:1-21).
